

COUNTY COUNCIL.

(Continued from last week.)

AFTER RECESS.

Coun. Balmain spoke of the matter of the appointment of warden saying that last year as it appears the warden was appointed for the ensuing year the question of legality of the proceedings might arise.

The acting clerk consulting the minutes read the resolution referred to which provided that the appointment be for the ensuing term.

The warden could not remember of any warden during the time of his being at the council who had been appointed for one year. A Councillor—Warden Fleming was for the term of the council.

Warden—The sec-treas had stated that warden should be elected for the life of the council.

Coun. J. R. Brown referred to a strife between W. S. Saunders and C. E. Gallagher some years ago when a compromise was reached by which one should serve for one year and the other for the next year. Since that time that rule prevailed. He thought this rule should have been followed the present year.

Coun. Williams said that the old law was service during the life of the council, but the council was then for one year. When the two year life of the council was adopted no provision was made. It was his opinion that Mr. Fleming was re-elected the second year. His impression was that re-election for the second year was necessary.

Coun. Gillmor thought if there was any doubt the safe way would be to re-elect Coun. Shaw.

Coun. Rideout thought if there was no change as to the length of office of the warden when the two year term came in force, the tenure of office would be for one year.

Coun. Balmain felt satisfied that the motion last year was for one year. He construed the Act that the tenure should be for the life of the council, but other councillors and the sec-treas. differed from him.

Coun. Tompkins favored the one year term as being at least an unwritten law.

Coun. Lamont distinctly remembered that it was intended that the position was given for one year. Mr. Vince being asked said that a speaker was appointed for the life of parliament and the rule should hold with respect to the County Council, was his opinion.

The warden was satisfied that the sec-treas. expressed the opinion that the tenure of the wardency was for the life of the council, and on that he had accepted the office. He did not want to hold the office against the wishes of the council, but he greatly appreciated the honor.

Coun. Balmain did not bring the matter up with an expectation that there would be a change in the chair, but because he recollected certain circumstances bearing on the matter. Mr. Hartley had given an opinion two years ago that the election should be annual, whatever opinion he gave last year.

Coun Stevens thought everything done this morning was perfectly legal.

The warden said it never was intimated to him that any other gentleman was an aspirant for the office this year.

As a Family Medicine.

For Biliousness, Constipation and Kidney derangements Dr. A. W. Chase's Kidney Liver Pills easily Stand First.

Lots of suffering would be avoided and much serious disease prevented if every family did as the writer of this letter suggests.

She has found out from experience with many medicines that there is nothing so good as Dr. A. W. Chase's Kidney Liver Pills as a family medicine for biliousness and constipation.

Such diseases as Bright's disease, diabetes and appendicitis almost invariably arise from neglect to keep the liver, kidneys and bowels regular.

This emphasizes the wisdom of keeping Dr. A. W. Chase's Kidney-Liver Pills constantly on hand.

For a long time I suffered from liver complaint and biliousness and could find nothing to help me until I used Dr. Chase's Kidney-Liver Pills. I have recommended these Pills to many of my friends and they have all been well satisfied with the results. You can use this letter for the benefit of women who are suffering as I did.—Miss Julie Langlois, Manor, Sask.

Dr. A. W. Chase's Kidney Liver Pills.

Coun Bradley thought this was a small matter to occupy the people's time.

Mr. Colpitts, Scott Act Inspector was now heard, and submitted his annual report.

Mr. Colpitts said we would have been in better position only the Magistrate was sick for the past three months and that had impeded matters.

To Coun Williams who asked what was done with the six cases at Centreville which were appealed (Perkins) he could not exactly remember, but thought the cases were lost. He would ascertain later.

A committee composed of Couns Lamont, Rideout and Owens was appointed to consider Mr. Colpitts report tonight and report tomorrow.

On motion of the councillors from Richmond, Mr. John McLean was heard before the board. He read the following petition from the people of West Richmond along the boundary line:—

To Frank R. Shaw, Esquire, Warden and the Honorable other Councillors of the Municipality of Carleton.

The memorial and petition of the undersigned ratepayers and residents of a portion of the Parish of Richmond in the County of Carleton.

We memorialize your council as follows:—

1. That for a great many years The Canada Temperance Act has been in the County of Carleton and during all that time, up to and including the present time, it has been more or less openly violated in that portion of the Parish of Richmond on the Houlton Road near the International Boundary Line between the Province of New Brunswick and the State of Maine.

2. That the officials in the State of Maine have succeeded in closing or putting out of business all the establishments dealing in intoxicating liquors on their side of the line on the Houlton Road but the condition of affairs in the Parish of Richmond on the said Houlton Road, notwithstanding the efforts that have been made, are as bad as ever they were if not worse at the present time.

3 That hand in hand with the traffic in violating the said Canada Temperance Act in this vicinity have gone on and now go on

Make it Yourself.

There is so much Rheumatism here in our neighborhood now that the following advice will be highly appreciated by those who suffer.

Get from any good pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon, three ounces of Compound Syrup Sarsaparill. Shake these well in a bottle and take in teaspoonful doses after each meal and at bedtime; also drink plenty of good water.

