Field Day on the Golf Links.

On Saturday afternoon next a field day will be held on the golf links, open to all the members of the club, beginning at 1 30 p. m. Several matches which were postponed for various reasons will be played as follows:

Swatfast, mixed putting and approaching contest, and mixed foursome handicap match.

In addition to the above competitions the prizes during the past season will be presented, and at the conclusion luncheon will be served at the club house.

Currie-Coy.

A pretty event took place at the home of Mr. George W. Coy Thursday last, when his eldest daughter, Miss Hazel Bertha, was united in marriage to Mr. A. Kilburn Currie of Richmond, Carleton County. The ceremony was performed by the Rev. Henry Penna, Pastor of the Methodist church of Gagetown, in the presence of a large number of invited guests. The room was prettily decorated for the occasion with ferns and flowers, while the bridal party stood under a large arch of evergreen in the centre of which was a bell of flowers. The bride was charmingly attired in white Satin with pearl trimming and wore a bridal veil and she carried a large bouquet of white sweet peas. Miss Estelle P. Coy, sister of the bride, was bridesmaid, and she wore pale blue silk eolienne and carried a bouquet of flowers. Mr. Harry Currie, brother of the groom, acted as groomsmen.

OOOOOOOOOOOOOOOOOOOOOOOOOOOO

CHILDHOOD AILMENTS.

Most of the troubles that affect little ones may be traced to the stomach and bowels, and if these are put right the child will get well and thrive well. Baby's Own Tablets cure all stomach and bowel troubles and all other minor ailments of babyhood and childhood. The tablets are easy to take and are guaranteed free from opiates. Mrs. H. Matthews, Canfield, Ont., says:—"I have used Baby's Own Tablets for my little girl who had a weak stomach and was badly constipated. The Tablets cured her of both troubles, and I really feel as if they had saved her life." Sold by medicine dealers or my mail at 25 cents a box from the Dr. Williams' Medicine Co., Brockville, Ont.

OOOOOOOOOOOOOOOOOOOOOOOOOOOO

Great Musical Event.

The Enterplan Concert Co., which will appear in Hayden-Gibson Theatre on Wednesday evening, Oct. 6th, will give a concert that doubtless be the musical event of the season.

It will be a most attractive high class concert, introducing Miss Helen Furlong, who is the head of the Violin instruction department of one of Boston's largest colleges, and who is also extremely popular and much in demand for concert work. She was a former pupil of and is now assistant teacher of the great Herr Loeffler of Boston symphony fame. She plays magnificently and is a favorite in Boston. She is the best violinist probably who has ever visited Woodstock.

Mrs. S. R. Scovill is without doubt the best pianist in the province today.

J. A. Kelly is the great tenor who made a hit with Woodstock theater-goes a year ago. Mr. Kelly is making another tour this year in charge of this company, and every place where concerts were given before is asking for return engagements.

There will also be heard a soprano and a contralto.

Admission 25c and 35c. Reserved seats 50c. Tickets now on sale at the stores of G. W. Gibson, I. E. Sheasgreen and E. W. Mair.

New Companies.

The Carleton Mining Co. Limited.

That mineral deposits exists in good quantities in this County has long been suspected, not only by residents, but by experts from outside who have visited the County from time to time. Assays received at different times from various samples of ore taken from the Cobbler-Sexton and from Dominion No. 1, have given the strongest possible evidence of the existence of Mining propositions in our own County, far superior to a very large percentage of mining properties in the Western States and Canada, that are today paying big dividends. It was stated by one expert who recently looked over the property known as Dominion No. 1, that if such a proposition existed in a Western town, where men are familiar with the value and possibilities of such properties, it wouldn't take a day to raise thousands of dollars, if necessary, for development purposes.

The Carleton Mining Co. Limited, has recently been organized by the owners of the property known as Dominion No. 1. The directors of the Company are good reputable business men of the town and County. They have already expended considerable money in the initial stages of development, and have now reached a depth of 18 feet. As will be seen by an advertisement on another page of this issue, they are now offering for sale five thousand shares of stock in the Company, at a very small price, for the purpose of raising money to continue the development of the property, and to take out and ship a carload of ore to the smelters. In this they are certainly pursuing the proper course, for not only will the returns from the ore shipped give them additional capital to work on, but it will also establish the fact of the validity of the proposition, and placed it on a sound business basis from the start. As the Company are limiting this issue of stock to five thousand shares then they should have no difficulty in disposing of that amount; and when this is accomplished a decided boom in the property can be looked for. We certainly need something of this kind to give an impetus to business, and it would seem that the opportunity has arrived.

John Hamilton.

The death took place on Sunday, after a short illness of paralysis, of John Hamilton, an old and respected citizen of Woodstock. Mr. Hamilton was twice married and is survived by his second wife. By his first marriage he had two sons, Herbert and Abner, of Woodstock, and four daughters, Edith, at home, Mrs. Herrin and McCourtney, of Augusta, Me., and Mrs. Weir of Boston. The children by his second wife are Ida and Nellie.

The funeral took place Tuesday afternoon, the Rev. H. G. Kennedy officiating.

Mrs. F. M. Rutter, who has been visiting friends in Toronto and Ottawa, returned home on Monday evening.

Mrs. A. C. Gibson, of Centreville, has returned from Nova Scotia, after spending a few weeks with her sister, Mrs. Parlee.

George W. Upham, M. P. P. and Mrs. Upham returned on Wednesday from a trip to Fredericton, St. John, Moncton and other cities.

HOW CHILDREN ARE QUICKLY STRENGTHENED

Develop Them with Ferrozone, Which Makes Rich Blood, Hardy Muscle, Steady Nerves.

Children brought up on Ferrozone are known by their strong rugged frames, their chubby cheeks, and healthful appearance.

Mothers find it an indispensable tonic and body builder, and in thousands of homes no other remedy is used. Mrs. E. Montgomery, of Pittsburg, writes: "A little niece came to visit me, and noticing her pale and haggard looks, I started her on a course of Ferrozone. The change that girl underwent in a few weeks was marvelous. Her appetite chirped up, she had more spirit and strength, and a rosy color came into her cheeks that I never saw there before. I weighed my niece about the time she started to pick up, and in seven weeks she gained almost eight pounds, and just looked the picture of health. I think this should be an example to many mothers, and I hope that others will try Ferrozone for their little boys and girls. I am thoroughly convinced that it's the most strengthening tonic. It has my strongest endorsement."

The reason Ferrozone works so beneficially with Ferrozone is that it acts directly on the blood, freeing it of all unhealthy matter, at the same time giving it an additional supply of iron. Get Ferrozone and the result we guarantee will be satisfactory. Price 50c per box or six boxes for \$2.50, at all dealers, or the Cattarhozone Company, Kingston, Ont.

Every Child Improves on Ferrozone

Tag Day.

The ladies of the Auxiliary of the Carleton County Hospital are to be congratulated on the success of their efforts in providing a substantial sum of money for the hospital, with the assistance of a number of the young ladies of the town. Tag Day, which has been observed in many of the cities and towns of the province for a similar purpose, was held in Woodstock on Saturday last. It entailed no small amount of labor by the ladies who had the scheme in hand, but they feel that they have been amply repaid by the hearty co-operation of the citizens generally who were in sympathy with the movement and gave liberally of their means to help a worthy cause.

When the returns were all in and the money counted it was found that the sum of \$506 57 had been collected.

On Monday \$12.62 was handed in to the ladies, making a grand total of \$519.09.

The ladies of the Auxiliary feel deeply indebted to the young ladies who did the tagging, from which very few of the citizens escaped.
