

NEWS FROM THE COUNTY.

Temperance Vale.

The farmers are getting on well with planting. Some have nearly completed their planting and everything looks very favorable for extra good crops in this section.

Empire Day, May 22nd, was observed by the school here, the pupils showing a love for their country. At the close of the day's programme the flag was saluted by the pupils.

Rev. A. A. Rutledge assisted by Rev. Mr. Puddington have been holding meetings in this place.

There is to be a Sunday School Convention in the Baptist church here Monday June 8th. There will be two sessions, morning and evening.

Miss Whitehead one of the salesladies of Mr. Bartlett's store has been taking a short vacation at her home in Lower Queensbury.

Miss Fraser is visiting her parents in Prince William.

Frank Ingraham of Upper Queensbury was in the village on business Thursday.

Peter Caverhill an engineering student of U. N. B. was in the village last week. During his stay here he was entertained by his friend G. A. Bartlett.

C. S. Ingraham spent Victoria Day at Lower Canterbury.

Miss Beryl Haines entertained her friends to a birthday party on the evening of the 27th inst. During the evening Miss Haines was presented with a gold bracelet by a number present; she also received other useful presents.

Ernest Billings of Hartland is the guest of his sister Mrs. Haines.

Wm. Fawcett is at present in St. John. He is engaged in building a wharf near that city.

Mrs. John Allen of Hawkshaw was the guest of her mother Mrs. Fawcett last week. A number of young people attended a social at East Waterville Friday evening.

Mrs. Merrithew, of Woodstock, is guest of her sister Mrs. George Pinder.

Rev. Mr. Rutledge had service in the Baptist church Sunday evening. Mr. Rutledge also intends being with us every Wednesday evening, which is the evening appointed for weekly prayer meeting.

East Florenceville.

All members of the Rifle Association are notified to be at the range next Saturday June 6th inst, when the first of the League series will be shot, shooting commences at 8 o'clock. There will be four prizes given. New beginners have just as good a chance as the old shots.

C. E. Vail of Centreville, N. B., has just opened a new and up-to-date line of jewelry, and is doing a fine business in the Optical line, since he graduated at Montreal one year ago. Prices moderate. Eyes examined free. June 3rd. (tf)

Mrs. Adney's Recitals.

On the evenings of May 26th and 28th the Woodstock School of Music gave its pupils recital and commencement exercises before appreciative audiences that on both occasions packed Graham's Opera House to the doors. The programs were long ones made necessary by the large number of pupils in this flourishing school. The first evening was given over to the junior piano pupils assisted by the vocal pupils, and the second evening to the Senior piano pupils assisted by the vocal students.

A striking feature of both programs was the unison playing on two, three, and four pianos. The audiences were most enjoyably entertained and it is needless to say the work shown, even by the little tots, some of whom had to be helped up to their piano stools, speaks volumes of the high character and thoroughness of the musical training given by Mrs. Adney. After each performance there was an impromptu dance with refreshments for the pupils and their friends, which was also greatly enjoyed.

Board of Trade.

The Board of Trade held a special meeting on Friday evening last, called for the purpose of discussing the question of putting a new steamboat on the river route between

Woodstock and Fredericton. Robert Scott, of the Fredericton and Woodstock Steamboat Co., was at the meeting and gave particular as to the cost of a new steamer.

The members of the Board of Trade seemed to be of the opinion that before taking stock in the building of a boat, the government should spend some money in deepening the channel so that the boat could run the whole summer season. As it is now the service only lasted a month.

A resolution was moved by Mayor Balmain and carried, to the effect that the question be brought to the notice of the Dominion Government through our local representative asking that steps be taken to spend money in deepening the channel in the St. John river between Woodstock and Fredericton.

A Fine Property For Sale.

That valuable property at Tapleys Mill, owned by Everett Colwell, in the parish of Woodstock, County of Carleton. The property is situated about six miles from Woodstock by the highway, and about the same distance by railway, between Woodstock and Debec Junction. To reach it by road you drive three miles below the town until the mouth of the Hodgdon road meets you, then follow the Hodgdon road for three more miles. The property consists of 300 acres of land, divided into three farms two adjoining each other, on these two farms there are two dwelling houses, two stories each, two large barns, one a story and a half. These buildings are all practically new, and the last named is rented for six dollars a month. The third farm is about 160 rods from the first mentioned.

