

LUNG TROUBLE

Promptly Relieved and Permanently Cured by Inhaling Catarrhozone.

Mrs. Biny Brown, of Tenecape, N.S., Was Cured by Catarrhozone of Lung Trouble and Catarrh, After Hundreds of Other Remedies Failed.

If your lungs are weak; if there is consumption in your family; if Colds, Catarrh, and Bronchitis bother you, be sure to use Catarrhozone. It is especially adapted for these diseases and cures every time.

Mrs. Brown took cough mixtures, but they made her sick. Then she used an atomizer, but, after resorting without benefit to poultices and numerous other remedies, she tried Catarrhozone.

"I used Catarrhozone Inhaler," writes Mrs. Brown, "five minutes every hour, and soon recognized that it was going to cure me. I could feel the soothing medicated air spreading through the air passages of the throat, and it touched the sore spots in the lungs that other remedies failed to reach. Catarrhozone seemed to go just where it was needed most, and soon put a stop to my cough. It restored me to perfect health, and I am convinced that no cough, cold, or catarrh can exist if Catarrhozone is used."

No treatment is so clean, so pleasant, so certain to cure as Catarrhozone. By means of the Inhaler, the local symptoms, such as coughing, inflammation, and congestion, are speedily corrected. Ferrozone tablets, which are taken after each meal, purify and cleanse the blood of all poisons, and build up and strengthen the system.

This local and constitutional treatment is always effective, and cures cases that have been given up as hopeless. Money can't buy or produce anything better, and to get cured it is absolutely necessary to use Catarrhozone.

Distribution of Seed Grain and Potatoes from the Central Experimental Farm, Ottawa, 1909-10.

By instruction of the Hon. Minister of Agriculture a distribution is being made this season of samples of superior sorts of grain and potatoes to Canadian farmers for the improvement of seed. The stock for distribution has been secured mainly from the Experimental Farms at Indian Head, Sask., Brandon, Man., and Ottawa, Ont. The samples consist of oats, spring wheat, barley, peas, Indian corn (for ensilage only) and potatoes. The quantity of oats sent is 4 lbs. and of wheat or barley 5 lbs., sufficient in each case to sow one-twentieth of an acre. The samples of Indian corn, peas and potatoes weigh 3 lbs. each. A quantity of each of the following varieties has been secured for this distribution:—

OATS—Banner, Abundance, Danish Island, Wide-Awake, White Giant, Thousand Dollar, Improved Ligow—all white varieties.

WHEAT—Red varieties; Red Fife (beardless), Marquis, Stanley and Chelsea (early beardless), Preston, Huron and Pringle's Champlain (early bearded). White varieties: White Fife (beardless), Bobs (early beardless).

BARLEY—Six-rowed; Mensury, Olessa, and Mansfield. Two-rowed; Invincible, Standwell, and Canadian Thrope.

FIELD PEAS—Arthur and Golden Vine.

INDIAN CORN (for ensilage)—Early sorts; Angel of Midnight, Comptom's Early and Longfellow. Later varieties: Selected Leaming, Early Mastadon, and White Cap Yellow Dent.

POTATOES—Early varieties; Rochester Rose, and Irish Cobbler. Medium to late varieties; Gold Coin, Carmen No. 1 and Money Maker. The later varieties are, as a rule, more productive than the earlier kinds.

Only one sample can be sent to each applicant, hence if an individual receives a sample of oats he cannot also receive one of wheat, barley, peas, Indian corn or potatoes.

Applications on printed cards or sheets, or lists of names from one individual, or applications for more than one sample for one household, cannot be entertained. The samples will be sent free of charge through the mail.

Applications should be addressed to the Director of Experimental Farms, Ottawa, and may be sent in any time from the 1st of December to the 15th of February, after which the lists will be closed, so that the samples asked for may be sent out in good time for sowing. Applicants should mention the variety they prefer, with a second sort as an alternative. Applications will be filled in the order in which they are received, so long as the supply of seed lasts. Farmers are advised to apply early to avoid possible disappointment. Those applying for Indian corn or potatoes should bear in mind that the corn is not usually distributed until April, and that potatoes cannot be mailed until danger from frost in transit is over. No postage is required on mail matter addressed to the Central Experimental Farm, Ottawa.

WILLIAM SAUNDERS,
Director of Experimental Farms.

Bristol.

(Delayed in mail last week.)

Miss McDonald of Cape Breton, who has been making an extended visit to her sister Mrs. Ainsley Lockhart, returned to her home last week.

Mrs. Percy Barter is visiting her mother at Peel.

David Rogers returned from Woodstock last week.

