The Editor's Victory

There cannot be much satisfaction in "going around and leekin' the editor" when the latter not only makes copy out of the encounter, but pictures himself as the hero as well. The following vivid pen picture is taken from the editorial columns of a Western journal:—

"There was a blow. Somebody fell. We got up. Turning upon our antagonist, we succeeded in winding his arms around our waist, and by a quick maneuver threw him on top of us, bringing our back, at the same time, in contact with the solid bed of the printing press. Then inserting our nose between his teeth and cleverly entangling his hands in our hair, we had him!"

Fitz Knocked Out.

Sydney, N. S. W., Dec. 27.—Bill Lang, the Australian heavy weight champion, knocked out Bob Fitzsimmons in the twelfth round of their fight at Rushent's Bay stadium today. The fight was evenly contested up to the last round when Lang forced Fitzsimmons to the ropes, knocked him down with a right-handed blow to the jaw and when he arose sent him to the floor senseless from a right hand uppercut.

King Alfonso in Poor Health.

Recent despatches stated that condition of King Alfonso has created grave anxiety and that another operation is imperative. It was asserted that under the guise of departure on a hunting trip in Andalusia, the king would go to San Lucar, where the operation would be performed.

FOR FAMILY USE

An Ideal Remedy for Coughs, Sore Throat, Catarrh, Weak Chest.

After having made a special study of the treatment of the throat and lungs for twenty years, Prof. D. Jackson states that in his opinion no preparation for general family use is so efficient, so healing, so certain to cure as Catarrhazone.

As his reasons for making this claim for Catarrhazone, Dr. Jackson says: "Catarrhazone is free from opium. "The patient can breathe its rich, balsamic fumes direct to the diseased spot. "It is a remedy that treats and cures causes—prevents disease spreading. "Reaches the innermost recesses of the throat, nose, bronchial tubes, and lungs. "Alleviates chest soreness. "Stops coughing instantly. "Prevents bronchial irritations. "Relieves clogged nostrils. "Cures sniffles and nasal catarrh. "Prevents La Grippe. "Has proven itself a cure for weak lungs, loss of voice, speakers' sore throat, asthma, bronchitis, catarrh, coughs, colds, and Winter ills."

Catarrhazone is unquestionably the world's greatest breathable cold, cough, and catarrh medicine, and being free from all drowsy drugs, entirely safe for children and old folks; it makes an ideal family remedy. Recommended by the medical profession, and sold by all reliable dealers. Beware of imitations, get "Catarrhazone" only; large size lasts two months, and is guaranteed, price \$1; smaller sizes 25c and 50c. By mail from the Catarrhazone Company, Kingston, Ont. 11
