

HARTLAND and VICINITY.

Hartland office in charge of Fred. H. Stevens, at Commercial Hotel Bldg., where orders for Advertising, Printing and Items for publication may be left.

WOODSTOCK, N. B., OCT. 21, 1908.

Last week Mrs. Emma Sipprell and children, of Bangor, came to visit her father, James Underhill, and her sister-in-law, Mrs. Miles Rideout and Mrs. Scott Rideout, at Somerville. She returned to Bangor on Monday, and will enter the hospital there to train for a nurse. Her husband, Walter Sipprell, who was a well-known engineer on the B. & A., died at Houlton two years ago.

Miss Amy Ross, of Florenceville, was the guest of Miss Darkis and Mrs. Bertram G. Rideout last week.

James Reid, the popular traveller for the Corticelli Silk Co., was in Hartland on Thursday.

On Wednesday evening Mrs. S. R. Boyer entertained a number of Hartland friends at her handsome residence at Victoria. Those who went over were Mr. and Mrs. Percy Graham, Miss Darkis, Walter Sprague and Mr. Boyd.

Mrs. Martha Dickinson is spending a few in St. John.

On Monday evening last week Rev. S. J. Barlett, eastern secretary of Sunday School work in connection with the Methodist church, spoke to the congregation here. There were many people present and Mr. Barlett's words were inspiring and helpful.

Ziba Orser has moved into the Nixon house near the old woodworking factory.

Mrs. Julia Simonson, widow of Charles Augustus Simonson, who lived most of his life in this county where he was born, leaves today for Riverside, California. Mrs. Simonson was formerly Miss Thomas of Centreville, where she has many relatives. After marriage with Mr. Simonson, the two lived at Florenceville, Windsor, and Somerville. Fifteen years ago they moved to a farm near Presque Isle, where a year or two later Mr. Simonson died. Later, she and her son, Harvey, bought a residence at Sprague's Mills, where the later went into the lumber business with disastrous effect, for he was completely burned out two years in succession. Two years ago the son went to Riverside and has been very successful. After dividing her time since between her home at Sprague's Mills and with her daughter, Mrs. H. Percy Stevens at Houlton, Mrs. Simonson now goes to the west to join her son.

John McLaughlan and Miss Marguerite, of Woodstock, were in the village last week.

Amaziah Wheeler, of Woodstock, was here last week doing bill-posting for the John McLaughlan Co.

Roy Fenwick, of St. John, was in the village over Sunday.

Reuben Hagerman, who a few weeks ago was appointed night operator here, has been reduced to assistant day operator. It was not that the young man lacked knowledge of the business, at all, but his appointment was not confirmed by the authorities because of his youth. It is an exceedingly good start in life to have a full working knowledge of railroading and telegraphy at the age of seventeen; and no one need be disheartened because he is pronounced "too young." Youth is a thing that can be all too quickly overcome; but "too old" is a verdict against which there is no appeal. Mr. Kirkpatrick, of Debec, succeeds Mr. Hagerman as night operator.

Albert Orser and wife were guests of their daughter, Mrs. M. E. Thornton, at Perth last week.

Rev. E. C. Jenkins went to St. John on Saturday and on Sunday occupied the pulpit of his former church—that of Ludlow St., Carleton. Rev. J. B. Daggett took Mr. Jenkins' appointments here on Sunday.

One day last week E. C. Morgan and wife, Mrs. D. H. Keswick and Miss Nellie McAdam drove to Woodstock and return.

Rev. L. A. Fenwick, who has been pastor of the United Baptist churches at Bath and Perth for several years, has accepted a call to the churches at Keswick, York county.

Sometimes, not very often, the DISPATCH correspondent is asked to send in locals that are really advertisements. That is the case with all country newspaper people. The Mars Hill View, a neat little paper published by E. L. Lowell, says: "Once again let us say to our correspondents that no free ads will be run for Tom, Dick, Harry or the Devil through the View. We can not run a paper for nothing, neither can we afford to give a store a free 'puff' any more than they could afford to give us a pound of tea every time we called upon them. We are always pleased to publish anything for the church societies, sociables, etc., free, but the fellow who sells goods must get the paying habit."

There will be Church of Englands services in Hagerman & Baird's hall next Sunday at 10.30. Rev. H. Goring Alder will be the minister and Holy Communion will be celebrated.

The C. P. R. dining rooms are now running nicely and Mr. Owens is getting a good trade, it being, of course, confined chiefly to the passengers on the north-bound express, which stops here 25 minutes for refreshments. So far, Mr. Owens' family have not secured a suitable rent for their private use but hope to be able to do so in a few days. Mr. Owens took charge of the station on October 12th.

There are now nearly two hundred patches on the bridge. By actual count there were 168 on Thursday morning.

Dr. MacIntosh was at the G. T. P. works, Miramichi, on Sunday, on business connected with his appointment as health officer.

The greatest number of trains passing through Hartland on a Sunday during the month has been sixteen, six of which were "double-headers." The greatest number on a week day was 22, twenty of them being freight trains.

Miss Lena Hayward, of Woodstock, was the guest of her sister, Mrs. I. B. Curtis, Saturday and Sunday.

