

Francis Rankin.

The death of Francis Rankin which took place at his home on Victoria street on Thursday morning last, was a surprise to the community and a shock to the members of his family who were not prepared for the change. Mr. Rankin had been about town until about ten days previous to his death and appeared to be in his usual health. He was in his 68th year, and was a prosperous farmer in Grafton. A few years ago his residence was destroyed by fire and since then, with his daughters, he has lived with his niece, Mrs. Rankin McLardy. His wife, who died several years ago, was a half-sister of Mrs. Robert Thomson, of St. John, and a daughter of the late Rev. Dr. Wm. Donald. He is survived by one son, Dr. W. D. Rankin, and two daughters, Marion A., and Katherine Muriel, and two brothers, John, of Liverpool, Eng., and Alexander, of London, Eng., and one sister, Mrs. Jarvill, of Torquay, Eng.

The funeral took place on Saturday at 2.30 p. m., the Rev. Geo. D. Ireland, of St. Paul's Presbyterian church, of which deceased was a member, officiating. After a short service at the house the remains were taken to Northampton and interred in the family lot. The pall bearers were: Alex. Strong, Alonzo Hale, Donald Munro and Robt. Johnston.

A quartet composed of Miss Nellie McLean, Mrs. Geo. Mitchell, Donald Nicholson and Wm. Dunbar sang several hymns at the service.

J. W. Dalling.

J. W. Dalling died at his home on Connell street on Sunday evening after a lingering illness of consumption, in the 50th year of his age. He was born in the parish of Richmond and was a son of James Dalling, who is still hale and hearty, at the age of 88 years, and came to Woodstock many years ago and conducted a grocery and general store on King St. and through hard work and close attention to business he was successful in building up a large and profitable country trade. Beside his father he is survived by a widow and one daughter, Berla, one sister, Mrs. W. S. Sutton, of Woodstock, and three brothers, Charles, of Oldtown, Me., Fraser, of Richmond and Hugh, of Woodstock. The funeral took place on Tuesday.

Mrs John Pringle

Our correspondent at Kilburn writes as follows: "This community has been saddened by the sudden death of Mrs. Pringle, which occurred at her home in Kincardine early on Saturday morning. The deceased was the wife of the Rev. Mr. Pringle, Presbyterian minister at Kincardine. She will be greatly missed in her home and by a wide circle of friends among whom she moved. A husband and five children survive."

Mrs. Pringle was the eldest daughter of the Rev. J. E. and Mrs. LePage, of Woodstock, who were present at the funeral services which took place on Monday afternoon, the Rev. Mr. Murray officiating. She leaves two brothers, John T., of Wabigoon, Man., and Charles, in British Columbia, and one sister, Mabel, of Vancouver.

General sympathy will be felt for the husband and aged parents in their sudden bereavement.

Death of Mrs. G. T. Hartley.

A telegram was received here on Sunday announcing the death of Mrs. G. T. Hartley, which took place on Saturday at the home of her son, Austin, in Missoula, Montana. Mrs. Hartley was the widow of the late Rev. G. F. Hartley, of Upper Woodstock, and her death will be regretted by many of her old friends. She was a woman of high Christian character. She is survived by two sons, Austin, of Missoula, G. Napier, of British Columbia, and one daughter Alma, who lived with her mother.

Creath-Trambly.

At the bride's residence in Newburg, on the 28th of September, by the Rev. G. D. Ireland, Thomas L. Creath, a prosperous farmer of Lubec, Maine, to Mrs. Elizabeth Trambly, of Newburg. The marriage took place in the presence of a great number of guests. Mr. Creath who is a citizen of the United States, has sold his property in Lubec, and intends becoming a permanent resident of Newburg and a Canadian citizen. He is an enterprising and intelligent farmer and we extend to him and his bride our hearty congratulations and best wishes for happy and prosperous future in this country.

Frank Allison M'Kinney.

