

**Mrs. R. M. Dennison.**

Mrs. Robert Dennison, after an illness of three weeks from paralysis, died on Wednesday afternoon. Her husband, two boys, Myles and Herbert, and one girl, Miss Alice, survive. They were all present during her last illness. Mr. Dennison is located at Boiestown, Northumberland county; Her. ber, the eldest son, at Woburn, Mass; Myles, at Lethbridge, Alta., and Miss Alice who resided with her mother. Five sisters are living: Mrs. Frank E. Smith of Welsler, Idaho; Mrs. T. H. J. Ryan of Spokane, Wash; Mrs. W. H. Jones of Burr's Corner, York county; Mrs. D. G. Clayton of Riverside, Cal, and Mrs. F. W. Alquire of Los Angeles, Cal.

Mrs. Dennison, who was 49 years of age, was born in Keswick, York Co. She was the eldest daughter of the late Frederick Dunphy of that place.

The funeral was held at 2 o'clock on Friday afternoon and was largely attended. Services by H. G. Kennedy were held at the house and Methodist cemetery. Direct, or Nichols, of Vanwart's undertaking rooms, was in charge of funeral and the pall bearers were H. E. Burt, F. L. Atherton, C. R. Watson and Cook Hall.

**Brilliant Future Ahead of St. John.**

London, Oct. 16.—It is definitely stated here that the site for dry docks and repairing sheds capable of dealing with the largest liners and warships, by Harland & Wolff, will be at St. John, N. B. The firm's intention is to equip and maintain a repairing establishment equal to that at Belfast. At the outset about £200,000 will be expended in acquiring land and constructing the necessary works, but this does not represent all the expenditure in contemplation.

Ottawa, Oct. 17.—It is stated here to-night that Harland & Wolff's plans regarding the establishment of ship-building industries in Canada are nearing maturity. The great Irish firm has reached an agreement with practically all the shipping interests in this country, and it is understood that, there being a dry dock already in Halifax, the first step will be the building of a dry dock at St. John. Building shops will be erected later. The whole scheme entails extensive proposals for both the Atlantic and Pacific, but the initial work will be done at St. John.

St. John, Oct. 18.—Definite news of the location of an immense dry dock and shipbuilding plant in St. John, as contained in the above despatches will be read with a thrill of anticipation of future greatness by the citizens of St. John this morning. Stories, more or less vague, have been filtered through the new channels during the past few days, but not until last evening was anything of a definite nature received. Further than this, Capt. D. O. C. Newton, said an engineer representing Harland & Wolff, is expected in St. John to-day to look over the ground. Coming from London, the great heart centre of the Empire, the first despatch was received by the Canadian Associated Press, and the name of St. John will be on the lips of every Canadian to-day. Where the city is not already known as the great winter port of the Dominion, it will now become known as the site of a new dry dock and probably the birthplace of the future Canadian navy. Following close upon the announcement of the naval programme of the Dominion Government came the first news of intention of Messrs. Harland & Wolff to found shipbuilding industries in Canada, and the despatches state plainly that the erection of the dry dock and repairing works are but preliminary steps and that the building plant will follow.

Leaving the matter of battleships aside, there are many who believe that the plan for the building of the dry dock is a result of Sir Robert Perks' visit to St. John in June last. At that time he was very favorably impressed with Courtenay Bay as a site for a dry dock, and gentlemen in close touch with him at the time are firmly of the opinion that St. John has much to thank the eminent engineer for in this connection. The possibilities of the Courtenay Bay property now loom larger than ever, and the recent action of the alderman in turning down Mr F C Durant's proposition for a lease of the lots for a sugar refiner assumes an added interest in the light of the developments of the last few days.

Mr. Durant is expected to-day, and will meet the Council to discuss their latest offer of the Carleton mill pond site, and there is much enthusiasm as to the outcome of two such concerns seeking a location in St. John.

HARRY FAULKNER returned from Saskatoon on Saturday where he has been for the past two weeks, having been called there on account of the serious illness of his mother, whose condition was much improved when he left. Mr. Faulkner was much pleased with his trip and thinks the West a good place to make money, but that our country is much the better place to live in.

**D. W. Newcombe a Winner.**

D. W. Newcombe won the Stetson cup on Saturday on the local links, defeating Andrew Jack, four up and three to play. The match was to have been played last Thursday, Stetson day, but was postponed because of Mr. Newcombe's absence from the city.

This is a handicap competition, eighteen holes, and Mr. Jack, under this year's handicap, gave Mr. Newcombe two-and-a-half strokes a round, or three on the first nine holes two on the last nine.

The course was wet and most balls fell dead. A high and disagreeable wind blew across the course, making play uncommonly difficult. Casual water was plentiful, and the lies were frequent bad. These draw backs, however, punished both alike.

Mr. Newcomb won the first four holes, which was a slashing start and gave him what proved to be a winning lead. He played a steady game, and a fast one considering the conditions, going the first round in forty-two and the second in about the same figures or a little better.

Mr. Jack pulled down the lead to three by the end of the first nine, but his opponent got another away from him early in the second round and won the match on the fifteenth green four and three.

