"QUEEN OF THE WHITE SLAVES" which will be presented at the New Theatre next Wednesday June 10th is a realistic sensational melodrama of the highest class. The production is a magnificent one; the sixteen scenes in which the play is enacted, giving the scenic artists a wide scope for their talents. While exciting climaxes follow in quick succession, the author has not forgotten the element of comedy, laughter and thrills being intermingled so closely that there is not one dull moment. Several clever specialties are introduced in the Concert Hall scene.

LIEUT. GORDON KEAN, author of "The Magic Melody," the modern drama in which Mr. Walker Whiteside was such a phenomenal success last season is also the author of "WE ARE KING," a three act comedy in which Mr. Whiteside starred three seasons and is to be presented here with Mr. Edmund Carroll in the leading role. Mr. Carroll was leading support to Mr. Whiteside for many years and when Mr. Whiteside chose for his tour last season, "The Magic Melody," Mr. Cross at once placed Mr. Carroll in "We are King." This young actor goes about his task in a most satisfactory manner and the result is, he has not only been an artistic, but financial success. "WE ARE KING" is a comedy which tells an interesting story, with sufficient of the melo-dramatic to add interest to it. The fact that this play is in its fifth season is the best proof of its merit.
