WE ALL USE PE-RU-NA IN OUR HOME

MRS. ANNIE TESCH.

Now Eats and Sleeps Well.

Mrs. Annie Tesch, 237 23rd Avenue, Milwaukee, Wis., writes: "When I wrote to you for advice, my health was a total wreck. I could not sleep and thought I would die, as there seemed to be no help for me. But I followed your advice and took Peruna and Manalin.

"I am now cured. I can eat and sleep well, and enjoy life. I never will be without Peruna, should any of us be sick."

Catarrh of Worst Form.

Mrs. Amanda Long, 7237 Seeley Avenue, Chicago, Ill., writes:

"I believe that I am cured of catarrh of the worst form and of long standing.

"I was almost a total wreck. I tried almost everything and doctored with a number of doctors, but they did me no good.

"I tried Peruna as a last resort, and by the time I had taken one bottle I could see that it was helping me, and so I continued taking it. I can say now that I have not felt the slightest symptoms for three months, and I think there is nothing like Peruna. I still keep it in the house, and think there is no medicine like it. I cannot praise it too highly, and bless the day that I learned of it."

Mrs. Judge J. F. Boyer, 1421 Sherman Avenue, Evanston, Ill., writes that several complications united in pulling her down, and she thanks Peruna for new life and strength.

Pain in the Stomach.

Mrs. Moie Parizeau, Ste. Julie de Vercheres, P. Q., Canada, writes that she suffered five years with pain in the stomach. The pains extended through her body, and she also had difficulty in breathing. Her husband heard of Peruna and bought five bottles. This treatment virtually cured her.

Who is best able to judge of the value of Pe-ru-na? The housewife who has used it in her home for years, or prejudiced, sensational writers who have never used Pe-ru-na in their lives? It will not take any fair-minded reader a minute to decide which is the best evidence. The mothers of the United States believe in Pe-ru-na. The half million women who praise Pe-ru-na receive no pay for doing so, and the half dozen editors who disparage Pe-ru-na get big pay for doing so. Which is the best evidence?

Sore Throat for Years.

Mrs. C. Dashel, 384 Irving Avenue, Chicago, Ill., Curator Natural History Society, writes:

"I am glad to be able to recommend Peruna for chronic sore throat. I had been troubled with sore throat for years, but could find nothing to help me. I had an awful gagging in the morning and was subject to dizzy spells. I could not draw a free breath and life had no pleasure for me. My throat was dry and parched.

"I supposed I was doomed to spend the rest of my days in this condition, when I heard what good Peruna had been to others, so I tried a bottle of it. After using it I was much better and six bottles of it cured me.

"I cannot say too much for Peruna, and I hope that some poor sufferer like myself will see this and give it a trial."

MRS. J.C. RUSSELL.

Acute Indigestion.

Mr. John C. Russell, 810 County Street, Portsmouth, Va., writes regarding his wife's case as follows:

"I thought it would be doing but justice to your great medicine to tell you what it has done for my wife.

"Two years ago the doctor called at our house, on an average, three times a week, in attendance upon my wife, who was suffering from acute indigestion. Her suffering was so great that nothing but morphine would give her relief.

"While on a visit to some friends in Norfolk she had an attack and I prepared to go for the doctor, when our friend proposed Peruna. I gave her a dose, repeating it

in a half hour, and her pains passed away. Since that time my wife has gained thirty pounds.

"We are never out of Peruna. When the children or I have a cold we take some of mamma's Peruna. I find it has cut my doctor bills down to almost nothing."

MRS. C. DASHEL.

Pe-ru-na for Her Children.

Mrs. Alice Bogle, 803 Clinton St., Circleville, Ohio, writes:

"I want to inform you what Peruna has done for me.

"I have been afflicted with catarrh for several years. I have tried different medicines and none seemed to do me any good until I used Peruna. I have taken six bottles and can praise it very highly for the good it has done me.

"I also find it of great benefit to my children."