Mr. Jack won the Stetson last year. Mr. Newcomb learned the game in Woodstock, which is a good school, and has been a consistent performer since he joined the local club, though he does not play very frequently.—St. John Telegraph.

**I. O. G. T.**

The Carleton County District Lodge, I. O. G. T., had a most successful gathering at Beechwood on Wednesday afternoon and evening. Lodges throughout the county were represented. A. B. Kearney was elected district chief templar and J. R. H. Simms district secretary. In the evening a public meeting was held in the Baptist church, which was filled. Rev. J. A. Cahill, Mrs. L. R. Hetherington and J. R. H. Simms addressed the meeting. Recitations were given by Miss Ada Saunders, of Florenceville, and Miss Amanda Hartley, Beechwood. Solos were given by Mrs. Hetherington and A. B. Kearney. Miss Beulah Phillips, of Bath, acted as organist for the evening.

At the session in the afternoon a committee was appointed to make arrangements for the gathering of the lodges in a large temperance picnic to be held in the county next summer. Temperance sentiment is surely gaining ground in this section of the province.

The following officers were elected at the Carleton County District Lodge, I. O. G. T. which met at Beechwood Wednesday afternoon and evening:

- D. C. T.—A. B. Kearney.
- D. V. T.—Miss Pearl Alwaters.
- D. Chap.—Rev. J. C. Cahill.
- D. P. C. T.—J. C. Hayes.
- D. Sec.—J. H. R. Simms.
- D. Mar.—J. Crain.
- D. D. Mar. Miss Mary Beattie.
- D. S. J. W.—Mrs. J. Tweedie.
- D. E. S.—H. Maskell.
- D. Treas.—Miss Ada Saunders.
- D. A. S.—Miss Amanda Hartley.
- D. Organiza.—Miss Beulah Phillips.
- D. P. C. T.—J. A. Hayes.
- D. Guard—Lewis Bloodsworth.
- D. Sentinel—Paul Salmon.
- D. Treas.—Miss Edna Kearney.

**A Craze And a Curse.**

(Wesleyan.)

These are the significant names given by the Presbyterian Synod to bridge whist, as played in Halifax. The report might have added: "and in many other places." The playing of cards for money or for prizes has (if reports be true) become alarmingly common and is proving a curse to social gathering. Gambling, in the homes by the women, and in the clubs by the men, is both a craze and a curse. We have heard of young women, ignorant of the game, practically coerced into playing and betting that they might be fleeced.

One such young woman, in this city (Halifax) is reported to have been invited to a house to dinner, and losing money at play, when she returned to her home she told her father and he sent the amount and added fifty cents for the young woman's dinner. Surely it is time for those within these circles who must disapprove of this "craze and curse," to call a halt and start a much needed reformation.

LADIES and Gentlemen this is your chance to get a pair of strictly High Grade Shoes at a very low figure, commencing Saturday, Oct. 23rd to Oct. 30th for the week only. Gibson & Ross are offering exceptional bargains. See their add in this issue, also see their window on Saturday the 23rd inst.

The pastor of a popular church in a suburban town received as a caller at his parsonage a young matron carrying in her arms a chubby-faced youngster.

"I want the baby christened," the mother said.

After the ceremony the clergyman started to write out the baptismal certificate required by the Board of Health. Forgetting for the moment the date of the month, he remarked to the mother, "this is the ninth, isn't it?"

"No, indeed, sir," replied the young matron indignantly; "it's only the third."

**A MAINSTAY FOR ALL MEN**

All Breadwinners Who Find Health Declining Should Take Dr. Williams' Pink Pills.

Thousands of men throughout Canada are suffering to-day from a deplorable failure of strength without knowing that they are the victims of nervous exhaustion. These signs are plain. The sufferer cannot keep his mind on work; passes restless nights, turns against food and cannot digest it, feels exhausted after exertion, while headaches and fits of dizziness often adds to his misery. These symptoms denote that the nervous system is weakened and insufficiently nourished. Dr. Williams' Pink Pills will promptly cure because they enrich the impure weak blood and thus give new strength and tone to the exhausted nerves. No other medicine can do this so promptly and so surely.

Mr. W. H. Hipson, East Pubnico, N. S., says—"For a number of years I was troubled with violent headaches. When these spells came on the pain was so severe that I feared I would lose my senses. At the outset these headaches would come on about once a week. I doctored for the trouble and did everything possible to get relief, but without avail and as time went on the attacks grew both in frequency and severity. The pain was terrible and with each attack seemed to grow worse. The only relief I could get was from a hot mustard foot bath, and the application of hot water and ammonia to my head: I would then have to be led to bed where I had to remain until the attack passed away. At this time Dr. Williams' Pink Pills were brought to my notice, and while I scarcely hoped they would cure me, I decided to try them. After taking a few boxes I found that the attacks were not so severe, and I joyfully continued taking the Pills until I had used ten boxes when every symptom of the trouble had passed away, and I was in better health than I had ever enjoyed before. It is several years since my cure was effected and as I have not had a headache since I feel that the cure is permanent. This is a plain statement of my case, but no words can tell what my sufferings really were and I believe that but for Dr. Williams' Pink Pills I would have been in my grave, for I could not have stood the pain much longer and doctors did not do me any good."

