### Dibblee-Bruce.

An event of much interest will take place in St. Luke's church this afternoon, when Mr. R. Hugh Bruce, of the C. P. R. offices in St. John, will be united in marriage to Nora Louise, second daughter of Mr. and Mrs. J. T. Allan Dibblee.

The Rev. H. Goring Alder, rector, will officiate.

The bride, who will be given away by her father, will be gowned in white lace with under dresses of chiffon and silk, and will carry a handsome bouquet. Her sister, Miss Nan E. Dibblee, will be bridesmaid, and the groom will be supported by LeBaron Dibblee.

After the ceremony a reception will be held at the residence of the bride's parents, after which the young couple will take the evening train for a trip to the principal upper Canadian cities. The bride's travelling costume is of navy blue cloth with hat to match. After the honeymoon they will take up their residence in St. John.

Miss Dibblee is a popular young lady and received many handsome presents.

The ushers will be James C. Lithgow, Jack Dibblee, Irvine Dibblee and Henry Bruce.

### The Exhibition.

The Sports committee, through W. L. Gallagher, have secured a company of five Boston performers for the Exhibition week. Farmers' race for horses without records, purse \$75.  
Marathon.

The exhibition executive has secured the assistance of Gallagher Bros. in arranging for the horse races. The entries close with H. E. Gallagher on next Friday.

The following are among the great Boston artists who will be here:—

Belmar & Pratt, comedy acrobats.  
The marvellous Sully, high wire walker and juggler.

Stirk & Loudan, trick bicycle and barrel jumpers in pleasing acts.

Entries for sports can be made to N. Foster Thorne before six o'clock on Wednesday, Sept. 23rd.

### Deraiment on the C. P. R.

A special freight, engine 243, in charge of Conductor Eldon Davis, while running northward about five miles from Aroostook Jct. on Sunday forenoon was derailed and a terrible smash ensued. The engine, which ordinarily ran on the express, was turned up-sidedown and five cars were wrecked so that a crew from McAdam was busy two days and nights getting the track clear.

Victor Dube, the fireman, was badly injured.

### The Markets.

The prospect for continued high prices for all kinds of produce are brightening, although they may not go so high as they did in some lines last season. For instance there is little chance that hay will be sold for \$12.00 this year or oats for more than 50 cents. Such prices are too high for this country to set its standard at. While it is a good thing for the farmers it is not so good for the large number who have to buy. The price of commodities in general has, however, a continual upward tendency and the time is not far distant when "average prices" for produce will be much higher than they used to be.

The early varieties of potatoes are for most part marketed. The goods, hard winter kind are now turning out a good yield and an unsurpassed quality.

Oats are by no means a failure this year. and the same may be said of every thing else.

Prices being paid at principal points this week are near the figures given below, subject to daily fluctuations:

Hay, pressed,.....	\$7.50 to \$8.00
Oats,.....	.35 to .37
Potatoes,.....	.80 to .90
Butter, rolls, or tubs,.....	.22
Eggs.....	.20 to .22

Currie M. Sullivan left last week for Memramcook to enter on a four years course at St. Joseph's College.

### Florenceville to the Front.

At the county rifle match shot on the Woodstock range on Thursday and Friday last the boys from Florenceville carried off the highest honors. The much coveted Irvine cup, which has been contested for so keenly for so many years, goes this year to Florenceville as does also the new trophy presented for competition by B. Frank Smith, M. P. P.

The conditions for shooting were not favorable on account of a tricky wind and smoke from burning brush piles which at times completely obscured the targets from the marksmen.

B. C. McIsaac, the winner of the Irvine cup was also the winner of the grand aggregate prize presented by S. W. Smith, of Mt. Pleasant. Mr. Semple, the winner of the Smith trophy has recently been engaged in some work for Mr. Smith, M. P. P., and in order to get away to attend the matches he agreed to bring back the cup with him and he is open to congratulation in making good his promise.

The team cup prize goes as usual to Mt. Pleasant with the Florenceville team a close second. The Mt. Pleasant team has proven an impossible combination to beat so far in this match and they undoubtedly can roll up the highest average of any team in this part of the province.

### Rideout-Lovely.

Tuesday, Sept 8, the marriage took place of Bertram G. Rideout and Miss Annie Lovely, East Florenceville. Only the near relatives of the bride were present and the ceremony was performed by Rev. J. B. Daggett, formerly pastor of the United Baptist church at Florenceville. After luncheon the bride and groom took the north-bound express for Presque Isle, and went from thence down over the B. & A. to Houlton and by C. P. R. to the bride's former home on Thursday. On Friday they came to Hartland where they will live at the Exchange hotel. Friday evening a reception party was held for them at the residence of W. P. MacMullin. The reception was tendered by the many young friends of both Mr. and Mrs. Rideout. The Florenceville band was engaged for the occasion, and there were also many young people of that town among the hundred and twenty-five who were present. After the band had played several fine selections in the lovely moonlight all went inside the house where a delicious luncheon was served.