It is claimed that there are few victims of this dread and torturous disease who will fail to find ready relief in this simple home-made mixture, and in most cases a permanent cure is the result.

This simple recipe is said to strengthen and cleanse the eliminative tissues of the Kidneys so that they can filter and strain from the blood and system the poisons, acids and waste matter, which cause not only Rheumatism, but numerous other diseases. Every man or woman here who feels that their kidneys are not healthy and active or who suffers from any urinary trouble what ever, should not hesitate to make up this mixture, as it is certain to do much good, and may save you from much misery and suffering after while.

Our home druggists say they will either supply the ingredients or mix the prescription ready to take if our readers ask them.

Other evil and criminal practices in violation of the law of the land.

4. That notwithstanding the recent amendment to the Canada Temperance Act prohibiting the importation of intoxicating liquors into this Municipality, these places in the Vicinity of the Line as aforesaid have been regularly supplied and it is quite a common occurrence to see on the public road teams engaged in the transportation of the stock necessary to carry on their business.

5. That in consequence of this condition of affairs the influence for evil on the community has been very great and incalculable damage is being done to the residents of the locality, and on account of the said business and the congregation of bad men and bad women in the locality and the more or less presence of bad men and bad women as a result of the business ordinary travellers, especially ladies, are timid about travelling on the said road.

And we petition your honorable body as follows:—

That you do not let this condition of affairs exist longer but so instruct your officials, attorneys and agents that immediate steps will be taken by information indictment or other criminal prosecutions or by the selection of new officials and agents or otherwise, to have all persons concerned in the condition of affairs now existing in the said locality debarred or prevented from further carrying on the said business that we may not sustain further financial or moral damage and that we may not be put to shame by comparison with the condition of affairs on the Houlton Road in the vicinity of the said Line in the

"I can truthfully say that I believe that, but for the use of your Emulsion I would long since have been in my grave. I was past work—could not walk up-hill without coughing very hard."

THIS, and much more was written by Mr. G. W. Howerton, Clark's Gap, W. Va. We would like to send you a full copy of his letter, or you might write him direct. His case was really marvelous, but is only one of the many proofs that

Scott's Emulsion

is the most strengthening and re-vitalizing preparation in the world. Even in that most stubborn of all diseases (consumption) it does wonders, and in less serious troubles, such as anemia, bronchitis, asthma, catarrh, or loss of flesh from any cause the effect is much quicker.

Do not delay. Get a bottle of SCOTT'S EMULSION—be sure it's SCOTT'S and try it.

ALL DRUGGISTS

Let us send you Mr. Howerton's letter and some literature on Consumption. Just send us a Post Card and mention this paper.

It seemed to him that petition said enough it was signed by 60 or 70 rate-payers. It was believed that many members of the board did not know of the conditions that prevailed. A lawless and irresponsible gang was at the very doors of the petitioner. Things instead of getting better are getting worse. This last year was the worst there has been along the boundary line. The people of that section are unanimous in their disapproval and condemnation of the whole business. All the traffic is on our side of the line. He saw a team load of the stuff going by his door yesterday. The petitioners looked to the council to see that these places were stamped out.

Coun. Flemming asked if it was true as Mr. Colpitts said that certain men had been driven out.

Mr. McLean said they were not driven out but went quietly out. One man went out because he found competition too keen.

Coun. Flemming wanted to know if the same men were in the traffic that Mr. Colpitts spoke of being driven out.

Mr. McLean—I am not here to criticize Mr. Colpitts if he discharges his duty.

Coun. Williams—Have you reported this to Mr. Colpitts.

Mr. McLean—I have notified Mr. Colpitts and I supposed others have.

Coun. Balmain—Can you suggest any remedy?

Mr. McLean—It would be presumptuous for me to advise the council in their duty.

Mr. Colpitts—I have received very little assistance except from Mr. McLean. It must be remembered that I have to have a search warrant in these cases in matters of searching and seizing. In the Ledbetter case, two first and one second offence were recorded against him; against Radcliffe three first and two second. He believed Ledbetter and Wise were gone. We drive out one and

A LONDON DOCTOR

Tells How to Cure Stomach and Liver Troubles.

A distinguished London physician during the course of a recent lecture on stomach and liver troubles, gives the following advice:—

"Be moderate in the use of heavy, rich foods. Do not eat hurriedly, and thoroughly masticate the food. If your habits are sedentary, take a moderate amount of exercise before retiring and immediately upon arising. Do not use strong cathartic pills, many of which are advertised as sure cures, but in reality do injury by weakening the system. If you find it necessary to use any laxative, stick to the old-fashioned vegetable mixture, viz:—

Fluid Extract Cascara..... ½ oz. Syrup Rhubarb 1 oz. Carriana Compound 1 oz. Compound Syrup Sarsaparilla 5 oz.

Take one teaspoonful after meals and at bedtime.

This acts in a gentle, natural way, and is free from the weakening effects of strong purgatives.

The ingredients can be bought separately, and anyone can mix them at home. This information will be of benefit to our readers and is worth keeping.
