Mr. Townsend of St. John representing "The Maritime Baptist" a newspaper which he claims is almost indispensable to every Baptist family in the Maritime Provinces, not alone for the religious information which is therein contained but for the emanations from the master minds of the denomination which finds a place in its columns. Rev. Mr. Calder also spent a day in the village. Rev. Mr. Johnston has accepted a call from the Tracy Mills church to remain for another year. He and Mrs. Johnston attended the service in the Baptist church in Centreville last Sunday morning at which Mr. Ferguson gave a very interesting account of the District Meeting at Connell and though the report was quite lengthy no one seemed to consider it tedious.

The rains of the past few days seems to have endowed all nature with a new life the fields having now a very pleasing appearance.

White offered as an amendment that the sum be reduced to \$906. but no one seconded the amendment and the vote being taken no one voted for the amendment and the estimate was then passed by the meeting. The trustees reported having engaged Mr. Baldwin to continue his services as principal for another year and Miss Pauline Bulloch for the Primary Dept. The meeting authorized the trustees to sell the old lot and building reserving the right however to occupy it for a few weeks if necessary at the beginning of the fall term. The rate payers should bear in mind that the present term is now closing and Teachers must be paid, and taxes must be forthcoming or more money hired.

The public generally are invited.
