A party of young men from Woodstock arrived here this morning in an auto and returned this afternoon. Mr. Segee and his two children were thrown out and one of the latter had an ankle sprained. The Gleaner must have received the above information from an unreliable source.—Fetcon. cor. FIRE

Fire has put many good men out of business, and crippled many others, simply because they were not well insured. The only way to avoid this disastrous effect is to keep well insured in Companies that pay their claims promptly, and with an agent that looks right after your interest when a loss occurs.

HERE IS A LETTER THAT SPEAKS FOR ITSELF:—

Bath, N. B., June 22nd, 1909.

A. D. Holyoke, Esq.,
Woodstock, N. B.

Dear Sir,

We want to thank you for the valuable assistance you rendered us in the adjustment of our loss by the fire at Bath on June 9th, and also for the prompt settlement made by your Companies. We were insured with you for \$6,650.00, divided between the Nova Scotia Fire Insurance Co., The Rimouski Fire Insurance Co., and the Occidental Fire Insurance Co. The Nova Scotia cheque was received two days after the loss was adjusted, and the Rimouski and Occidental cheques came a few days later, which was about as quick as the mails could bring them. It pays to insure with you, and we will be pleased to do anything we can for you in recommending your Companies to others.

Yours truly,
(Signed) TOMPKINS BROS.

I represent six different Fire Insurance Companies, and they are among the best in Canada. They are liberal in their adjustment of losses, and prompt in payment of claims. Full value paid for damage done by lightning whether fire ensues or not. I will write your insurance at the lowest rates consistent with safety, and will look right after your interest if you have a fire.