Mrs. Wallace Dickinson of Arrowhead B. C. was called home on account of the serious illness of her mother Mrs. Samuel Rogers.

Mr. Payne of Lake Edward was the guest of Mrs. Ambrose Giberson recently.

Mr. Frank Lockhart and Mr. Sinclair of Centreville spent Sunday in Bristol.

The many friends of Mrs. T. H. Rogers will be grieved to hear of her very serious illness in Savannah Ga.

T. H. Rogers left here for Savannah on the 23 inst.

Mrs. Emma Giberson called on friends here on Saturday.

R. L. Phillips of Fredericton was in the village last week.

Fred Kilpatrick was in Bristol on Saturday.

The new sidewalk through the village from the Baptist church to Meed's carriage shop is much appreciated this muddy weather.

The Literary Club meet at Cedar Lawn on Monday evening, 22nd inst. Most of the evening was spent in forming plans for December, and discussion of expected membership.

Selections from Nicholas Nickleby were read by Mrs. C. W. Brittain; and a very enjoyable chapter Adopting the Orphan from Treasure Valley was read by Mr. George Caldwell. The next meeting will be held at the home of Miss Alice Merit, a large attendance and a good time is expected. Several new features will be introduced in the line of entertainment through the winter.

An Old Home meeting will be held about Christmas, when there will be read letters from all former members who have moved to a great distance.

What might have been a very serious accident, happened at the home of Duncan Rogers, on Wednesday evening, when his little son Arnold was attempting to pour kerosene oil in a stove. As it happened the little fellow escaped with a slightly burned face and singed hair.

Harold Jones, son of Wm. Jones, of Gordonsville, fell from a high loft in his father's barn and was badly shaken up last week.

Upper Woodstock.

The weather during November was extremely pleasant but today a change has taken place and it looks as if our warm weather was at an end for a time.

The remains of the late Mr. McArdle were taken to his late home at Hamilton, Ont., on Monday evening's express. Mr. McArdle's wife and brother accompanied the remains.

Mrs. James Kearney who was operated on for appendicitis at the private hospital is doing nicely.

Rev. Mr. Turner held service in the Union hall Sunday afternoon. Mr. Turner will be with us again Sunday, 12 inst.

The Sunday School is preparing for a concert to be held in the hall Christmas.

G. Jack Marr, principal of the school at Canterbury Station, was guest of C. S. Ingraham Saturday.

G. W. B. Ingraham, of Temple, York Co., spent Monday in the village.

Mr. and Mrs. A. C. Dow have closed their home here and will spend the winter in Fort Fairfield, Me.

TORTURED BY PILES

Could Not Rest! Could Not Work! Could Not Play.

How Zam-Buk Brought Relief.

Mr. Julius Glacier of Danbigh, Ont., says:—"I was so tortured by piles that I could not get ease whether lying down, sitting, or standing. The ailment robbed me of strength, of appetite and of all desire to live! I had suffered so long and so acutely that I came to think there was no ease for me, but one day I found out that I was wrong! "I was told that Zam-Buk cured piles, and that this balm was altogether different to ordinary ointments, scores of which I had proved useless for so bad a case as mine was. I got a supply of Zam-Buk, and began to use it regularly.

"Without going into unnecessary detail in a few weeks I found myself cured. I owe my cure to Zam-Buk entirely, and I trust my experience will be the means of leading other sufferers to try this great herbal balm."

Nothing need be added to this plain, powerful testimony save one question—if you suffer like Mr. Glacier did, why not get relief from the same source as he did?

Zam-Buk—as he truly says—is "something different" to the ordinary ointments and salves. It is a powerful combination of healing and soothing herbal essences. No mineral astringents or poisons; no impure animal fats.

It is a proved cure for inflamed areas (as in piles) erysipelas, eczema, ulcers, sores, abscesses, cold cracks, chapped hands, burns, cuts, scalp sores, and all skin injuries and diseases. It is the most suitable balm for children's rashes. All Druggists and Stores at 50c. box or post-free from Zam-Buk Co., Toronto, for price.

Rebuilding of Messina.

(Zion's Herald.)

The rebuilding of Messina has now progressed so far that there may be said to be something like an ordered town on the site of the old ruins. Local industries are again more or less flourishing. It is calculated that over 65,000 people are now housed in various quarters, composed of wooden houses and huts, which have been constructed to the south of the old town, overlooking the straits, or which stretch inland on either side of the road of considerable width. Some of the huts are now being erected with a second storey, although, with the exception of churches, hospitals, and other public buildings, no structure in Messina is permitted to be more than 30 feet high. The new town, laid out according to an official plan, consists chiefly of two large blocks of streets, one made up of 4,000 huts at the left of the old town, and the other, the more important of the town, called the Piano Mossella, composed of 6,000 huts, in which are to be found several churches and most of the official buildings. This latter section is built on elevated land near the ruined city, which was expropriated for the purpose, and is quite picturesque in appearance. Within its borders is the American village, smartly painted in white and green, which was entirely constructed of lumber sent from America, and built under the supervision of American carpenters.

