**Ross--Dickinson.**

At the home of the bride's parents Wednesday evening 24th inst, Loggie Ross junior partner in the well-known boot and shoe firm Gibson & Ross, was united in marriage to Miss Clara Dickinson, eldest daughter of Mr. and Mrs. C. D. Dickinson. Rev. A. Hastings Kearney performed the ceremony in the presence of only the immediate relatives. The happy young couple have taken the residence near Richmond St. recently occupied by Mr. McPhail. A great many beautiful and costly presents were received. The bride is one of Woodstock's most popular young ladies, and the groom is likewise a favorite with all. They have the best wishes of the entire community.

**Boyer--Fisher.**

The home of Ald. and Mrs. Isaiah W. Fisher, Richmond Street, was the scene of an interesting event Wednesday morning at nine o'clock, when their youngest daughter Violet became the wife of George Whitfield Boyer, a well known C. P. R. employe. Rev. Dr. Kierstead tied the knot. The popularity of the bride was attested by the profusion of costly gifts. After a brief honeymoon Mr. and Mrs. Boyer will return to Woodstock, having taken rooms for the summer at the Turner House.

**The Age of "Seeing Things."**

A young man while walking along the beach at Dalhousie one evening last week, perceived some large object in the water, and on closer investigation found it to be a whale that was killed in the recent storm, measuring 78 feet in length and valued at \$1,500.

It is said there is a brand in Carleton County called "Hoop Snake" that will cause a person to see snakes or even sea serpents, but an article that will produce an object 78 feet in length would find a ready sale in this part of the province.

**J. Bradshaw Winslow's Will.**

The will of the late T. Bradshaw Winslow of Fredericton was admitted to Probate Court this morning. The estate was sworn at \$8,000 and Mrs. Winslow, the widow, and Mr. D. B. Winslow, son, were appointed executors.

The estate consists largely of real estate, including property in this city as well as a number of lots in Grand Falls, which were bought a number of years ago at low figures and have increased in value considerably.

The will leaves the estate largely to the deceased's widow. The will was dated in March, 1907, and was witnessed by Mr. T. A. Peters, while a codicil was witnessed by Mr. T. Carleton Allen. Mr. C. H. Allen, of Winslow & Allen, is the proctor.

**A Good Athlete.**

New Brunswick loses a first-class athlete in the Rev. H. H. Marr, who is leaving the Methodist Conference of N. B. and P. E. Island to take up work under the Methodist Episcopal Conference of Maine. During his course at Mount Allison University "Doc" Marr became well known in intercollegiate athletics, for whenever he took part at the annual meets he could be counted upon to carry off first honors in the pole vault and the hurdles. In the former event, his mark still stands as the intercollegiate record. Rev. Mr. Marr was in St. John on Tuesday en route to Maine. His charge has not yet been assigned him.—St. John Globe.

**SUMMER COMPLAINTS**

**KILL LITTLE ONES.**

At the first signs of illness during the hot weather months give the little ones Baby's Own Tablets, or in a few hours the child may be beyond cure. These Tablets will prevent summer complaints if given occasionally to well children, and will promptly cure these troubles if they come unexpectedly. Baby's Own Tablets should always be kept in every home where there are young children. There is no other medicine so effective and the mother has the guarantee of a government analyst that the Tablets are absolutely safe. Mrs. E. LeBrun, Carillon, Que., says:—"Baby's Own Tablets are the best medicine I know of for regulating the stomach and bowels. I think no mother should be without this medicine." Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

A MEETING of the citizens is called for Thursday evening, commencing at 9 o'clock in the town hall for the purpose of considering the matter of amusement during the 12th and 13th of August when circuit races will be held in the park.

About sixteen members of the Woodstock Golf Club left for St. John last evening. A match game will be played there today.

**School Closing.**

The High School Commencement exercises were held Tuesday, June 23rd., in Graham's Opera with a very large attendance. Chairman Belyea presided. Seated on the stage were Mayor Belyea, Hon. W. P. Jones, Rev. Dr. Keirstead, Trustees Dibblee and Thorne, Principal Richards, R. E. Estabrooks and the members of the graduating class.

In a brief and admirably conceived opening address Chairman Belyea reviewed the work of the school year, after which the program was run off. Miss Helen Woolverton delighted everyone with a vocal solo, Miss Hanson read her prize essay on "Nobility of Character," C. LeRoi Mooers very artistically rendered a difficult piano composition, Miss Helen Bull read her humorous and well-written Class History, Miss Gertrude Brewer sang magnificently and Miss Wright read her well thought out and cleverly written Valedictory. The members of the class,—Julia Helen Wooverton, May Beulah Grant, Margarita V. Hanson, Adelia C. Hillman, Kathleen McQuarrie, Ruby I. Robison, Helen S. Woolverton, Mary I. Wright, Wm. Everett Colwell, Chas. Herbert Colwell, Lemuel Allen London, Clarence LeRoi Mooers and Arthur Jewett Saunders, were then presented with their certificates of graduation, after which Rev. Dr. Keirstead delivered the address to the Graduates. His oration was eloquent, of the purest diction, noble in sentiment and most inspiring.

Presentation of medals and prizes came next. The list is as follows:—

Connell Silver Medal for essay, Miss Rita Hanson. In absence of donor presented by Rev. Dr. Keirstead.

