

HARTLAND NEWS.

On Sunday there were preaching services in all the churches. For the Baptists Rev. C. W. Townsend preached morning and evening. In the Methodist church Rev. F. T. Bertram preached to a large congregation and announced that he would preach his farewell sermon the first Sunday in July. Next Sunday there will be service morning and evening in this church, by a minister sent from the annual conference at Woodstock. The following Sunday the Rev. A. E. Lepage of Woodstock, will preach for the Methodists. On Sunday morning Mr. F. H. J. Reid, lay reader, held Church of England services in the Hall.

The fires that have been raging in the woods at Mainstream, Ashland, Highgate, Coldstream, Coldstream East, Lower Windsor and Carlisle have worked untold damage to lumber and wood reserves, to fences and to some buildings. A block of spruce forest recently bought by Hon. J. K. Flemming was destroyed and his loss is nearly \$2000. He calculates that in ten years there would have been \$5000 worth of lumber on this land. Joseph Blomes of Somerville, who owns a valuable farm at Mountainstream estimates his loss in wood and standing spruce at nearly \$1000. These are only examples of the individual losses. Collectively the damage is well up in the thousands. Besides this the farmers have for ten days been forced to neglect their crops to fight fire, a work demanding tremendous energy every night and day. On Monday, however the chances were good for the extinction of the fires.

A little Tobique Plaster on that field of oats might save the crop this dry weather. H. N. Boyer, Hartland, is unloading a car; for sale cheap and on easy terms. He sells Page fences and gates. None other on the market quite so good.

There will be a complete change in the teaching staff of Hartland school the next term, all the teachers having resigned their positions.

Mrs. John Bradley is slowly recovering from a long serious illness. Her daughter, Mrs. Arnold Porter of Sherbrooke, P. Q. has been visiting her.

A ten-year-old son of Miles H. Rideout, Somerville, is very ill of appendicitis.

It seems quite likely that when the Highway Board gets around to renewing the sidewalks that gravel will be used instead of wood.

Mr. Buchanan, salesman for J. & J. Taylor, the makers of safes, Toronto, was at the Exchange over Sunday.

Miss Marion Tompkins went to Florenceville on Saturday, returning Sunday evening.

The immense jams of logs on the piers are estimated by lumbermen to contain nearly 10,000 pieces of timber. These are cleared once a week, but they form again in a few days. The water is falling rapidly.

Under the supervision of David Jackson, of Upper Woodstock and the foremanship of A. W. Rideout, the Hartland bridge is being refloored with spruce. The lumber was furnished by B. F. Smith of East Florenceville and the work is let out to day laborers.

Elder Kirkpatrick spent Sunday at his home at Debec.

On Sunday, Arthur Kyle, E. G. Rideout, Fred Thornton and O. A. Baker started for Florenceville in canoes, taking advantage of a good south breeze and large umbrellas for sails.

Holmes-Pierce.

A pretty June wedding occurred Wednesday evening at the residence of Mr. and Mrs. Jamee Frank Pierce, 18 North Chesnut street, when their daughter, Ida Blanche, was united in marriage to Frank Tozier Holmes, son of Mr. and Mrs. Geo. W. Holmes of this city. The ceremony occurred at 8 o'clock and the house was attractively decorated with foliage and cut flowers in honor of the event.

The bride, who was gowned in white nun's veiling and carried a shower bouquet of lilies of the valley, was given away by her father and the single ring service was impressively performed by Rev. C. G. Mosher, pastor of the Penny Memorial Free Baptist church. The bridal party stood under a arch of white lilacs and green foliage, while above them was suspended a wedding bell also of white lilacs.

The bride was attended by Mrs. Alphonso F. Pierce, her sister-in-law, as matron of honor, who was becomingly gowned in pink and carried a bouquet of pink roses. The groomsmen was Alphonso F. Pierce, a brother of the bride. Marjorie and Marguerite Hussey, cousins of the bride in dainty gowns of white made very pretty flower girls and Marjorie Swift a niece of the groom and Gertrude Pierce, a sister of the bride, also in white were the ribbon girls.

Following the ceremony dainty refreshments were served in the dining hall which was arranged in an artistic color scheme of pink. About 60 guests were present and the newly married couple received many congratulations at the close of the ceremony.

Mr. and Mrs. Holmes will reside at 13 Spring street, Augusta, and will be at home after Aug. 1. Both bride and groom have many friends in the city and Mr. Holmes is well known in business circles, being a traveling salesman for the Fuller-Holway Co.—Kennebec Journal, June 10.