Last Wednesday the home of Mr. and Mrs. Theodore M'Kinney was saddened by the death of their youngest child a bright little lad of a year and four months of age. He being the only son of a family of four, his loss is keenly felt. Sympathy is extended to the sorrowing family.

Shaw-Cronkhite.

The home of Mr. and Mrs. W. F. Ingraham, Upper Queensbury, was the scene of a pretty and interesting event on Thursday afternoon, Sept. 23rd, when Miss Jennie P. Cronkhite, sister of Mrs. Ingraham, was united in marriage with Perry E. Shaw, of Brighton, Car. Co.

The ceremony, which was witnessed by about sixty invited guests, was performed by Rev. A. S. Hazel and took place on the verandah under an arch of evergreen from which was suspended an immense floral bell.

The bride approached the altar leaning on the arm of her eldest brother Abr. B. Cronkhite, Temple, by whom she was given in marriage. She was unattended, and was handsomely attired in a dress of cream colored goods trimmed with lace yoke, ribbon and insertion and carried a beautiful bouquet. Shortly after congratulations had been offered, the party repaired to the dining room, where an elegant wedding supper was served. The decorations in the dining room were pink and white, and the house was tastefully decorated with potted plants and cut flowers. The presents were numerous and valuable and included silverware, china, glass and also a substantial amount of money, the gift of the groom being twenty dollars in gold. The bride who has been a successful teacher in the schools of York and Carleton counties and is also a graduate of the Fredericton Business College has many friends who will join in wishing her and her companion a happy and prosperous journey down the stream of life.

In the evening, the boys arrived and attested their good wishes by a bonfire and serenade.

Mr. and Mrs. Shaw will be home at East Brighton after Oct. 1st.

London-Day

A pretty wedding took place Wednesday afternoon at the residence of Mr. and Mrs. Manzer Day when their only daughter, Mary E. Day, was united in marriage to Harvey L. London; they were attended by a little flower girl. The bride was dressed in a cream princess dress trimmed in silk ribbon and carried a shower bouquet of bride's bouquet and ferns. After the ceremony which was performed by Rev. E. L. Steeves. Luncheon was served from a pretty decorated table. The groom's gift to the bride was a nice fur.

Many beautiful and elegant presents were received in silver, gold, glass, china, linen and furniture.—Com.

**GOOD BLOOD
AND GOOD HEALTH**

IS the Result Obtained When Dr. Williams' Pink Pills Are Used

To have good health you must have good blood. It is only when the blood is bad that the health is poor. The blood is the life-giving fluid of the body—it is therefore an absolute necessity that it should be kept free from all impurities and poisons. To do this nothing can equal Dr. Williams' Pink Pills for Pale People. These Pills make new, rich blood with every dose; they drive out every impurity—every poison—and thus give good health. Concerning them Miss Bernadette Lapointe, of St. Jerome, Que., says:—"For several years my health was very bad—my system was completely run down. I had indigestion almost continually; my heart was weak; I had headaches and backaches, and was sore all over. My blood was very poor and more than once I was in despair. I tried many supposed remedies but none of them helped me. One day a friend advised me to try Dr. Williams' Pink Pills, telling me that she had found them good in a case similar to mine. I followed her advice and began taking the pills. They soon gave me some slight relief. Encouraged by this I continued their use for several months and they strengthened my whole system. I am to-day in excellent health and always keep Dr. Williams' Pink Pills in the house for if I feel a little out of sorts I take a box of Pills and am soon alright again."

Thousands of young girls throughout Canada suffer just as Miss Lapointe did. They are sickly all the time and are totally unable to take the enjoyment out of life that every healthy girl should. They need a tonic to build them up—to enable them to withstand the worries of household or business duties; to give them strength to enjoy social life. Such a tonic is Dr. Williams' Pink Pills for Pale People. These Pills give blood to bloodless girls; they strengthen the nerves; banish headaches; cure indigestion, rheumatism, heart palpitation and relieve the many ills of girlhood and womanhood. Sold by all medicine dealers or direct by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

The Fever Situation.

