

Florenceville.

Friday evening was a gala one at Florenceville. The weather was delightful. The pale moon modestly ministered with her silvery beams. The fence at the Consolidated School was lined with rigs. The Assembly Hall was crowded. Many could not gain admittance. The occasion was the public closing of the school, taking place just a little before the real closing of the term. The people were in holiday attire. The graduating class was most in evidence: Misses Lily Shaw, Lela McCain, Edith McCain, Della Saunders, Messrs Frederic Ross and Claude McCain, of Florenceville; Miss Lena Richie and Mr. Thomas Parker, of Greenfield; Miss Gladys Estey of Wicklow; Miss Della Sisson of Sisson Ridge; Miss Delilah Campbell of Peel; Miss Cecil Wilson of Lakeville, Miss Edna Giberson of Bath; Miss Margaret Keenan of Johnville; Miss Bertie Wolverton of Knoxford. All but three were young ladies. These clad in white and with pretty bouquets presented a charming appearance. The trustees were represented by John N. Perry, Secretary of the Board. Principal F. C. Squires presided. The Lord's Prayer was repeated. There was a chorus by the graduating class, Soldiers Song. The pianist of the evening was Miss E. Smith. The class history was given by Thomas Parker. It was a well jointed clearly thought out, beautifully worded paper, sprinkled with humour, read in distinct tones. Each member of the class received quota of reference and discription. The School orator was Fred Ross, who acquitted himself well with good voice, free utterance, and well chosen matter. The class prophecy was presented by Miss Della Saunders. It was cleverly conceived showed a well cultivated imagination, and will be often thought about by the graduates, with their unseen fortune to be moulded.

The valedictorian was Miss Edna Giberson of Bath. There was a brightness of vision, an elevation of thought, an elevation of language, a tenderness of affection, a purposefulness and aspiration, a warm appreciation in it made it a marked feature of the programme.

Misses Hazel McCain and Hattie Pierce each gave a solo with fine effect. A duet was skilfully rendered by Misses Cecil Wilson and Edith McCain. J. K. Flemming, M. P. P., Prov. Secy, gave a forceful and practical address to the graduates. He spoke of the special educational facilities here enjoyed. Referred to the high stand intellectually Carleton Co. takes, also to the two young men of Florenceville in the Normal School staff, H. H. Hagerman and D. W. Hamilton. He was warmly appreciative of the interest in the School taken by the people. He wished the graduates the best success they were capable of achieving. He said that success was not the acquiring of great wealth, not the securing of fame, but consisted in the doing of good, making the spere of one's life a little better for one's having lived. His ideas of Education had changed. He had visited the McDonald Agricultural College at St. Anne de Bellevue. Had been privileged to spend two days there. The time was all too brief not to cause a gravitating to the cities was the true aim of education—the cities with their "humdrum" life; but to become trained to levy on the soil for its riches, and for the ladies, to become well versed in Domestic Science. The quiet and rest, the beauty of the country far, outtrivalled the attractions of city. He put first the claims of God, second loyalty to country.

A cornet duet was given by Messrs H. D. and Jas. Thompson. Mr. Robert White accompanied on the piano. This received an encore. Principal Squires gave a thoughtful, impressive and eloquent farewell address. He had given such an address before viz., last year. It was harder to speak "farewell" this year. He spoke of the harmony that had obtained in the relations between the scholars and the Principal.

He dwelt strongly upon the place and value of athletics, good, strenuous, clean game-playing, and the helpful alliance thereof to intellectual effort. He spoke of patriotism with ardent enthusiasm, the standing up for home and country. He enjoined upon his hearers the honouring of the race from which they had sprung. Religion and loyalty were given their proper relation.

A fine, lively chorus was given by the graduation class. The last number was the National Anthem. Mr. Squires goes to Harvard University it is understood. He purposes returning to Carleton County, the one he counts the best. Mr. Robert Rush of St. Marys, who has given good service leaves at the close of the Term. His pupils gave him a fountain pen. A presentation was also made to Miss E. Smith, teacher of Domestic, who has won her "well done" and returns to her home at Elmsdale, N. S. Miss Wetmore, teacher of Manual Training, alone remains of the staff.

Chas. Temple and wife of Sydney, C. B., arrived on a visit on Friday. Chas. S. Osgoode of Houlton is also here. These two gentlemen go to Houlton today and return tomorrow in C. S. Osgood's automobile.

