**A Sight Draft.**

Two young bankers, one from the Royal and the other from the Montreal bank started down river one day last week in a canoe on a duck shooting expedition. When they had gone as far down as the Indian reservation, one of the bankers saw some object moving on the bank and let blazes at it. It turned out to be the pet owl of the Indian village.

In a short time a number of squaws came down to the shore gesticulating wildly. The bankers went in to see what the trouble was about and landed on the beach. The Royal bank man went up to investigate and was told they had shot the village pet owl and would have to cash up. "Me to the canoe," said the money grabber, but, on the retreat he found his way blocked by a buxom squaw. In the meantime his companion had gone up to the village to ascertain the extent of the damage. In a short time he returned and reported the owl in good condition having only lost a few feathers. The squaws finally consented to square matters for the sum of seventy-five cents which was paid over by the teller.

**SAVE THE CHILDREN.**

Mothers who keep a box of Baby's Own Tablets in the house may feel that the lives of their little ones are reasonably safe during the hot weather months. Stomach troubles, cholera, infantum and diarrhoea carry off thousands of little ones every summer, in most cases because the mother does not have a safe medicine at hand to give promptly. Baby's Own Tablets cure these troubles, or if given occasionally to a well child will prevent the trouble coming on. And the mother has the guarantee of the government analyst that the Tablets contain no opiate or harmful drug. Mrs. Geo. Mineault, jr., Mount Louis, Que., says:—"Before giving Baby's Own Tablets to my little one she suffered greatly from colic and stomach troubles and cried a great deal. The Tablets soon cured her and she is now a plump, healthy child who does not look as though she ever had an hour's illness. You can get the Tablets from any dealer in medicine or by mail at 25 cents a box from the Dr. Williams' Medicine Co., Brockville, Ont."

**LADIES TO THE "FORE."**

**The Annual Competition in the Maritime Provinces Golf Association.**

The Woodstock Golf links are entirely given up to the ladies this week, and the doughty gentleman veterans of the mashie and the niblick, who strove valiantly and with effect against St. John on Saturday, are happy in being allowed to figure as scorers to the various competitors, who are here in fourth annual meeting of the Ladies' Golf Association of the Maritime Provinces. Representatives are present from Halifax, Moncton, St. John and St. Stephen. Monday opened pleasantly as to weather. The links were in good condition, the greens being in very good shape for putting.

At two o'clock the joint event took place when twenty-eight ladies played in the qualifying round for the Ladies Championship and the Consolation Cup, the score being by Medal play—that is the number of strokes for 18 holes, or twice over the course.

There were quite a number of spectators and when the ladies got well into the field, it was a pleasant sight to the eyes. It will be noted that two Woodstock ladies qualified for the championship, Mrs. A. D. Holyoke and Miss Blanch K. Dibblee. It was expected they would, but general disappointment was felt that Miss A. Marion Rankin, who is easily in the first class among the local players, should just fail to qualify. Evidently this is accounted for in that the not light duties of secretary to the association have so fairly engrossed her time that the always necessary practice to qualify for a match had to be foregone.

The ladies as a rule played extremely well, the driving being particularly good, and in some instances excellent. The form there was generally good, too. As the scores given below indicate, it was no small undertaking to reach the charmed circle of the qualifying round for the championship.

The ladies of the Woodstock Club furnished tea to the visitors and other guests at five o'clock on Monday. During the days of the match lunch and tea will be served.

Following is the result of the qualifying round:

Mrs Ganong, St. Stephen	109
Mrs Belyea, Woodstock	132
Miss Bauld, Halifax	102
Mrs Wilkinson, Moncton	125
Miss Barker, St. John	118
Miss Rankin, Woodstock	120
Mrs Handsomebody, Windsor	95
Miss Hare, St. John	130
Mrs A B Connell, Woodstock	123
Mrs Madison, Moncton	114
Miss Bullock, Halifax	125
Mrs Holyoke, Woodstock	109
Miss C McLaren, St. John	106
Mrs Ketchum, Woodstock	125
Mrs Chandler, Moncton	113
Miss Dibblee, Woodstock	114
Miss Mary Robertson, St. John	124
Mrs E A Smith, St. John	117
Miss Dalling, Woodstock	163
Miss Henderson, Halifax	107
Mrs Crighton, Moncton	124
Mrs Schofield, St. John	115
Miss H Smith, St. John	105
Miss Muriel Robertson, St. John	100
Miss Jones, Halifax	144
Miss Stetson, St. John	102
Mrs Welch, Woodstock	130
Miss B McLaren, St. John	116

The highest fourteen scores in this list qualified for the second round, those remaining will compete for the Consolation prize.

