TOO MANY WOMEN SUFFER IN SILENCE

When the Blood is Weak or Out of Order Disease is Inevitable.

Many women go through life suffering in silence—weak, ailing and unhappy. The languor and bloodlessness of girls and young women, with headaches, dizziness and fainting spells; the nervous ailments, back pains and failure of strength of wives and mothers; the trials that come to all women at the turn of life, are caused usually by impoverished watery blood. Dr. Williams' Pink Pills for Pale People have helped more women to the joy of good health and robust strength than any other medicine in the world. These Pills actually make new, rich, red blood, which reaches every part of the body, feeds the starved nerves, strengthens every organ, and makes weak girls and women bright and well. Mrs. A. Eagles, Dundas, Ont., says:—"I am writing this letter out of gratitude to let you know the great benefit Dr. Williams' Pink Pills have been to me. From the time I was a girl I suffered from weakness and fainting spells—was always doctoring but it did not help me. As I grew older I seemed to grow worse. My blood seemed literally turned to water. Sometimes I would faint as often as twice in a day. I suffered from indigestion. I could not walk upstairs without stopping to rest on the way, and my heart would palpitate so violently as to produce a smothering sensation. I grew so weak that people thought I was in consumption. I was in this dreadful condition when Dr. Williams' Pink Pills were brought to my attention and I began to take them. The first sign of benefit I noticed was an improvement in my appetite. Then I began to grow stronger; the color began to return to my face; the fainting spells disappeared and gradually I was brought to a condition of more perfect health than I had ever enjoyed before. This is what Dr. Williams' Pink Pills have done for me, and that they have been of lasting benefit is proved by the fact that it is several years since they restored my health, and I have remained strong and well ever since."

Dr. Williams' Pink Pills are a cure for all troubles due to impure or watery blood, such as anaemia, headaches and backaches, indigestion, St. Vitus dance, paralysis, etc. Sold by medicine dealers or by mail at 50 cents a box or six boxes for \$2 50 from The Dr. Williams Medicine Co., Brockville, Ont.
