

## "Expected to Die"

**Biliousness, Dizziness, Vertigo, and Pain in the Back.**

**Owes His Life to the Curative Powers of Dr. Hamilton's Pills.**

Lack of exercise and overwork were the causes that combined to almost kill Samuel S. Stephens, Jr., one of the best-known and most influential citizens in Woodstock. In his convincing letter Mr. Stephens says:

"A year ago I returned home after a long trip, completely worn out. I was so badly affected by chronic biliousness, so much overcome by constant headaches, dizziness, that I despaired of ever getting well. I was always tired and languid, had no energy and spirit, found it difficult to sleep for more than five hours. My appetite was so fickle that I ate next to nothing and in consequence lost weight and strength. I was pale and had dark rings under my eyes that made me look like a shadow.

"It was a blessing that I used Dr. Hamilton's Pills. In one week I felt like a new man. The feeling of weight and nausea in my stomach disappeared. My eyes looked brighter, color grew better, and, best of all, I began to enjoy my meals. The dizziness, languor, and feeling of depression passed away, and I fast regained my old-time vigor and spirits. To-day I am well—thanks to Dr. Hamilton's Pills."

The regular use of Dr. Hamilton's Pills keeps the system clear, healthy, and thereby prevents all manner of sickness. 25 cents per box, or five boxes for \$1, by mail from the Catarthozone Company, Kingston, Ont. 2

FIFTY dollars is the price that one man paid here Friday night for a drink or two of whiskey. An unknown middle aged man was knocking around the streets of Andover in a badly intoxicated condition. A low down fellow named White saw him and enticed him into a back alleyway. A third man appeared on the scene, and together they knocked the old man down and took off his coat and hat. One man held him while the other searched his pocket. They found \$50 and took it, leaving him lying there. Three ladies witnessed the performance from a window and telephoned the police officer, but before he could arrive the men had made good their escape. Although they have been searched for they cannot be found.

### Death of Miss Alice G. DeForest.

The death of Miss Alice G. DeForest occurred at St. Marys hospital Jamaica New York, Sept. 13th, 1909 after one week's illness, brought on by an operation for fibroid tumor.

Miss DeForest was the youngest daughter of the late Geo. and Jane DeForest and lived with her Brothers, Winfield S. and A. B. DeForest at Lakeville.

A few weeks ago after consulting Drs. F. M. Brown and James Beairisto, she decided to accompany the former to his home in N. York and undergo an operation for her trouble. Most encouraging reports were received by her friends after the operation, but she failed to fully rally, and sank so rapidly that death ensued on the evening of the 13th. Her niece, Miss Myrtle F. Carvell, hastened to New York on receipt of a telegram that her aunt was sinking, but was 20 hours too late, she returned with the body to Hartland the 16th, and the funeral was held from the residence of J. R. Fowler, Lakeville.

Messrs. Handford and Marshall Tracy, Wm. and Havelock Wilson, Merrill Tracy and Handford Lindsay bore the remains to the Baptist church where interment was made in the family lot. Rev. R. W. Ferguson, assisted by Rev. George Ayes, preached from the words, "There is but a step between me and death" and a duet "This too will pass away" was sung by Mrs. G. R. Smith and R. N. F. John.

Many beautiful floral offerings were brought, and the large concourse of relatives

Just think of it—a direct breathable medicine, full of soothing antiseptic pine essences that reach every sore, congested membrane in two seconds. No drugs to take—nothing to harm the aged or the infant, because Catarthozone is the purest, safest cough, catarrh, and cold remedy ever devised. Mrs. M. E. Wafford, wife of a well-known grocer in East Sheffield, writes: "For three years I suffered with a hard, racking cough and bronchial irritation which annoyed me so much at night that I couldn't sleep. I tried many remedies, catarrh tablets, sprays, syrups, etc., but they only helped for a short time. Catarthozone brought me wonderful comfort from the first. I inhaled its balsamic fumes every hour or two, and am now free from any trace of cold, bronchitis, and catarrh. I can go out in all kinds of weather and don't take cold."

There is no remedy so certain and safe as Catarthozone, but being a good remedy, it is imitated. Beware of the substitute. Large Catarthozone lasts two months, price \$1.00; smaller sizes 25c and 50c. All reliable dealers or the Catarthozone Co., Kingston, Ont.

## AFTER SIX YEARS OF INDIGESTION

**Dr. Williams' Pink Pills Made a Permanent Cure.**

There are many medicines that will relieve indigestion for a time—there are few that will make a permanent cure. But there is one medicine that is a sure cure—that medicine is Dr. Williams' Pink Pills. They have cured thousands of cases—many of them of years standing. Cases like that of Mr. John E. Seale of Montreal, Que., after many other medicines have been tried and found worthless. Mr. Seale says:—"For nearly six years I suffered with indigestion. During all that time I was constantly taking medicine for the trouble, but never got more than temporary relief. Finally I decided to try Dr. Williams' Pink Pills and after using them for some time the trouble disappeared and I am now able to eat heartily without the least trace of the suffering I formerly endured. I can, from my own experience, strongly recommend Dr. Williams' Pink Pills as a permanent cure for indigestion."

Dr. Williams' Pink Pills for Pale People are good for every disease that good blood is good for, simply because they make good blood—that is why they cure rheumatism, heart palpitation, indigestion, neuralgia, St. Vitus dance and the ailments of girlhood and womanhood. Dr. Williams' Pink Pills for Pale People are sold by all medicine dealers or direct by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

and friends who gathered gave evidence of the esteem with which the deceased was held by her many friends who loved her for her sweet Christian character and influence.

## THE EYES

The eyes are the windows through which the soul looks out upon the world. There is no need of having them darkened or defective. Don't tamper with unknown inexperienced opticians. Vision is too precious, have them scientifically fitted with glasses. **DON'T DELAY.**

For instance:—Mrs Freeman wife of the Rev. Mr. B. L. Freeman, for 7 years pastor of the Centreville Baptist church was troubled by defective sight. Five specialists treated her, one in New York, one in Boston, one in Halifax, one in St. John, one in Woodstock N. B. She could not wear their glasses and her eyes grew worse. Two years ago just before moving to B. C., with her husband she came to me, I treated her by my new discovery and supplied her with glasses. She now writes me as follows, the glasses are a perfect fit. You evidently have the right theory. My eyes are better than for years. Many thanks!

MRS K. L. FREEMAN.

If your eyes trouble you at all, come in and let me examine them **FREE**