Mr. J. Everette of Bloomfield has taken

up business in the store formerly occupied by Hunter Bros. who sold out to him. H. Hunter and wife are said to be going west. Miss M. E. Parlee of St. John who has been popular here as milliner leaves today. The delegates for the S. S. Convention at Hartland go today. This gentle rain is giving a splendid ministry in its modest way.

H. H. Hagerman of the Prov. Normal School staff and D. Fiske who has been upon a fishing trip returns to Fredericton today.

Obituary.

On Saturday, May 29th, 1909 Ellis B. Olmstead, a former resident of Wicklow, Car. Co. and son of Mr. and Mrs. Albert A. Olmstead of that place, died in the Waltham Hospital.

The following notice of the highly esteemed resident of Waltham, Mass is copied from "The Free Press Tribune", a leading evening paper of the City.

Ellis Bruce Olmstead, one of the best known citizens on the South Side, died at the Waltham Hospital Saturday afternoon at 3.15 o'clock. For nearly a year deceased has been in poor health, but had not been confined to his home until three weeks ago. Ten days ago he was removed from his home, 64 Cherry Street to the Hospital for treatment, and on Saturday he suffered hemorrhage of the brain, which was primarily the cause of his death.

Ellis B. Olmstead was born in Wicklow, Carleton County, N. B., 43 years ago. He lived in his native town until 22 years ago, when he came to Waltham and has made his home here ever since. Deceased was employed for several years as salesman for P. H. Grays & Sons, and in P. P. Adams' Department store. He finally gave up store work to accept a situation in the large balance department of the Waltham Watch factory, where he remained until last March.

Oct. 29, 1891, deceased was married to Laura Colburn, daughter of the late Rev. W. W. Colburn, of this city, and two children were born to them, one son, Colburn Olmstead, a freshman in the Waltham High School, and a daughter, Barbara.

Mr. Olmstead was prominent in the affairs of Immanuel church, acting as a member of the Official Board for 20 years, Recording Steward for 14 years, and head usher for a great many years. He was a man of noble character and his pleasing disposition and acts of kindness are remembered by a large circle of friends.

Deceased is survived by his mother and father, four brothers and five sisters, and a wife and two children. The brother and sisters living in Waltham are Douglas Olmstead of Lowell street, Mrs. J. W. Hopkins of Robbins street, Mrs. T. H. Turney and Mrs. E. B. Hills of Cherry street.

ONLY ONE CURE FOR A BAD STOMACH Indigestion and Similar Troubles Must be Treated Through the Blood.

Indigestion can be treated in many ways, but it can be cured in only one way—through the blood. Purgatives cannot cure indigestion. By main force they move the food on still undigested. That weakens the whole system, uses up the natural juices of the body and leaves the stomach and bowels parched and sore. It is a cause of indigestion—not a cure. Others try predigested foods and peptonized drugs. But drugs which digest the food for the stomach really weaken its power. The digestive organs can never do the work properly until they are strong enough to do it themselves. Nothing can give the stomach that power but the new, rich, red blood so abundantly supplied by Dr. Williams' Pink Pills. So the reason for their success is plain. The health of the stomach depends upon the blood in its delicate veins. If that blood is weak and watery the gastric glands haven't the strength to secrete the juices which alone can digest the food. If the blood is loaded with impurities it cannot absorb the good from the food when it is digested. Nothing can stimulate the glands, and nothing can absorb the nourishment but pure, red blood. And nothing can give that pure, red blood but Dr. Williams' Pink Pills. Mrs. Alfred Gallant, Mill River, P. E. I., says:—"For several years, previous and up to two, years ago, I suffered continually from indigestion. I could not eat enough to keep my strength and energy. I consulted several doctors and took medicine from them without any benefit whatever. On the advice of a friend I began to take Dr. Williams' Pink Pills and soon good results were noticed, I could slightly increase the amount of food day after day, and suffered no inconvenience, until after taking ten boxes I could eat any kind of food and in a short time got back to my normal state of health and feel that Dr. Williams' Pink Pills have surely cured me of a most stubborn case of indigestion."

You can get these Pills from any dealer in medicine or they will be sent by mail at 50 cents a box or six boxes for \$2.50 by addressing the Dr. Williams' Medicine Co., Brockville Ont.