Dr. Williams' Pink Pills are sold by all medicine dealers or may be had by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

**Concert and Ball.**

The Woodstock band intending holding a concert and ball in the Hayden-Gibson theatre Monday evening November 1st. A very choice musical program is being prepared, and the concert will be worth hearing all the very latest and best music. Dancing will begin at 10 o'clock, music to be furnished by a first class orchestra.

**"About A Home."**

Have you ever thought how foolishly you are squandering your hard earnings in paying rent, while you might have a nice home of your own?

I can tell you an easy way and start you on any priced home you require.

I have two Particularly Beautiful places now—nice Orchards and Gardens—in a most desirable locality, that must be sold at a sacrifice. One, an excellent opportunity for raising vegetables, strawberries, etc., for the local trade. Any retiring farmer wishing to live in town should have this place.

Call and have a talk with me. It will cost you nothing. I know I can save dollars for you.

**J. W. ASTLE,**

The Reliable Real Estate and Insurance Man.

**Woodstock, N. B.**

Deeds, Mortgages, Bills of Sale Capias, Summons and Execution Blanks for sale at the Dispatch Office

Issus of \$5000 Shares. Par value \$1 each.

**Carleton Mining Co., Ltd.,**

(Incorporation applied for under the laws of the Province of New Brunswick.)

**CAPITAL STOCK \$99,000.00.**

The Company are desirous of pushing work on this property at once. They have reached a depth of 18 feet and have **uncovered a good body of ore.** The assays from the samples already sent away are more than encouraging. A large amount of money has already been spent on the property, and it is the intention of the Company to **take out a carload of ore and ship it to the smelters,** in order to get actual results from a quantity. To obtain money for this purpose they are now offering

**5000 Shares at 25c per share**

This is the first issue of stock and it will be impossible to secure any more shares at this price after this issue is taken up.

Assays of various samples, received from reliable assayers, prove beyond question that the ore contains Lead, Silver and Gold in big paying quantities. The last three assays received run **\$25.93** to the ton; **\$32.00** per ton, and **\$104.60** per ton in the above minerals. The assay certificates may be seen at the office of A. D. Holyoke.

The Provisional Directors of the Company are:

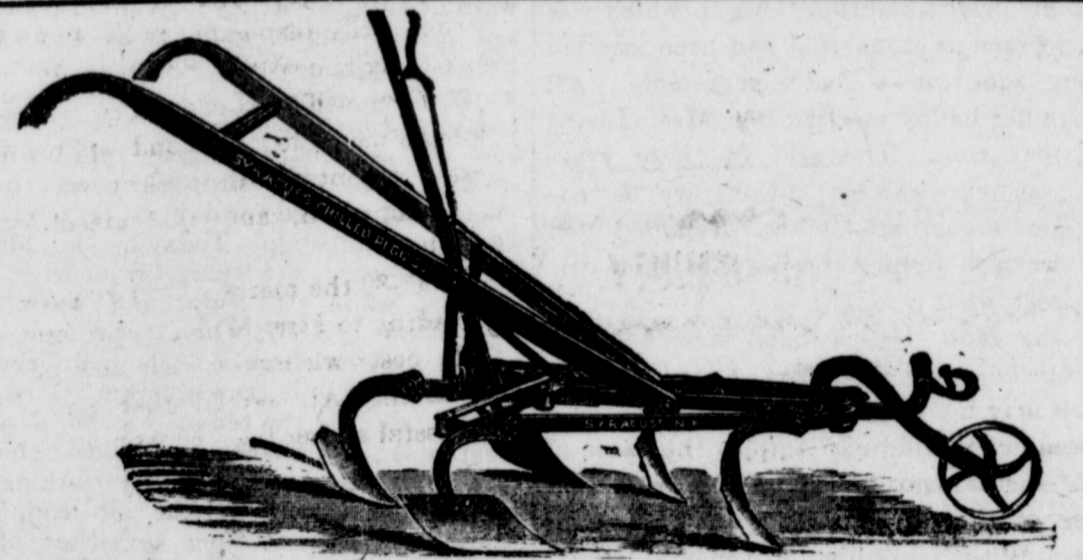

- HARRY G. NOBLE, Woodstock, Merchant.
- PERLEY T. KIERTEAD, Woodstock, Medical Doctor.
- WENDELL P. JONES, Woodstock, Attorney-at-Law.
- NEWTON S. DOW, McAdam Junction, Immigration Agent.
- JOHN J. ROGERS, Northampton, Farmer.
- EDWARD L. GREER, Woodstock, Miner.

The ore is there. The tracing by experts has proved that beyond question. Money is needed for the **proper development of the property.**

The money received from this issue of stock will positively be expended in taking out the ore for shipment.

Subscription list is now open. Applications received by

**A. D. HOLYOKE,**  
Insurance and Real Estate Broker,  
**WOODSTOCK, N. B.**