Mr. Holmes was formerly a Woodstock boy. His sister, Mrs. Clifford Everett, of Woodstock, was among the guests at the wedding.

Tokens of Appreciation.

The ladies of the Methodist congregation met at the home of Mrs. Charles Comben on Thursday evening last and presented Mrs. R. G. Fulton with \$20 in gold. The address which accompanied it was read by Miss Adie Calder, as follows:

Dear Mrs. Fulton,
We representative ladies of the Methodist Church here, who have been associated with you both in private and public during the last three years, feel we would be recreant in our duty were we to let you leave us without showing our appreciation in some way, however slight of the high esteem we held you in and of the great sorrow we feel at parting with you. Your many estimable qualities have endeared you to us and we feel that indeed there will be a blank hard to be filled when you go. Your great tact, your unvarying courtesy, your earnest devotion to duty but above all your bright and cheery manner have greatly impressed us. This joyful and lively disposition of yours has commended the religion of Jesus Christ and has to a great extent helped to remove from the minds of the young the idea so very prevalent, that Christianity is a joyless and gloomy affair.

Thank God, you and we who know that:—
If His love is in the soul,
And we yield to His control,
Sweetest music will the lonely hours beguile;
We may drive the clouds away.
Cheer and bless the darkest day,
If we keep the heart singing all the time."

Your hearty interest in everything pertaining to the church has been of the greatest service and has materially helped to enthrust us with a portion of the same spirit.

Our earnest hope is that your future, and we associate with that wish your dear husband and little boy, may be prosperous and above all may be happy in the highest and truest sense of the word.

The above address was signed by a large number of ladies of the Methodist Church.

The Mission Circle of the Methodist church, also presented Mrs. Fulton with six sterling silver tea spoons and two sterling silver salt spoons. Miss Nellie Montgomery read the following address accompanying this presentation. After the presentations a supper was served.

Woodstock, June 10th, 1909.

Dear Mrs. Fulton,
The girls of the Mission Circle feel that they cannot allow you to leave without expressing in some way the very great obligation they have been under in having you for their President during the last three years.

Your bright and cheery manner, your thoughtful addresses delivered so clearly, and in fact your general capability have endeared you to every member of the Circle, and have infused them with more abundant zeal in the cause of Missions. You will carry with you our very best wishes for your future prosperity. We will miss you, but though our circle is broken, though our days of happy commune with you are for the present ended, we unite in praying that you and all of us may meet an undivided Circle with our dear Lord and Master in that land "where farewells are a sound unknown." We ask you to accept the accompanying gift as a slight token of the esteem in which you are held by us.

Signed by the young ladies of the Mission Circle.

LACK OF BLOOD.

Is What Causes Headaches, Dizziness and Heart Palpitation.

On the blood depends the welfare of the whole body. Where good blood exists disease is unknown, but where the blood is poor and watery disease quickly seizes hold of the body—It is then headaches, backaches, dizziness, heart palpitation and other serious ailments make themselves felt. Good blood can always be obtained through the use of Dr. Williams' Pink Pills for Pale People. They actually make good, rich blood and thus restore lost strength and banish disease. Mr. Herbert Hanson, Brewers Mills, N. B., says:—"I cannot praise Dr. Williams' Pink Pills too highly. I was troubled with headaches, dizziness and loss of strength and, had a hacking cough which I feared would lead to consumption. I tried a number of medicines without benefit, but was finally persuaded to try Dr. Williams' Pink Pills. I did so and used these Pills for several months with remarkable results. They helped me so much that I now strongly recommend them to all other sufferers."

The experience of Mr. Hanson is that of thousands of others who have found health and strength through Dr. Williams' Pink Pills after other medicines had failed. It is through their power in making good blood that these Pills cure such troubles as anaemia, indigestion, rheumatism, heart palpitation, neuralgia, nervous troubles and the distressing ills of girlhood and womanhood. Dr. Williams' Pink Pills for Pale People are sold by all dealers in medicine or direct by mail from The Dr. Williams, Medicine Co., Brockville, Ont., at 50 cents a box or six boxes for \$2.50.

The home of Mr. and Mrs. Charles Carter, of Kirkland, Carleton County, was the scene of a happy event on the evening of June 9th, when Anne Belle, their fourth daughter, was united in marriage to Lowell Willis Colby, of Haverhill, Mass.
