On Thursday evening there was a meeting in Conservatives interests at St. Thomas, in the parish of Simonds. There was a fair-sized audience, but the apparent scarcity of Conservative voters was due to the fact that that district is, so far as it goes, an old-time liberal stronghold. The candidate, B. F. Smith, M. P. P., F. C. Squiers of Florenceville, and Marvin L. Hayward of Hartland were the speakers. There was a disposition among certain parties in the audience to interrupt the speakers which was discredit-able.

Mrs. Wintreth Jones of Caverhill, and her niece; Mrs. Jones of Woodstock, were guests of the brother of the former, D. E. Morgan, and Mrs. Morgan, on Friday and Saturday.

Do not forget the W. C. T. U. meeting in the lower Baptist church this evening. Rev. J. H. A. Anderson, pastor of the Presbyterian church at Florenceville, will give an address to boys and young men. All are cordially invited. There will be special music, and recitations. A silver collection to defray expenses will be taken at the door.

At Middle Simonds on Saturday evening a large audience greeted the Liberal candidate. The other speakers were Hon. W. P. Jones, George Upham, Frank Hagerman, Frank J. Shaw and W. B. Morgan. The meeting filled the Orange Hall to overflowing, and the speakers were given a good hearing. Mr. Carvell was greeted with an ovation that was difficult to repress. After the meeting the women of Middle Simonds provided an oyster stew for the company. Captain Perkins of Connell was chairman of the meeting.

Miss Hayden, who was chief milliner for Keith & Plummer last spring, has returned, having engaged with the same firm for the autumn season. The numerous friends she made during the months she was here are pleased to see her again.

Herbert N. Boyer, who last fall installed an up-to-date Fairbanks scale for weighing loaded teams, has been doing a brisk trade the past few weeks. The largest number of teams he has weighed in any one day was more than seventy-five, while an estimated average is about fifty per day. This big business does not show the full number of teams that come each day as DeWitt Bros. have scales of their own.

Thursday evening the death occurred of Mrs. John Allbright, of Victoria Corner. She had been ill a long time of cancer, but had been confined to her bed only a few weeks. Her husband died a year ago, and two son are left to mourn. The funeral was held on Friday, Rev. E. O. Steeves preaching the sermon. Burial took place in the church-yard at Lower Wakefield. Mrs. Allbright was of advanced age, and during the many years she was resident of Victoria she held the high esteem of all. Her sufferings were intense but she bore them bravely until the grateful release.

The Fort Fairfield says that Mr. and Mrs. J. B. Bowser of Victoria Corner were guests of their cousin, Mrs. Enoch Patterson, on Sept. 16. From the same paper we clip: "Gordon MacAdam of Hartland (N. B.), who has been working for Edward Higgins, went to Patten on Saturday to follow his trade of blacksmith.

The DISPATCH man, telephoning the residence of Woodford Craig on Sunday to enquire after the health of that individual, was surprised and pleased to be answered by the gentleman himself. Stubborn Indigestion

One Who Had Suffered for Years Cured by Dr. Williams' Pink Pills.

The symptoms of stomach trouble vary. Some victims have a ravenous appetite, while others loathe the sight of food. Often there is a feeling as of weight on the chest, a full feeling in the throat. With others there is an intense pain and feeling of nausea after eating. Sometimes gas presses on the heart and leads the sufferer to think he has heart disease. Sick headache is another frequent and distressing symptom.

Mr. Alex McKay, McLellans Mountain, N. S., says:—"For years I was a great sufferer from indigestion, which was gradually growing worse and worse, and it would be impossible for me to tell how much suffering I endured. At different times I had treatment from three good doctors, but it did not help me in the least. Then I began trying all sorts of advertised medicines and took ten packages of one medicine specially intended for dyspepsia, but with no better results. I had practically come to regard myself as incurable, and to feel that I would be a continuous sufferer, when one day I read in a newspaper of the cure of indigestion through the use of Dr. Williams' Pink Pills, and I made up my mind to give them a trial. I had used nearly five boxes before they began to help me, but I do not wonder at this as my case was so bad. I used in all a dozen boxes of the pills, and they cured me completely. I can now eat anything we raise on the farm for man to eat and have no longer the pains and discomfort I had endured for years. It is several years now since I was cured, and have never felt a symptom of indigestion since. I am well known in this locality and you are quite at liberty to use what I say in the hope that it will benefit some other sufferer."

All medicine dealers sell Dr. Williams' Pink Pills or you can get them by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

While returning from Hartland after delivering a load of hay, James Clark of Victoria Corner met a mishap that might easily have caused his death. He slammed the plank upon the waggon and the noise made thereby frightened the horses. Mr. Clarke caught between the wheels, he suffered the breaking of three ribs and the fracture of one leg in two places. He was also badly bruised and sustained a severe nervous shock. When medical assistance was brought it was feared the man might have had internal injury as the wheels passed over him, but as the time passes he is resting more and more comfortably, and his friends hope for a speedy recovery. He is a man past middle age.

The Rigby Hardware Co. offer special inducements to cash buyers; and they are stocking up with all lines so that customers who want to be served in a hurry will not have to wait a week until the goods are sent for and received.