Mr. Rideout is a popular young man of the village and Miss Lovely for some time was chief operator for the N. B. Tel. Co., at East Florenceville.

### A Note of Warning to South African Volunteers.

Major H. B. Stairs of Halifax, N. S., has received further news concerning the value of land selection rights to be granted to South African Volunteers. No price has been established as yet. Many men have unwisely let their rights go for less than \$300. On the other hand, several contracts have been made for delivery of rights at \$7.00, each and it is probable that \$1,000. would be a fair price. Major Stairs' informant advises the Veterans should not be in a hurry to dispose of their claims. There are numerous speculators looking for these claims at low prices, and selling to them means a lower price to others who do not sell.

### G. T. P. Liquor Violations.

Last week Chief of G. T. P. Police Foster arrested Dominic Perugino, an Italian, of Baker Brook, Madawaska Co., on a charge of selling liquor to the employees of the Company. At the same time and place he arrested David Yun, a native of this country, on the same charge; and in addition confiscated his stock of liquors. Both men were lodged in jail to await trial before Police Commissioner Farris at Edmundston on Sept. 35.

### FINE ATTRACTION

Coming to Hayden-Gibson Theatre.

Managers Hayden and Gibson are to be congratulated on securing the famous Murray-Rostell Stock Company for a four nights' engagement commencing Monday evening, Sept. 21. This company is new to Woodstock theatre-goers, and judging from the favorable reports heard from other cities and towns where this company has appeared, a fine treat is in store for our people. The company is headed by the king of fun-makers, Peter Murray, who is a very choice comedian, also Marie Rostell, the pretty little comedy-sunbeam. The following plays will be given here: Monday—"The Ragged Politician," Tuesday—"Hearts of the Blue Ridge," Wednesday—"The Rag Picker's Child," Thursday—"The Price of Shame." The specialties between the acts are a great feature and Mr. Murray has engaged at a great expense, Bertina, the world renowned handcuff-king and jail breaker who will appear at every performance. This feature is worth the price of admission.

### Ladies Golf Association.

The visiting lady golfers have taken their departure, after one of the most successful yearly meets ever held since their organization. They are all thorough sports and good golfers, and were united in their appreciation of the splendid manner in which they were entertained by the ladies of the Woodstock golf club.

The last day of the meet was taken up in playing the final rounds in the championship and consolation matches. The former was won by Miss Mable Thompson, of St. John, who defeated Mrs. Handsomebody, of Windsor, by 8 up and 7 to play. Miss Hare, of St. John, won over Mrs. Ketchum in the consolation finals, by 5 up and 4 to play.

The association will meet in Halifax next year.

The prizes won were as follows:  
Winner of championship cup, Miss Thompson.

Mrs. Handsomebody, runner-up of champion, gold medal.

Miss Helen Smith, runner-up of gold medal, silver medal.

Miss Hare, winner of consolation, copper and pewter cup.

Mrs. Ketchum, runner-up of consolation, cut glass.

Miss Muriel Robertson, first prize for driving, small silver cup.

Miss Stetson, second prize for driving, silver frame.

Mrs. Belyea, first, approaching and putting, small silver cup.

Mrs. Handsomebody, second, approaching and putting.

Mrs. Handsomebody, best score, in qualifying round, cut glass.

The interprovincial cup was won by default by the ladies of New Brunswick.

Handicap match, Miss Mary Robertson, cologne bottle.

Miss Barker, china dish.

### About the Crops.

There is no denying the fact that this country has been blessed with a most favorable season, as the harvest all over the Maritime Provinces, especially Carleton and Victoria counties, is showing abundant results and is of an excellent quality. It is to be hoped that the enterprising farmers who have large crops of potatoes, hay, grain, etc., will not be so short-sighted as to hold their stock, as they did last year, but to accept the fair market prices that are offering at present for the same.

Take for example the hay last season which in the fall was difficult to procure even as high as \$14 00 f. o. b. per ton, many people being compelled to sacrifice their stock on account of the same. It might be noted however, that they were actually obliged to sell at less than half this amount later in the season.—Com.

Last Friday Miss Alice Boyer of Victoria Corner returned to Mount Allison Seminary at Sackville, where she will take up her studies again.

Mr. and Mrs. George L. Holyoke were in Hartland the other day on their return from a driving trip to Glassville.

### DIED.

WASS.—At the Methodist parsonage, Oak Hill, Charlotte Co., N. B., Fannie M., beloved wife of Rev. W. Wass.
