WAS TAKEN SICK FROM CATCHING COLD PE-RU-NA RELIEVED.

MISS ERNESTINE BOUVARD,
Duck Lake, Saskatchewan, Can., writes:

"At the close of 1903 I took sick as the result of catching cold. I became very weak and could not do anything."

"I consulted a doctor who had me take various kinds of medicine, but I did not find any relief from my suffering. At the advice of a friend, I wrote to you and you advised me."

"After I had taken two bottles of Peruna there was noticeable improvement. I combined the use of Peruna, Manalin and Lactopia and after taking several bottles of each I find myself entirely cured."

"I can certify that I was through your medicines that I recovered my health. I advise every one who is similarly afflicted to obtain Dr. Hartman's advice and be benefited."

Mrs. Wilda Mooers, R. F. D. No. 1, Lents, Oregon, writes:

"For the past four years I was a wretched woman, suffering with severe backaches and other pains, leaving me so weak and weary that it was only with difficulty that I was able to attend to my household duties."

"I used different remedies, but found no relief until I had tried Peruna."

"Within two weeks there was a change for the better, and in less than three months I was a well and happy woman."

"All the praise is due to Peruna."

Peruna is not a local remedy, but an internal systemic remedy. It will relieve catarrh in its most obstinate form.
