Hartland office in charge of Fred. H. Stevens, at Commercial Hotel Bld'g, where orders for Advertising, Printing and Items for publication may be left.

WOODSTOCK, N. B. JUNE 24th, 1908.

The funeral of Mrs. Herbert Jones of Hartland, who died on Tuesday at the Woodstock Hospital was held at Millville on Thursday Rev. E. C. Jenkins pastor of the Hartland Baptist Church conducted the service and a number of the United Baptist choir also attended. Among the latter were Misses Janet McMullin, Emma Cogswell, Lulu Van Wart, Lida Reid, Inez Bradley and Mr. E. C. Morgan. The bereft husband and children have the sympathy of the community.

Rev. John Perry returned from the district meeting at Lindsay and immediately left for Arthurette on the Tobique, where he will attend another meeting. Mr. Perry bears his burden of 37 years with remarkable vigor.

F. E. Sayre & Company's mill broke down on Thursday. The cause was a broken crankshaft and it will entail a loss of ten days' time for the employees and two or three hundred dollars for the owners.

Today is very hot, the thermometer registering 90 degrees. The water is falling very fast again.

H. C. Eyre, of Indian River, Florida, has arrived in the village to look after the construction of a sporting camp on the headwaters of the Becaguinnac. In a few days he will leave for Newfoundland to do some Cariboo shooting. Later he will return to Hartland and have his two sisters come from the south to spend the summer with him in the Canadian woods. Mr. Eyre was so delighted with the country on his trip here last year that he is anxious for his home friends to know what a happy hunting ground he had found.

The annual school meeting of Hartland district was held on Saturday morning. J. T. G. Carr was in the chair. There was the usual attendance. John Barnett the outgoing trustee was re-elected. The amount of \$750.00 was assessed for current expenses and salaries and \$100.00 for repairing the school house. On motion of Mr. Carr \$50.00 was assessed of making the exits safe in case of fire. The doors are to be made to open outward, and an iron fire escape built in the rear.

IN THE HOMES  
OF FAIR CANADA

Dr. Williams' Pink Pills Are Bringing Health to Weak, Despondent People.

There is not a nook or corner in Canada, in the cities, towns, villages and farms where Dr. Williams' Pink Pills have not been used, and from one end of the country to the other they have brought back to breadwinners, their wives and families the splendid treasure of new health and strength. You have only to ask your neighbors and they can tell you of some nerve-shattered man, suffering women, ailing youth, or unhappy anemic girl who owe present health and strength to Dr. Williams' Pink Pills. Their wonderful success is due to the fact that Dr. Williams' Pink Pills go right to the root of the disease in the blood, and by making the vital fluid rich and red, strengthen every nerve, thus driving out disease and pain.

Mr. Joseph Lacombe, Quebec City, says:—"To-day I weigh about forty pounds more than I did a year ago, and am in every way in much sounder health. For upwards of two years I had been studying hard to pass my examinations and my health had completely given way under the strain. I lost flesh rapidly, my appetite was gone and my nerves were greatly weakened. I was obliged to abandon my studies and was in a state of complete exhaustion. I consulted a physician, but as I was daily growing weaker I decided to try Dr. Williams' Pink Pills, which I had often heard very highly spoken of. The beneficial effects were indeed remarkable for I had not used more than a couple of boxes when I could feel an improvement, and hope returned. I continued using the pills for some weeks longer, with the result that my strength increased daily and I was soon able to take over my studies and work with as much energy as I had ever done. To-day I am in perfect health and I attribute my recovery solely to Dr. Williams' Pink Pills."

You can get these Pills from any medicine dealer or by mail at 50c a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

The C. P. R. intends relaying the track from a point a mile above Hartland to Bristol with seventy-pound rails. This is a much heavier rail than was laid between Woodstock and Hartland two years ago. The work is in the department of track master Aiton and will commence at once.
