SUFFERED FOR YEARS

Says Peruna Completely Restored Health.

MRS. CHAS. GROS LOUIS.

MRS. CHAS. GROS LOUIS, Indian Lorette, Quebec, Can., writes:

"For years I suffered from a disease that the doctors did not understand."

"One day I read in the paper about your excellent remedy, Peruna. I procured a bottle of it and took it according to directions. It was not long until I observed a change for the better."

"I can say that Peruna has cured me. I could not take any nourishment except milk."

"I will at all times say a good word for Peruna. I hold it in the highest esteem."

Not only women of rank and leisure praise Peruna, but the industrious, useful women engaged in manual toil would not be without Dr. Hartman's world-renowned remedy.

The doctor has prescribed it for many thousands of women every year and he never fails to receive a multitude of letters like the above, thanking him for his advice, and especially for the wonderful benefits received from Peruna.