Others Have Tried It.

The police-court magistrate of a town in southern Kentucky was walking down the street one November evening with his friend John Markham?

"Judge," said Mr. Markham, "have you ever tried my November One brand of Old Markham?"

No, John," admitted the judge, "but I tried three men in court this morning who have tried it."—EVERYBODY'S MAGAZINE.

A Request.

A parent who evidently disapproved of corporal punishment wrote the teacher. "Dear Miss,—Don't hit our Johnny. We never do it at home except in self-defense."—SACRED HEARTS REVIEW.

IMPURE BLOOD

Clogs the Kidneys
Slows the Heart
Fogs the Brain

Weakens Every Part of the Body.
Causes Organic Diseases.

Just as strength is the natural outcome of pure blood, so is debility and sickness the result of impure blood. To know how quickly, how surely, Ferrozone cures, to see how it rebuilds and restores, you have only to read the following letters—read them carefully—see if the symptoms resemble yours.

Miss Evelyn M. Gaetz, of Kingston, writes: "I have had an attack of blood disorder which broke out in horrid looking pimples. They were ugly, red, disfiguring blotches that ruined the appearance of my face. I tried all sorts of medicine, but the pimples didn't leave. I was recommended Ferrozone, and gave it a trial. I noticed an improvement after the second box, and kept up the treatment, which finally cleared my skin. As the result of Ferrozone I have a clear, healthy complexion, and can recommend it to all other young women similarly affected."

No blood remedy exists that has the power to cure, to heal, to restore like Ferrozone, try it. 50c per box, six for \$2.50, all dealers, or The Catarrhozone Co., Kingston, Ont.

Houses and Lots For Sale.

Apply to LOUIS E. YOUNG,
Woodstock, N. B., Nov. 27th, '08.

HARTLAND, N. B.

Treats all domestic animals. Filing and Extraction of Teeth a specialty. Telephone call promptly attended day or night.

Deeds, Mortgages, Bills of Sale
Capias, Summons and Execution
Blanks for sale at the Dispatch Office

UNION BLEND TEA

the Tea that satisfies

YOU are the best judge of how much Union Blend Tea is worth—but you can't pass an opinion until you have tried it. You are in no position to say—as I say—that it's worth 40c. a pound because it goes easily half as far again as any 80c. tea. You don't know the truth of that until you use it for yourself.

But that's a fact. Sixteen ounces of Union Blend will make as much tea as twenty-four ounces of any ordinary kind. And not only as much tea, but better tea—tea that is more fragrant, that has more aroma, more smack to it.

There is only one way for you to prove this—buy a pound and try it. Or if you are in doubt, let a half pound packet tell the story. Your own teacup will convince you if you will give it the opportunity. Look for my picture on the end of the packet.

Union Blend one pound packets—the pound packets only—contain coupons that are worth money to you. But this is only an advertisement—the tea itself is worth the price, fully.

I Take all the Risk

THERE would be no sense in my spending thousands of dollars in advertising if I couldn't back up what I say. If you try Union Blend and don't like it, I am worse off than before, for I can never get you to try again. To make money, I've got to make satisfied customers—and I do. Of all who once buy Union Blend ninety-five per cent. continue to use it. You know what that means, don't you? What will your decision be?

Harry W. Frost

We Have a Limited Number of Fur Lined Coats

For Ladies, that will be sold at prices very much reduced. Quick buyers will get some REAL bargains.

Our usual big stock of Fur Coats Jackets, Robes, is now complete.

We have just landed five carloads Pungs and Sleighs, the Highest Class Goods ever offered on the St. John River. See samples at Woodstock Show Rooms, or with our agents.

BALMAIN BROS. Woodstock.

Have You a Bank Account?

If not, why not? This Bank invites small and large accounts, and pays Interests on Savings Deposits.

Bank of New Brunswick East Florenceville Branch.

The Queen Down Draft STOVE

The Greatest Wood Heater manufactured. It burns all kinds of rough wood. It is the cleanest stove made. No ashes, dirt or soot can possibly get out as there are no openings but at the top.

Prices, \$4.00 to \$10.00.

If you want a heater that will burn all kinds of wood and

give good satisfaction, buy the QUEEN DOWN DRAFT.

W. F. Dibblee & Son.
