COMELY MATRONS PRAISE PERUNA

KENTUCKY

OREGON

OHIO.

The Testimony of These Three Housewives Demonstrates Beyond All Doubt That Peruna is a Safe and Useful Remedy.

Gained Flesh on Peruna.

Mrs. Hattie Hamilton, R. F. D. No. 2, Sparta, Ky., writes:

"I have taken two bottles of Peruna and commenced on the third one. I did not really need the third one, but thought it best to take another bottle.

"I have always weighed 102 pounds, but since I began taking Peruna I weigh 120, for the first time in all my life, and I am now thirty-three years old. Your medicine has surely done me a great deal of good, and I have recommended it to several others who have begun taking it.

"My mother, who is seventy-six years old, had grown so weak she could scarcely walk. She took two bottles of Peruna and is fresher and looking well."

Internal Catarrh.

Mrs. M. F. Jones, of Burning Springs, Ky., writes:

"No family should ever be without Peruna, for it is an unfailing cure for colds, and it is an excellent remedy to prevent and relieve croup.

"And to speak from a standpoint of experience, I can candidly say that it is the remedy for internal catarrh. I shall not hesitate to recommend it, especially to all suffering women.

"Peruna has gained full confidence and a permanent stay in our home."

Constipation, Torpid Liver.

Mrs. Anthony Rauch, 306 N. Walnut street, Bucyrus, O., writes:

"I was suffering from obstinate constipation and torpid liver, when I took your advice and purchased six bottles of Peruna and Manalin. When I had taken only one bottle I felt much better, and since I have taken two more bottles I feel entirely well, but I will continue taking the medicine for a short time to make sure of my cure.

"I think Manalin is one of the finest remedies for constipation that I ever tried. I will never be without it. It has made me so strong. I can do a day's work and never tire. I am so glad I do not get those dizzy spells any more. I haven't had one since I took your medicine.

"I cannot thank you enough for what your medicine has done for me. All sick people should give it a fair trial."

Kidneys and Bladder.

Mrs. Gus. H. Carlson, Box 201, Ortonville, Minn., writes:

"I had catarrh of the kidneys and bladder. I have taken Peruna until now, and I do not think I need to take it any longer.

"I feel well, and my tongue is clear, and I have no bitter taste in my mouth. I am very thankful for Peruna."

The only valuable testimony which any household remedy can have is the testimony of those who have used it. It is worse than useless to discuss Peruna from a theoretical standpoint. It is what Peruna will do, not what people say about it, that constitutes evidence. The housewives of the United States know what Peruna will do. They have tried it. They have realized its benefit in the family. They are the ones that are competent to speak of it. Self-appointed critics know nothing of it whatever.

Peruna Their Family Medicine.

Mrs. Anna C. Hyde, 712 E. Yamhill street, Portland, Oregon, Vice President Literary and Educational Organization of New Hampshire, writes:

"I am pleased to endorse Peruna as an all-round good family medicine, and one that is safe to give children. I give it to mine at the least suggestion of a cold, and take it myself to build up my strength and nerves.

"My sister, who is living with me, uses Peruna, too, and she is loud in its praises.

"Your medicine is certainly worthy of praise."

Backache, Headache.

Mrs. Tressie Nelson, 606 N. Fifth Ave., Nashville, Tenn., writes:

"As Peruna has done me a world of good, I feel in duty bound to tell of it, in hopes that it may meet the eye of some woman who has suffered as I did.

"For five years I really did not know what a perfectly well day was, and if I did not have headache, I had backache or a pain somewhere and really life was not worth the effort I made to keep going.

"A good friend advised me to use Peruna and I was glad to try anything, and I am very pleased to say that six bottles made a new woman of me and I have no more pains and life looks bright again."

Catarrh of Bowels.

Mrs. Maggie Durbin, 1332 North street, Little Rock, Ark., writes:

"I was troubled for five years with a chronic disease. I tried everything I heard of, but nothing did me any good. Some doctors said my trouble was catarrh of the bowels, and some said consumption of the bowels. One doctor said he could cure me. I took his medicine two months, but it did me no good.

"A friend of mine advised me to try Peruna and I did so. After I had taken two bottles I found it was helping me, so I continued its use, and it has cured me sound and well.

"I can recommend Peruna to anyone, and if anyone wants to know what Peruna did for me if they will write to me I will answer promptly."
