PAIN

Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablets—coaxes blood pressure away from pain centers, its effects charming, pleasingly delightful. Gently, though safely, it surely equalizes the blood circulation.

If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you're sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.

Brace your finger, and doesn't it get red, and swells and pains you? Of course it does. It's congested blood pressure. You'll find where pain is—always. It's simply Common Sense.

We sell at 25 cents, and cheerfully recommend

Dr. Shoop's Headache Tablets

Berrie---Thorne.

A wedding which attracted much interest among the many friends of the bride took place Wednesday afternoon, Sept. 30th, at four o'clock at the residence of J. L. Thorne, 102 Carmarthen street, St. John. The event was the marriage of his daughter, Catherine C., to J. Charlton Berrie of Woodstock. The ceremony was performed by Rev. Dr. Flanders and the bride was given away by her father.

The bride's costume was of white lace over white silk with veil and orange blossoms. She carried a bouquet of bridal roses. Mrs. C. P. Nixon, a cousin of the bride, who acted as matron of honor, wore pink chiffon over pink silk and carried a bouquet of pink carnations.

After the ceremony Mr. and Mrs. Berrie left on the evening train for a trip to Boston and New York. The bride's travelling costume was of green broadcloth, with champagne colored vest and hat to match. On their return to the province they will reside at Woodstock, where Mr. Berrie is engaged in business.

Among the many beautiful presents received by the young couple are a handsome cut glass bowl from Centenary Sunday school and a silver salver from the infant class of which Miss Thorne was the teacher.

\$100 Reward \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Sudden Death.

Joshua Crawford, aged 51 years died suddenly of heart trouble at his home on Auburn street this morning, Sept. 1st, at 5.30 o'clock. Although suffering from heart trouble for the past two years, he has been at his work nearly every day, and yesterday was at work as usual. Although he complained of not feeling well, he continued with his work and when leaving for home last evening appeared as well as usual.

A wife, two sons, Harry of Houlton, Me., and Herbert of Beverly, Mass., and three brothers, Robert of Woburn, Caleb of Cambridge and William of Springfield, N. B., survive. George A. J. Crawford of this city is a nephew.—Evening News, Woburn, Mass.

[The remains were brought to Houlton for interment in Evergreen cemetery. A short service was held at the grave by Rev. F. C. Hartley, pastor of the First Free Baptist church of Houlton.]

To quickly check a cold, druggists are dispensing everywhere, a clever Candy Cold Cure Tablet called Preventics. Preventics are also fine for feverish children. Take Preventics at the sneeze stage, to head off all colds. Box of 48—25c. Sold by all dealers.

Hints on Cooking Meals.

Never pour water into the pan in which you roast lamb. Rub the meat with salt and pepper and scatter flour lightly over the top. Then cover with the "leaf" of fat which comes with the roast. Cover with a second pan of same size and baste with the juice of the meat. Water destroys the flavor.

When ordering Hamburger steak, select the meat. Do not permit the butcher to put in tailings and discolored scraps. Fresh rump or round is best. Have it first ground then laid on the meat block and the onion chopped into it with a cleaver.

To get best results in stewing chicken according to the good old-fashioned methods, disjoint the fowl, wipe each piece clean, and drop into water just coming to a boil. Cover tightly and set back on the stove to

simmer very gently. When about half done, add salt. When the meat is just ready to drop from the bone, you will find your stock greatly reduced. Add an equal quantity of milk, thicken with flour, and then add pepper and parsley chopped fine. Serve on crisp toast.

If you intend to serve cold ham whole, parboil and then bake it. Scrub the ham thoroughly and soak over night in cold water. Next morning wipe off clean, lay in cold water in a granite iron pot and bring just to a boil. Pour off this water, add more cold and bring to a boil the second time; add a handful of bay leaves and some whole cloves. Simmer for two hours, remove from the pot, peel off the skin, lay in a dripping pan in which you have poured a cup of water and one of sherry. Cover with bread crumbs and pepper, bake until golden brown.

Don't Wait For Business.

The three ways of getting business are waiting for it to come to you, meeting it half way, and going after it.

The man who waits for business to come to him has his first busy day when the sheriff sells him out.

The man who meets business half way won't meet more than he can handle with one clerk.

The man who goes after business is the fellow who keeps it away from the other two.

The dealer who has a business worth talking about very seldom has anything to say about it.

No man ever walked into a goldmine blindfolded—and no dealer ever walked to success without knowing just where he was every minute. If you can only make good, you won't have to explain how you do it.

Stomach troubles would more quickly disappear if the idea of treating the cause rather than the effect, would come into practice. A tiny, inside, hidden nerve, says Dr. Shoop, governs and gives strength to the stomach. A branch also goes to the Heart, and one to the Kidneys. When these "inside nerves" fail then the organs must falter. Dr. Shoop's Restorative is directed specifically to these failing nerves. Within 48 hours after starting the Restorative treatment patients say they realize a gain. Sold by all dealers.

Prompting Home Patronage.

The merchants of Shenandoah, Iowa, recently offered a fine prize to the person writing the best short essay on the subject: "How to Promote Home Patronage." The following extract from the prize winning essay contains some very sound advice to merchants:

Be honest, earnest and accommodating. The most powerful factor in business is the personal element, and right there is where the home merchant has the advantage of the mail order man. The farmer knows his home merchants, knows him to be honest, obliging and straightforward. If he can get anywhere near as good prices at home he will not send away. Let the farmer know that you have his interest at heart and would not knowingly sell him anything of poor quality. Educate him to the use of the best qualities and show him the differences in the grades. Make it an open deal all the way through, straight above-board. The farmer does not object to a fair profit, but the mail order men have constantly impressed on his mind that the home merchant is a robber, till sometimes the farmer almost believes it.
