Obituary.

Suddenly and unexpectedly to all who knew and loved her, Wilza Marguerite, only and beloved child of Mr. and Mrs. Anson Boyer, was removed to the great beyond at the age of 9 years 5 months. Thus one of the brightest and sweetest children of the village of Bristol has been taken away. The parents have the heartfelt sympathy of a very large circle of friends which was evinced by the large concourse of people who assembled on Sabbath afternoon, 6 inst., to attend the funeral rites, which service was conducted by Rev. J. D. Wetmore of East Florenceville.

WATCH NEWS.

What's the use of a watch that doesn't keep good time! One of these may be the reason:—
1st. It may be no good.
2nd. It may need cleaning or repairing.
3rd. It may be magnetized, which is the case more often than is known.
If it is the first—I can sell you a new one from a most choice assortment at various prices and everyone GUARANTEED PERFECTLY SATISFACTORY or money back.
If it is the second—I am an expert in the line of cleaning and repairing. There is an experience of 30 years behind and when a watch leaves my hands it is in perfect order.
If it is the third—I have lately installed at considerable expense a DEMAGNETIZER with which I can remedy that wrong condition absolutely. No need to carry a watch that is unreliable.
