### Grant-Smith.

On Thursday afternoon, July 10th, the wedding of Mr. Eugene O. Grant and Miss Mattie A. Smith took place at the residence of the bride's mother, Mrs. Thomas L. Stetson at Victoria Corner. The bride was becomingly attired in white organdie, trimmed with tucks and lace medallion, over a skirt of organdie elaborately trimmed with tucks, real torchon lace and insertion.

Her going-away dress was of navy blue chiffon broadcloth with silk waist and hat to match. The latter was from the house of Manchester-Robertson-Allison. After the ceremony, which was performed by Rev. E. O. Stevens, luncheon was served to about forty guests, after which the time passed pleasantly until evening. The bride was the recipient of many appropriate and useful gifts. For the occasion the parlor was nicely decorated and the bride and groom stood under the arch of evergreen and a bell of white clover. The next evening the happy couple went on a tour of the Aroostook towns and will settle in Patten, Me.

### Base Ball at Florenceville.

At the Masonic picnic at East Florenceville last week the Andover ball team defeated the Florencevilles by 10 to 0. In the afternoon a special team called the Tartars, composed of one each from Andover and Fort Fairfield, two from Bristol, three from Centreville, and two from Florenceville came up against the Hartlanders. The line up was as follows:

HARTLAND	TARTARS

### Glassville.

On Thursday 9.4 instant the Glassville Presbyterian Church held their Sabbath School Picnic which proved a great success. About half a mile from the Church a band of the young men prepared a beautiful ground on the lands of Mr. John McIntosh. Here in the cool shade of the forest trees tables, seats and swings had been arranged. The afternoon being very hot a large number of the children and their friends assembled and amongst the trees escaped the scorching sun. A large number of ladies prepared an excellent supper to which the children and their friends sat down and thoroughly enjoyed. The ladies in the "Canteen" had a busy time supplying their many patrons with ice cream, candies and lemonade and in this way secured a handsome sum for the school funds. After supper the "races" were witnessed by a large crowd of spectators elevated on trees, waggons, etc., special interest was evinced in the blindfolded, and one and three legged races. All the races created much excitement and lent added interest to the afternoon's outing. The superintendent (Rev. H. J. Kilburn) and teachers gratefully acknowledge the valued help of all who in any way contributed to the success of the day.

The storm of the previous day in no way interfered with the base ball game arranged between the Glassvilles and Johnville boys for that evening. The game resulted in a sweeping victory for Glassville after a onesided game. As Johnville are a newly organized Club this was to be expected; but they showed the true sporting spirit in their play and in their defeat.

### Destructive Fire.

At 10 Saturday morning fire broke out in the Broadway school and notwithstanding the prompt response and efficient service of the firemen, the school was burned to the ground. Leslie Hawkins is the janitor, but the work was being done by his brother Benjamin, who says there has not been a fire in the building for a week and he thinks it must have been of incendiary origin. It was a fine large wooden building, comparatively new, which cost some thousands of dollars. Nearly half of the school children in town were attending the school. Among the teachers were Principal Draper, Misses Mulerin, Carman, McManus, Doone and Dunno. The fire had made such headway that nothing could be done to remove anything from the building when the firemen arrived. An expensive piano owned by Miss Mulherin was burned. The building was insured. All the neighboring residences were saved, although on fire at different times.

The firemen wish to tender their heartfelt thanks to Mrs. Chas. McKeen, Mrs. John Mitchell, Mrs. Thos. McCafferty, Miss A. G. Connell and others who supplied coffee and refreshments.

The insurance on the building, plumbing and furniture, amounting to \$7450.00 is carried by the following companies:

Royal.....	\$ 500 00
Home.....	2000 00
Western.....	1700 00
Commercial Union.....	2250 00
Phoenix.....	1000 00

The trustees held a meeting on Saturday afternoon and decided to communicate with an architect and get plans for the erection of a new building at once.

### Centreville.

The Delegates to the Baptist Association at Hillsboro, returned on Saturday and express themselves well pleased with the trip and the work of the Association. Mr. McGill returns to us equipped for his chosen work and would be pressed to continue in his present field of labor upon the slightest intimation that urging would not be in vain.

The Masonic picnic was fully up to the expectation of those in charge but the circus in Woodstock on that day drew away a great many that would otherwise have attended. The day of successful picnics however is on the wane.

The Orangemen gathered in large numbers at Mars Hill last Saturday and had a grand parade to which, the brethren had been invited, from other towns and every one seemed pleased with the world in general and themselves in particular.

Pioneer School District, through their Trustees, have given an answer to Centreville District, in regard to uniting with them, and have decided that it would not be advantageous to them to do so. Tracey Mills have not given an answer yet. It does seem strange that Districts so admirably situated for grouping should fail to see the improved conditions coming their way by consolidation.

Rex Cormier is spending a part of his vacation with his parents here. He is thinking of taking up a law study in the near future.

The question of hired help for the gathering season is one of much concern to the farmers just now and a great many are exchanging work in order to have something left to themselves at the close.

## KEEP CHILDREN WELL DURING HOT WEATHER.

Every mother knows how fatal the summer months are to small children. Cholera infantum, diarrhoea, dysentery and stomach troubles are alarmingly frequent at this time and too often a precious little life is lost after a few hours illness. The mother who keeps Baby's Own Tablets in the house feels safe. The occasional use of Baby's Own Tablets prevent stomach and bowel troubles, or if the trouble comes suddenly—as it generally does—the Tablets will bring the little one through safely. Mrs. George Howell, Sandy Beach, Que., says:—"My baby was suffering with colic, vomiting and diarrhoea, but after giving him Baby's Own Tablets the trouble disappeared. I would advise all mothers to keep a box of Tablets always at hand." Sold by medicine dealers or by mail at 25c a box from The Dr. Williams' Medicine Co., Brockville, Ont.
