### ANOTHER GRAND JURY ORDERED.

Interesting Proceedings of the Victoria and Madawaska County Courts.

At the County Court in Andover this week the King vs. Simkovity, will be tried. In this case the defendant kept a meat store in Grand Falls and is accused of stealing a bank book containing an envelope with \$180 00 in it. The bank clerk, W. S. Hay, in going the grounds accidentally left the book in defendant's store while he was leaving some drafts there. The book was seen afterwards in defendant's place. The case was tried last term of court and the jury disagreed, the majority favoring conviction.

A rather peculiar state of affairs has arisen in regard to the case of the King vs. Michael in the Madawaska County Court. The defendant was charged with putting obstructions on the Temiscouata railway. In addressing the grand jury the judge pointed out that there was a very strong prima facie case, and that the jury should have no difficulty in finding a true bill. After being out almost two days the jury came in with no bill. J. M. Stevens, representing the Crown, in speaking on behalf of the attorney-general, asked the court, in view of the strength of the evidence and the seriousness of the alleged crime to discharge the grand jury and instruct the sheriff to empanel another grand jury, which the Judge accordingly did and adjourned the court until Tuesday the 3rd of August.

### Property Transfers.

C. E. Williams purchased the property on the Houlton road formerly owned by Charles McDougal and the latter has bought the John Thibedeau property on the Houlton road near Broadway. Mr. Williams will make some repairs and alterations in his property and will occupy it in the fall. John Graham has bought the Walter Knox residence on Charles St. and has moved in. Claud Tabor has purchased the Bedford Tower house on Charles Street. These sales have been made through J. W. Astle, the hustling real estate agent.

### Mrs. E. H. Walker.

A despatch from Kensington Corner, near Hartford, received on Wednesday, conveyed the sad intelligence of the death on the 20th inst., of Mrs. E. H. Walker, daughter of Mr. and Mrs. I. S. Vanwart. The bereaved parents were at Woodstock at the time the sad message reached here and were immediately communicated with and left for Kensington Corner at once. Mrs. Walker was well known here, having been a visitor to Sussex a year ago. She was married some six years ago and leaves no children. She was 37 years of age and was a general favorite. Everett P. Vanwart of N. W. Eveleigh & Co., and J. E. Vanwart, of Carleton County, are brothers. Mrs. Walker was the only surviving daughter and sister, and the members of the family feel the loss most keenly. No particulars as to the cause of death have been received. The family will have the heartfelt sympathy of all friends in their bereavement. Interment took place at Kensington Corner. —Sussex Record.

### Mr. James McAnna.

After a few weeks' critical illness, James McAnna passed away at midnight at the hospital, Wednesday last, aged 60 years. One brother, Mr. John McAnna, in California, and one sister, Nancy McAnna, of Woodstock, survive. Mr. McAnna was an expert builder and several of the principal buildings in this town were the work of his hands. In the absence of Rev. Fr. McMurray in Memramcook, Rev. Fr. Hogan, of Houlton, conducted the burial, which was from his late home to St. Gertrude's church, on Saturday morning, thence to the Catholic cemetery for interment.

### C. P. R. Rival of Aroostook Road.

A Boston despatch to the Toronto Globe says:—  
The Bangor & Aroostook Railroad, which has had a monopoly of its territory in Northern Maine, is likely to encounter serious competition at the hands of the Canadian Pacific. The Aroostook Valley railroad has been organized and is planning to build a first unit of tracks twelve miles in length between Presque Isle and Washburn, Me., with an ultimate extension of 110 miles more north to the St. John river. On the south the new road will connect with the Canadian Pacific. The route of the new line will be through the heart of the Bangor & Aroostook territory. The Canadian Pacific has agreed to guarantee interest for twenty years at four and a half per cent, on bonds of the Aroostook Valley railroad, up to \$25,000 a mile, which is estimated, will more than cover construction costs.

By virtue of a law conferring monopoly within its territory, the Bangor & Aroostook railroad is protected from the invasion of steam railroads and the new road is therefore to build for electric operation, both passenger and freight. The road will be the first one with a 200 volt direct current system in New England, its voltage being the same as the New York Central's through the Park Avenue tunnel. Power will be purchased from the Maine & New Brunswick Power Company, Aroostook Falls.

DR. SAMSON held a meeting in Graham's Opera House on Monday evening for the purpose of explaining the government old age annuity scheme. On the platform with him were His Worship Mayor Jones and N. W. Brown, the provincial lecturer. Previous to the lecture a program was gone through consisting of phonographic selections. Dr. Samson then spoke at some length touching on the benefits of this annuity for the young man as well as the aged. Short addresses were also made by His Worship and N. W. Brown. At the conclusion of the lecture a vote of thanks was moved by C. L. Smith seconded by W. B. Nicholson to the lecturer, and a vote of thanks was also tendered to the chairman. The meeting closed by singing God Save the King.

MR. AND MRS. EDGAR W. MAIR gave a most enjoyable Bridge of six tables on Thursday evening, in honor of Mrs. George Beckwith, of Boston. The guests included Mr. and Mrs. George E. Balmain, Mr. and Mrs. A. D. Holyoke, Mr. and Mrs. G. H. Harrison, Mr. and Mrs. Wm. Dickenson, Mr. and Mrs. F. M. Rutter, Mr. and Mrs. Willard Carr, Mrs. Holding, Mrs. Hugh Bruce, Mrs. Beckwith, Miss Bessie Neales, Miss Blanch Dibblee, Miss Gussie Connell, Miss Brown, Miss Smith and Mr. Jack Dibblee.

Mair, Mrs. J. N. Winslow, Mrs. J. A. F. Garden, Mrs. A. D. Holyoke, Mrs. W. M. McCunn, Mrs. W. P. Jones, Mrs. George E. Balmain, Mrs. J. Rankin Brown, Mrs. John Stewart, Mrs. N. H. ### School Changes.

A meeting of the school board was held last week when the following changes were made in the teaching staff:

Miss Dunn who taught the primary department in the Broadway school will take grades 1 and 2 taught by Miss McCormac, who has resigned.

Miss Boyd who taught grades 5 and 6 has been given grades 3 and 4 formerly taught by Miss McCain.

Miss Sherwood, who has a superior license, was engaged to teach grades 5 and 6.

In the Broadway school, Mrs. G. W. Slipp has been engaged to teach the Primary department.

The Broadway school building will be completed this week and taken over by the trustees. A day will probably be appointed by the trustees when the public will be given a chance to inspect.

The percentage of marks made by scholars from the 8th grade into the grammar school at the end of the present term was disappointing to the teachers and parents as well as the members of the school board. Various causes are attributed to this lack of interest in the school studies, but the weight of opinion seems to be that until the parents realize their responsibility in the matter of compelling their children to study their lessons at home, no better results can be hoped for.