In the driving competition which took place on Tuesday morning, the following ladies were prize winners:

Miss Muriel Robertson, St. John	362 yds
Miss Stetson, St. John	357 "

On account of the high wind on the links many balls were driven out of bounds, and the scores were not up to the average.

**Settlement of the James A. Phillips Estate.**

The arbitration of the matters affecting the estate of the late James A. Phillips of Bristol was concluded last Thursday. Twenty years ago in July Mr. Phillips died and two of his sons, E. D. R. Phillips and James Edwin Phillips, were appointed executors. There were in all three other children: Albert, Mrs. H. B. Taylor, and Nellie (Helen.) These latter received their apportionment a long time ago but the residue had never been settled between the other two heirs—the executors—although each had drawn largely from the undivided fund. About a year ago James Edwin died, and some difficulty arose between the surviving executors and the heirs of the deceased executor, represented by his own executors. The matter was left to arbitration and all concerned were unanimous in choosing Hon. J. K. Flemming of Hartland and F. E. McNally of Beechwood as arbitrators. The two had several meetings and could make no award agreeable to both parties concerned, so on Thursday they (the arbitrators) chose a third in the person of Benjamin Kilburn, of Kilburn, who, after learning the details of the matter, upheld the other arbitrators in their award. This was then accepted by the executor to the James A. Phillips estate and to the executors of the James Edwin Phillips. The latter were allowed a sum approximating \$4000 00, an amount quite near the figures claimed, but much more than the executor had previously been willing to pay.

**GOLF.**

**St. John vs Woodstock.**

The game between St. John and Woodstock on the links on Saturday last resulted as it usually does on the home course, in a decisive victory for the Woodstock club.

Eighteen men came up from St. John, the largest team that has ever played in a match game. A few of St. John's best players were unable to come up, which weakened their team to some extent. After the game was finished, speeches were made by His Worship Mayor Balmain and Messrs. Magee and the Rev. Mr. Hooper. The weather was perfect and the visitors enjoyed the day very much.

Following is the score:

**H. Wilmot Young.**

"A Soldier of Young"

H. Wilmot Young, who is at the head of his own company which will be at the Hayden Gibson Theatre next Monday evening, is a Canadian born, and first saw the light of day in Toronto, Sept. 1877. His father, a prominent barrister at that time, through unfortunate land deals lost a fortune which had taken him a lifetime to accumulate, and at an early age Mr. Young was compelled to put his shoulder to the wheel to assist in supporting a large family of brothers and sisters. His first situation was as copy boy on one of the Toronto papers, and from that he graduated to the composing room, where he spent four years, being of an adventurous disposition the humdrum existence of a composing room did not appeal to him, he joined a surveying party and in two years worked clear through to the Pacific Coast, where the survey closed and he was once more foot and fancy free. After knocking about Vancouver for some time and being flat broke he shipped as a fireman on board one of the O. and N. mail steamers for Japan. Leaving the mail service he went to Hong Kong, where he joined the American battleship Oregon, under command of Captain Clarke, where they took part in that memorable engagement at Manila Bay and after serving the term of his enlistment Young was discharged at the Brooklyn Navy Yard.

One day while walking up Broadway and meeting an old school chum they fell to discussing ways and means. His friend, who was manager of a number of New York theatrical companies, offered Mr. Young an engagement to play a minor role, which he gladly accepted. From that time his rise in the profession has been rapid, and for the past seven years has been at the head of his own company. Mr. Young is seen at his best as Bertie Cecil in that comedy success, "UNDER TWO FLAGS," which will be the attraction of his engagement Monday Sept. 7 at the Hayden-Gibson Theatre.