There have been over 100 cars of potatoes shipped from this station since the season opened. Even larger shipments have been made by individual dealers in Victoria county. The Victoria Produce Co. and J. C. Manzer, each have shipped over 100 cars. Hartland dealers make large shipments from Victoria county points.

If election day and night passes off as quietly as the election last March there will be much to be added to the credit of the people of Hartland.

Mrs. Fred Dickinson of Victoria Corner, N. B., arrived in town Tuesday to remain with the children of her daughter, Mrs. D. H. Boyd, while Mr. and Mrs. Boyd are away on their Boston trip.—Fort Fairfield Review.

Miss Mattie McCallum of Hartland, N. B. is keeping books for Mrs. M. C. Perry.—Fort Fairfield Review.

John T. G. Carr is having a six inch sewer pipe laid from the Commercial hotel out to Main St., and diagonally across that street to his own property, then to the river. This bit of enterprise is primarily designed as an adjunct to the hotel, but Mr. Carr will rent the privilege of making connection with the pipe to other property holders.

Notice: All who have not paid their county and road tax are hereby notified that if payment is not made by November 1st, the same will be collected by legal process. Judson Currie, collector, Hartland, N. B.

The local W. C. T. U. will meet at the home of Mrs. J. D. Shaw on Thursday, Oct. 29th at 2.30 p. m. A programme on the subject of mother's meetings will be given, all mothers cordially invited to attend.

Warren White, who for some time has been clerking for Keith & Plummer, has given up that position and gone to Lowell, where he will remain for some time.

For Sale: A number of farm implements in good order; house and stock; also household goods. Apply any time at the home of E. M. Shaw, Victoria.

Miss Dollie Brown, of Woodstock, has been visiting Mrs. H. N. Boyer.

Mrs. James Drysdale and son, Leslie, of Woodstock, were recent guests of Mrs. G. C. Watson.

Fred Boyd and family of Woodstock were visiting friends here last week.

LIKE THORNS IN THE FLESH

Are The Sharp Twinges and Tortures of Rheumatism. Dr. Williams' Pink Pills A Certain Cure.

The twinges and the tortures of rheumatism are not due to cold, damp weather as so many people imagine. Rheumatism comes from poisonous acid in the blood. The pains may be started by cold weather, damp weather or by keen winds. There is only one way to cure rheumatism. It must be treated through the blood. All the liniments and rubbing, and so-called electrical treatment in the world will not cure rheumatism. The acid that causes the disease must be driven out of the blood and the blood enriched and purified. It is because Dr. Williams' Pink Pills make new, red blood that they have cured thousands of cases of rheumatism after all other treatment had failed. As a proof of what Dr. Williams' Pink Pills will do even in the most severe cases of rheumatism, the case of Mr. David Carroll, a well known furniture dealer of Pictou, N. S., may be cited. Mr. Carroll says:—"I have been a most severe sufferer from rheumatism, and in the hope that some other poor sufferer may find relief from my experience. I gladly write you of the benefit I have received from Dr. Williams' Pink Pills. The trouble settled in my shoulders and down my sides and at times I was quite unable to raise my arm. I was attended by a doctor, but as I did not appear to be getting any better I sent for a so-called electric belt for which I paid \$4.00. It did not do me any good and then I tried another remedy, but without any better results. A friend asked me to try Dr. Williams' Pink Pills, and I got three boxes, by the time I had used them all I found the stiffness and pain less severe, and I got another half dozen boxes. When I had taken these every symptom of the trouble had disappeared and in two years that have since passed I have had no return of the trouble. I believe there is no other medicine equal to Dr. Williams' Pink Pills for curing this most painful trouble, and I have recommended the Pills to others who have been benefited by their use."

Dr. Williams' Pink Pills not only cure rheumatism but all the other diseases due to poor watery blood, such as anaemia, indigestion, nervous disorders, neuralgia, St. Vitus dance, paralysis, and the ailments of girlhood and womanhood, with their headaches, backaches, sideaches and attendant miseries. Only the genuine Pills can do this and you should see that the full name "Dr. Williams' Pink Pills for Pale People" is on the wrapper around each box. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

HARTLAND DEPARTMENTAL STORE. JEWELLRY DEPARTMENT.

RINGS.

For Ladies, Gentlemen, Boys' and Girls in the latest lines.

JOHN T. G. CARR, - Proprietor.

The work here seems to be getting well along. The rails are laid the entire length of the other section, however, and the ballasting is about completed; but there remains a great amount of riprapping with granite boulders yet to be done, and trains may not run over it until this is completed.

Mr. and Mrs. Frank Campbell and child, St. John, have been visiting at Mr. A. F. Campbell's.

Mr. and Mrs. Andrew Faulkner have been visiting their daughter, Mrs. Brazil Seely. W. W. Estey, of Fredericton, has been the guest of his father-in-law, Judson Currie, for the past week. On Sunday he and Mr. Currie took a driving trip to Florenceville, enjoying the beauty of the day.

The number of political enthusiasts who went to Woodstock from Hartland numbered 130.

On Sunday, Dr. Mann, Mrs. Mann, and daughter Dorothy, of Houlton, passed through Hartland by auto on Sunday.
