MR. F. C. DENISON, U. S. Consul, has received official notification from Washington to close the consulate here on the 30th of June, and of his transfer to Fernie, B. C. The citizens of the town generally will regret to hear of the removal of Mr. and Mrs. Denison and their family from the town. Since coming to town some ten years ago, Mr. Denison, in his official capacity, has been dignified yet courteous, and always took an interest in anything pertaining to the welfare of the town.

"My Friend from Maine" is rather an odd title for a play, so there is naturally considerable curiosity shown in the forthcoming engagement of The Lewis Stock Co. which produces the above piece at Graham's Opera House, Thursday night, June 18th. The engagement is for three nights. The company is considered one of the very best that has ever played this territory and should do a tremendous business. These expectations will doubtless be fulfilled as the tickets are already going very fast. You can buy them at Graham's and they are only 15, 25, and 35c.

ON TUESDAY last one of the contractors on the G. T. P. construction work laid before Chief of Police Foster information against Baptiste Theriault, of Salmon River, Victoria County, charging him with selling liquor to the Italian workmen. A hearing was held last week at Perth before G. T. Police Commissioner Hon. L. P. Ferris. Joseph Lorry and Hans Christiansen were the witnesses and on their evidence Theriault was proven guilty of seven offences. Commissioner Ferris fined him \$50 or three months for each offence. The liquor was seized and ordered to be destroyed. Hon. W. P. Jones, K. C., prosecuted. The chief work of the new G. T. P. police is to prevent the sale of liquor in the construction camps and it is hoped that the firm manner in which Commissioner Ferris has handled this the first case of the kind, will have a wholesome effect.