The stricken village of Andover is still struggling in the grip of the fever. Three new cases developed Saturday. The number of cases keeps up to about seventy. The cause of the epidemic has been fully ascertained, however, much to the satisfaction of both villages. Following is the analysis of a sample of the water sent to McDonald College: "One of the worst samples of water ever analyzed here; more like sewage than water, and totally unfit for domestic use; 700 colon bacteria to the cubic centimeter. The colon bacteria is a germ similar to the typhoid germ, but more dangerous inasmuch as it gives rise to complications of a serious nature; is more contagious, and very much more poisonous. Other samples of water will be sent to Dr. Peal for future analysis."

**"About
A Home."**

Have you ever thought how foolishly you are squandering your hard earnings in paying rent, while you might have a nice home of your own?

I can tell you an easy way and start you on any priced home you require.

I have two Particularly Beautiful places now—nice Orchards and Gardens—in a most desirable locality, that must be sold at a sacrifice. One, an excellent opportunity for raising vegetables, strawberries, etc., for the local trade. Any retiring farmer wishing to live in town should have this place.

Call and have a talk with me. It will cost you nothing. I know I can save dollars for you.

The Reliable Real Estate and Insurance Man.

Woodstock, N. B.

Issue of \$5000 Shares. Par value \$1 each.

Carleton Mining Co., Ltd.,

(Incorporation applied for under the laws of the Province of New Brunswick.)

CAPITAL STOCK \$99,000.00.

The Company are desirous of pushing work on this property at once. They have reached a depth of 18 feet and have **uncovered a good body of ore.** The assays from the samples already sent away are more than encouraging. A large amount of money has already been spent on the property, and it is the intention of the Company to **take out a carload of ore and ship it to the smelters,** in order to get actual results from a quantity. To obtain money for this purpose they are now offering

5000 Shares at 25c per share

This is the first issue of stock and it will be impossible to secure any more shares at this price after this issue is taken up.

Assays of various samples, received from reliable assayers, prove beyond question that the ore contains Lead, Silver and Gold in big paying quantities. The last three assays received run **\$25.93** to the ton; **\$32.00** per ton, and **\$104.60** per ton in the above minerals. The assay certificates may be seen at the office of A. D. Holyoke.

The Provisional Directors of the Company are:

- HARRY G. NOBLE, Woodstock, Merchant.
- PERLEY T. KIERSTED, Woodstock, Medical Doctor.
- WENDELL P. JONES, Woodstock, Attorney-at-Law.
- NEWTON S. DOW, McAdam Junction, Immigration Agent.
- JOHN J. ROGERS, Northampton, Farmer.
- EDWARD L. GREER, Woodstock, Miner.

The ore is there. The tracing by experts has proved that beyond question. Money is needed for the **proper development of the property.**

The money received from this issue of stock will positively be expended in taking out the ore for shipment.

Subscription list is now open. Applications received by

THE EYES

The eyes are the windows through which the soul looks out upon the world. There is no need of having them darkened or defective. Don't tamper with unknown inexperienced opticians. Vision is too precious, have them scientifically fitted with glasses, **DON'T DELAY.**

For instance:—Mrs Freeman wife of the Rev. Mr. B. L. Freeman, for 7 years pastor of the Centreville Baptist church was troubled by defective sight. Five specialists treated her, one in New York, one in Boston, one in Halifax, one in St. John, one in Woodstock N. B. She could not wear their glasses and her eyes grew worse. Two years ago just before moving to B. C., with her husband she came to me, I treated her by my new discovery and supplied her with glasses. She now writes me as follows, the glasses are a perfect fit. You evidently have the right theory. My eyes are better than for years. Many thanks.

MRS. E. L. FREEMAN.

If your eyes trouble you at all, come in and let me examine them **FREE!**

I would also like to call your attention to a new line of Jewelry just in, finer and more beautiful than I have ever carried before, my souvenir goods especially will interest and attract you.

Prices of course are right, that is why my trade grows.

Thanking my former patrons and soliciting a trial from new ones.

I am respectfully yours.