These farms are all in a good state of cultivation, 150 acres being under tillage and 150 in good wood land. Last year there was raised on this property 75 tons of hay, 1000 bushels of oats, and 600 bushels of potatoes. Besides the farms the property offered for sale consists of a valuable mill and mill privileges, which is directly across the road from the farms spoken of as adjoining each other. This mill covers some five acres including necessary land for storing lumber. It is constructed and is well furnished with a rotary, shingle machine, planer and feed mill. There has been sawed as much as 25,000 superficial feet in 10 hours, with seven men. The mill has a brand new Vulcan turbine wheel with 75 horse power.

The mill is situated on Bull creek, and on the railway, a private siding running into the mill property. There is also a flag station at the mill. Apply to,

This is the most Laughable Melodrama
ever written.

PRICES, 25, 35 and 50 Cents.

Seats on sale at the usual place.

INDIGESTION
CAN BE CURED.Dr. Williams' Pink Pills Succeed After
Other Remedies Fail.

There are twenty drugs to help your digestion for a time, but there is only one medicine that can positively cure your indigestion for good. To any one with indigestion a half dozen boxes of Dr. Williams' Pink Pills are worth all the purgatives and mixtures in the country. After all these things have failed Dr. Williams' Pink Pills have cured the worst cases of indigestion by going straight to the root of the trouble in the blood.

You can take a purgative to tear through your bowels and make a clean sweep of your food, whether it is digested or not. You can take stomach bitters to create a false appetite—if you don't care what happens after you swallow your meal. You can drug your stomach with tablets and syrups to digest your food for you—if you don't care how soon you ruin your system altogether. You can do all these things—but don't call it "curing your indigestion." There is only one way to cure indigestion, and that is to give your system so much good, pure, red blood that your stomach and liver will have strength enough to do their natural work in a healthy and vigorous way. That is why Dr. Williams' Pink Pills cure indigestion—they actually make new blood. Here is the proof. Mr. R. McCorkell, St. Thomas, Ont., says:—"About a year ago my system became generally wrecked. My stomach was always in a state of nausea. The sight of any kind of food often turned my stomach and I would arise from the table without eating. Doctors advised different medicines which I took without benefit. Finally I became so run down that I had to quit work. For two months I tried to build myself up with the aid of doctors, but as time went on and my condition did not improve I became much discouraged. Then a friend told me he thought Dr. Williams' Pink Pills would help me, and I began their use. In three weeks time I was so improved that I went back to my work, but I continued using the pills until I had taken twelve boxes, and now my stomach is strong, and I am ready for a good meal three times a day, and life now really seems worth living."

It is because Dr. Williams' Pink Pills make new, red blood that they cure such common ailments as anaemia, with all its headaches and backaches, rheumatism, neuralgia, St. Vitus dance, parastical paralysis and the secret ailments from which women and young girls suffer so much. You can get the pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams Medicine Co., Brockville, Ont.

We Can Grow Apples.

H. Sharp who has about 3000 young apple trees in his nursery on the hill east of town, is greatly pleased at the way the young stock has come through the winter. Some of the trees are four years old and they stood the cold weather splendidly. Some stock shipped north to Vermillion and other places the past few days could not be surpassed by the finest Ontario trees. The buds were just bursting and the winter seemed to have had no effect on them whatever. Mr. Sharp has a number of well known varieties of apples and he claims they are all doing well. Home grown stock may solve the great problem of fruit growing for Alberta, and Red Deer should feel justly proud of the success Mr. Sharp has met with along this line.—Red Deer (Alta) News.

The above paragraph refers to Humboldt Sharp, who is a native of Carleton County, and a brother of Mrs. W. D. Rankin and Mrs. Tappan Adney.

