Hiram Cook, a well-known farmer of Rockland, died on Friday evening at the home of his daughter Florence, wife of Beecher Stewart of Ashland. He was about seventy years of age and leaves besides his daughter, one son, T. Perley Cook, of Rockland. Mr. Cook's wife died a few years ago. She was a Miss Isabel McBurney. Charles Cook of Knowlesville, Jud Cook of East Coldstream are half brothers, and Mrs. Joseph Clouse of Somerville, is a half sister. The funeral was held at Rockland on Sunday.

After closing a very successful series of special services at Bath, Rev. B. Beatty, evangelist for the N. B. Baptist Association, has begun revival services at Windsor. Windsor is one most prosperous sections of the county, and its people are thrifty and progressive; but while they had a union meeting house there has not for many years been a regular pastor attendant upon the spiritual needs of the people. At one time Windsor was included in the Hartland circuit of the Methodist church, or rather, Hartland was a part of the Windsor circuit, for the Methodist minister had his residence there. Times have changed, however, and at the present there are few, if any, Methodist people at Windsor.

Notwithstanding Woodstock, Centerville, and other towns say that the Holiday trade was not up to the average, Hartland merchants still affirm that the trade never before was so good. This might go to show

that trade in general was decreasing throughout the county to Hartland's advantage. Certainly the number of strangers coming here to trade is daily increasing throughout the county to Hartland's advantage.

William Bailey of Fredericton was visiting at the home of Aaron Craig last week.

Rev. C. Frank Rideout has returned to Nova Scotia after spending the holidays at the home of Aaron Craig last week.

Rev. C. Frank Rideout has returned to Nova Scotia after spending the holidays at Middle Simonds and other places in the vicinity.

**NEW STRENGTH FOR WEAK GIRLS**

Can Be Had Through the Rich, Red Blood Made by Dr. Williams' Pink Pills.

There comes a time in the life of almost every girl when sickness attacks her. The strain upon her blood supply is too great, and there comes headaches, loss of appetite, attacks of dizziness and heart palpitation, and a general tendency to a decline. The only thing that can promptly and speedily cure these troubles is Dr. Williams' Pink Pills. This is the only medicine that actually makes new, rich, red blood, and a plentiful supply is the one thing needed to maintain the health of growing girls and women of mature years. The truth of this statement is proved in the case of Miss Esther E. Sproule, Truemanville, N.S., who says: "At the age of sixteen years I left my country home to attend high school. The close confinement and long hours of study nearly broke me down. My blood supply seemed to be deficient, and I grew pale and depressed. I was dizzy nearly all the time, and pimples broke out on my face. I was altogether in a miserable condition and it seemed impossible for me to continue my studies unless I found a speedy cure. I tried several tonics prescribed by the doctor, but they proved useless. My mother urged me to try Dr. Williams' Pink Pills, and I finally consented to do so. I had hardly finished the second box before a change for the better took place, and the use of a few boxes more fully restored my health, and I have since been well and strong. I feel that I can not say too much in favor of Dr. Williams' Pink Pills, and I strongly recommend them to other ailing girls."

You can get these Pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