Belyea Silver Medal for History in Grade XI, Chas. Colwell. Presented by donor, Chairman Belyea.

Carvell Silver Medal for Mathematics, Miss Mary Wright. In absence of Mr. Carvell presented by Prin. Richards, who spoke of Mr. Carvell's deep interest in the schools, proof of which is found in the many atlases, maps, and other apparatus he has secured for the High School, including a complete set of weights and measures in the metric system.

Fulton Prize for Highest Average, Miss Rita Hanson. In absence of Rev. Mr. Fulton presented by Mayor Balmain.

Latin Prize Grade XI, Ruby Robison. Given by Col. D. McLeod Vince. and presented by Trustee Dibblee.

Jones silver medal for Mathematics in Grade X. Won by Miss Fannie Raymond and presented by the donor, Hon. W. P. Jones.

Vince History Prize. Won by Ralph Allingham. Presentation made by Trustee Dibblee.

Mair Silver Medal for Mathematics in Grade IX John Morrison. Presented by Trustee Thorne in absence of Trustee Mair.

Dalling Silver Medal for Highest marks in History, Grade IX. Won by Miss Mildred Carvell. Presented by Trustee Thorne in absence of donor, Mr. H. V. Dalling.

Fulton Prize for Highest Standing in Grade IX Won by Miss Mildred Cavell. Presented by Mayor Balmain.

Vince Latin Prize in Grade IX. Won by Jack Hipwell. Winner absent.

Principal Richards delivered a ringing speech in which he scored the magnificent pile of ruins known as the Grammar School Building. The principal used some pretty plain language and it was heartily applauded. Judged by the sentiment of the meeting a new school building must soon be erected.

The National Anthem brought the proceedings to a close. Miss Maude Henderson was the accompanist of the evening.

**Address and Presentation.**

On the eve of his departure for Fernie, B. C., Mr. F. C. Denison, U. S. Consul, was presented with the following address accompanied by a handsome pipe, on Tuesday afternoon, from the undersigned representatives of our export lumber industry. Mr. Denison was very much taken by surprise, but found words to express his gratitude in a suitable reply:

F. C. DENISON, Esq., Woodstock, N. B.  
Dear Sir,—We the undersigned, manufacturers and shippers of lumber, desire to express to you our appreciation of the manner in which you have treated us, since you came to Woodstock as a representative of the United States Government. We have found you to be a practical and experienced business man, with whom it has been a pleasure to do business. You were always ready to consult our convenience and consider our interest; but at the same time protecting and advancing the interests of your own Government. We desire to acknowledge the worth of the improved methods you have introduced in conducting the business of the Consulate since you assumed charge of this important office. We regret the departure of you and your family from Woodstock, but wish you every success in your new field of labor. We ask you to accept this pipe as a token of our esteem, and in the days to come, when you may be enjoying the "quiet smoke," may your reveries bring before you the friends of Woodstock, who by this token desire to retain a place in your memory. We remain  
Yours very truly,

**Presentation to Miss Jessie Denison.**

A pleasant little affair took place at the home of Mrs. W. P. Jones, Main St., on Friday afternoon. The lady members of the Golf Club met on Mrs. Jones' invitation for the purpose of saying good-bye to Miss Jessie Denison, who left on Saturday for Vermont. On behalf of the assembled ladies, Mrs. Jones, the president of the Ladies Association of the Golf Club read a short address and presented Miss Denison with a silver loving cup, bearing the following inscription Presented to Jessie Carleton Denison by the Lady members of the Woodstock Golf Club 1908. Miss Denison, though taken by surprise, gracefully replied in a few well chosen words. Tea and cake were served by Misses Gertrude Jones and Alice Sprague, after which with many wishes for another meeting the members of the Golf Club said good-bye to Miss Denison.

**Praises New Brunswick as Place for Tourists.**

As splendid a tribute as could be paid to New Brunswick as a summer resort was that of Miss Elsie Gertrude Phelan, a young composer, who is one of the most talked about persons in Boston. Miss Phelan, although in her early twenties, is one of the most prominent members of the Professional Women's Club, of Boston, and this week was secured by B. F. Keith as the headline attraction at his theatre. Aside from her work as a composer, playing her own compositions and singing quaint little songs, her personal popularity has been a revelation in vaudville.

Interviewed by a Boston reporter, she was asked if she intended to continue in vaudville. "No," she declared, "I'm through with vaudville after this week, unless something very unlooked-for happens. I am going to New Brunswick just as fast as the train can carry me. I've been looking forward to it for months, and would have been there now if I had not stayed over to fill out this engagement at Keith's. I am going up Woodstock way. Up to a few years ago I used to go down there every summer. Last year I was visiting in Cleveland, Philadelphia and Nantucket, but I made up my mind then that hereafter the summer months would find me somewhere in the vicinity of Woodstock, N. B. When Bostonians learn more about the country, you will find a great many more of them spending the summer there, than there are now. It is a great place to rest."

Miss Phelan enjoys the distinction of being the youngest American composer of standard semi-classic music, and her compositions have wide popularity, especially with teachers of music, while her famous football march, "On the Gridiron," has been played by every orchestra in the country, from the Boston Symphony down. Her first march was written when she was fifteen years of age, and it is said of her she has never had a rejected manuscript, while her name is on the lists of all the leading music houses.

While in New Brunswick, besides resting she hopes to complete an opera on which she has been working more than six years.