MR. EDMUND CARROLL and his splendid company will arrive in this city on Monday 8th and on that evening will present Mr. Walker Whiteside's delightful comedy in three acts, "WE ARE KING," by Lieut. Gordon Kean, author of "The Magic Melody." Mr. Carroll will be seen in the dual role which Mr. Whiteside so successfully played for three seasons, and which it is reported, offers Mr. Carroll a rare opportunity for the display of talent both along comedy and dramatic lines. From reports, this progressive actor has drawn a prize in selecting "WE ARE KING" for the play seems to have leaped at once into popular favor, and compels the enthusiasm of theatre goers wherever it is presented. The advance stories of the plot would point to a rather novel and interesting stage offering. Mr. Carroll's tour is under the direction of Mr. A. W. Cross whose earnest managerial efforts have gained for him the confidence and meritorious esteem of the amusement loving public. The engagement is limited to One Night.

THIS WEEK
Motion Pictures!
at Opera House,
Thursday and Friday.

Jesse D. Shaw.

Jesse D. Shaw of Hartland died very suddenly of heart failure on Tuesday of last week. He had been in ill health for some weeks but was thought to be recovering. The funeral was held at the house Thursday; the services conducted by Rev. E. C. Jenkins (United Baptist.)

Mr. Shaw was a son of the late Jesse Shaw and his wife, who was before marriage Miss Nancy McGee. He is the last to go of a large family. He married a Miss Richardson sister of R. W. and J. F. Richardson, and half-sister of Charles Taylor, C. P. R. conductor. For many years he lived at Rockland where he conducted a black smith business. About 28 years ago he removed to Hartland, continuing at his trade until a short time ago. At the time of his death he had the contract for carrying the mails between the train and post office, and until the change of government was caretaker of the Hartland bridge.

Beside his wife, one son, George M., who lives near Boston and who came home for the funeral, and three daughters survive. The daughters are Mrs. Clarence Rideout of Peel, Mrs. James Rogers and Miss Edna of Hartland.

The July Departmental Examinations.

The following is a list of the candidates who will be examined in July, next, at Woodstock, Florenceville, and Andover for Normal School entrance, Superior License and University Matriculation.

The number of candidates this year is exceptionally large, but there will be fewer present at Woodstock owing to the addition of Florenceville to the stations of examination.

The number of applicants who have prepared for examination at the Consolidated School of Florenceville is worthy of note and reflects great credit on the work done in that school.

There are ten candidates for University Matriculation from the Woodstock Grammar School from which we might fairly infer that secondary education is not being neglected in our town, and that our High School teachers are doing energetic an effective work in that direction.

WOODSTOCK

CLASS I MALE.—J. L. Brown, Frank Hourihan, Lemuel London, D. Kerr McLeod,

MAN-A-LIN

Copyright 1906, by The Manalin Co.

MAN-A-LIN Is An
Excellent Remedy
for Constipation.

There are many ailments directly dependent upon constipation, such as biliousness, discolored and pimpled skin, inactive liver, dyspepsia, overworked kidneys and headache.

Remove constipation and all of these ailments disappear.

MAN-A-LIN can be relied upon to produce a gentle action of the bowels, making pills and drastic cathartics entirely unnecessary.

A dose or two of Man-a-lin is advisable in slight febrile attacks, la grippe, colds and influenza.

THE MAN-A-LIN CO.,
COLUMBUS, OHIO, U. S. A.

BATTERY ORDERS.

The 10th Field Battery will parade at the Armoury at 2 p. m. on Monday, the 22nd of June, for the purpose of proceeding to Sussex, to perform twelve days annual training. All unable to attend through sickness or other lawful excuse will notify me at once. Uniforms will be issued from the 8th to the 17th of June, both dates inclusive.

All horses must be examined by veterinary office before being engaged.

Special drills will be held at the Armoury on the following evenings from 7.30 to 10 o'clock:—Tuesday, June 9th; Thursday, June 11th; Tuesday, June 16th; Thursday, June 18th, and Saturday, June 20th.

It is specially requested that the attendance at the evening drills will be as large as possible.

(Signed.) W. C. Good, Major.
