Hon. J. K. Flemming has sold his house at Peel to W. W. Melville and moved to Hartland where he has bought the residence at the south end lately occupied by Dell Boone. Mr. Flemming is having the building thoroughly over-hauled. It will be ready for occupancy in a few days, meantime Mr. Flemming and family are stopping at the Commercial hotel.

Mr. Stephen Orser of Windsor was in the village on Saturday.

George L. Holyoke, G. Fields, and E. Sholes of Woodstock were at the Exchange hotel one day last week.

William Henderson was in from Windsor one day last week. Early in the spring he expressed some idea of rebuilding here but he has since abandoned the idea.

Charles Gillin, Albert Orser, George R. Burt, and Mr. and Mrs. C. Humphrey Taylor attended the funeral of Robert Caldwell at Woodstock.

Since his severe injuries by being kicked by his horse, Aaron Craig is doing as well as can be expected. The surgeons found no necessity for amputation although the bones were badly fractured and the limbs lacerated. As Mr. Craig is a hard-working man with a large family and the sympathy of the community was particularly stirred, S. W. DeWitt, of the firm of DeWitt Bros. and Trueman L. Day circulated a paper and quickly secured considerably more than \$100.00 and presented the same to Mr. and Mrs. Craig.

Next Wednesday the wedding of Miss Cora Porter Clarke and Archibald Robinson will take place at the farm residence of the bride's parents, Mr. and Mrs. A. W. Clark.

Mr. and Mrs. Harry Carvell of Lakeville were in the village one day last week.

The name of Brown's siding has been changed to Upper Kent.

W. L. Stewart, representing D. Magee & Sons, and F. W. Arnold, representing Robert Craig, of Toronto, were at the Exchange on Friday.

H. H. Lockwood of Woodstock was in the village on Friday. He is a skilful piano tuner and for Mrs. Adney's recent recital he tuned four Gourlay pianos in such perfect unison that they sounded as one grand instrument. Mr. Gourley of Toronto, head of the manufacturing firm, was present and was so delighted with the soulful tuning that he engaged Mr. Lockwood to look after the Gourley Co's business between Woodstock and Edmonton, and later to take a position in the factory.

Mrs. Allen Ward and children left on Friday for Highfield, King's county, for several weeks visit with Mr. Ward's parents. Mr. Ward will go down himself a little later.

Miss Inez Bradley has taken a position with Keith & Plummer as book keeper.

On Sunday evening Rev. E. C. Jenkins, pastor of the United Baptist circuit, preached excellent sermons at the Pembroke, Lower Brighton, and Hartland churches. In the evening, here, he delivered a strong address on the subject of "Prayer," taking up five don'ts: Don't be irreverent, don't

be complaining, don't be inconsistent, don't be unthankful, don't be doubtful. He spoke strongly against unthankfulness. The singing in this church was excellent and the congregation was quite too large for the capacity of the church. Regarding the church the necessity is shown for a larger building. It is expected that the old house belonging to this church may be fitted up for service. The matter of enlarging the newer building is considered while some are desirous of building anew outright.

In the Methodist church on Sunday evening, Rev. E. J. Webber announced his farewell sermon for a week from next Sunday. The hour of meeting is set for 7.30 instead of seven, as it has been. Mr. Webber gave an excellent discourse from John 3:3, on the subject of regeneration.

Pastor Archer preached his farewell sermon on Sunday and there was a large congregation. As announced he leaves this week for Beulah Camp. Before the Sunday evening service the Praying Band and others gave an open-air service.

Hartley of East Florenceville, who is greatly interested in foreign missions and who supports two schools in India, will address meetings at Hartland and Victoria Corner on Sunday, June 28th, at 3.30 p. m. and 7 p. m. respectively. She will speak on "Missions" and life in India and illustrate her discourse with numerous gods and sacred symbols selected from her excellent collection at East Florenceville. At both meetings a silver collection will be taken.

Mrs. J. D. Shaw and family desire to thank all the many friends who assisted them during the sickness and death of the husband and father.

On Sunday two men going down river on a catamaran were wrecked on one of the jams on the bridge piers. Both were thrown into the water. One rescued himself by climbing up on the jam and the other struck out and swam to shore. There is a moral in this for Sabbath breakers.

Among the names of those going as delegates to the High Court of the Canadian Order of Foresters, was omitted that of Frank Hagerman, representing Hartland Court. He has returned and reports a most splendid trip, having visited the Falls, Toronto, Montreal and other places of interest.

## FROM GIRLHOOD TO MIDDLE LIFE.

All Women Need The Rich, Red Blood Dr. Williams' Pink Pills Actually Make.

From girlhood to middle life the health and happiness of every woman depends on her blood. If her blood is poor and watery she becomes weak, languid, pale and nervous. If her blood supply is irregular she suffers from headaches and backaches and other unspeakable distress which only women know. At every stage of a woman's life Dr. Williams' Pink Pills are her best friend, because they actually make the rich, red blood which gives health and strength and tone to every organ of the body. They help a woman just when nature makes the greatest demand upon her blood supply. Mrs. H. Gagnon, who for twenty years has been one of the best known residents of St. Roches, Que., says:—"Dr. Williams' Pink Pills have been a blessing to me. I was weak, worn out and scarcely able to drag myself about. I suffered from headaches and dizziness, my appetite was poor and to attempt housework left me utterly worn out. I slept badly at night and what sleep I got did not refresh me. For nearly three years I was in this condition and was constantly taking medicine, but found no benefit from it. One of my neighbors who had used Dr. Williams' Pink Pills with much benefit, advised me to try them. I did so, and the whole story is told in the words 'I am well again.' There are times yet when I take the pills for they seem to me a guarantee against the troubles which so many women suffer."

Dr. Williams' Pink Pills do not act on the bowels. They contain just the elements that actually make new blood and strengthen the nerves. That's why they cure anaemia, indigestion, rheumatism, lumbago, headaches, backaches, heart palpitation and skin diseases like pimples and eczema. That is why they are the greatest help in the world for growing girls who need new blood and for women who are troubled with irregular health. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

### Rev. G. A. Sellar Resigns.

A bombshell was thrown into the Methodist congregation at Chatham Sunday evening when Rev. G. A. Sellar, pastor of St. Luke's church, announced at sermon time that as his opposition to the liquor traffic and liquor men did not meet with the approval of part of his congregation he would cease to be their pastor and would resign forthwith. He then left the pulpit and walked out of the church.

Part of the choir and congregation followed him and a meeting will be held to-night to consider the situation. Mr. Sellar's action was wholly unexpected and came as a great surprise to his parishioners. Opinion is expressed that the meeting will accept the resignation.
