Scott Act Judgement.

In the Supreme Court at Fredericton on Friday last judgement was delivered in the case of Charles A. McKeen against Banfred Colpitts in favor of Mr. Colpitts.

This was an action of replevin in which Mr. McKeen claimed certain liquors which had been seized by Mr. Colpitts from the Railway Station of the Canadian Pacific Railway Company under a search warrant as having been illegally imported into the County in violation of the Canada Temperance Act. A writ of replevin was executed by Sheriff Tompkins at the instance of Mr. McKeen and the liquor was seized and taken from Mr. Colpitts by the Sheriff. The matter came up before Judge Carleton and he decided that Mr. Colpitts had no legal right to seize the liquor. The case was argued before Judge Carleton for Charles A. McKeen by J. C. Hartley and L. A. Currie K. C. and for Banfred Colpitts by W. P. Jones K. C. This decision of Judge Carleton was appealed by Mr. Jones to the Supreme Court and the judgement of the Court is that such decision be set aside with costs and that the liquor be returned by the Sheriff to Mr. Colpitts.

Deceased is survived by a sorrowing husband and eight children, four sons and four daughters. The sons are Charles and Silas, of Island Falls, Me., and Robert and Frederick, of Benton. The daughters are Mrs. A. Bragg of New Limerick, Me.; Mrs. Joseph Clarke, of Snyrna Mills, Me.; Mrs. Boardman Dunphy, of Island Falls, Me., and Mrs. H. H. Graham of Benton. The funeral, which was largely attended, took place on Friday forenoon. Services were held at the church and grave by Rev. J. E. Flewelling, and interment was made at the Church of England cemetery.

Reformed Baptist Church News.

The Reformed Baptists organized a church on Friday night, April 23rd, at Gordonsville. On that afternoon two converts were baptized by Rev. S. A. Byler.

The Rev. Dr. Saunders baptised thirteen converts at Millville on Sunday last as a result of the revival services being held there.

Rev. P. J. Trafton has accepted a call to the Fort Fairfield Church for another year. M. A. Trafton preached at the Needles, B. C., Sunday last.

Rev. G. B. Macdonald, Meductic, leaves today for Grand Manan to attend a quartely meeting.

Death of Mrs. Agnes Else.

The death occurred on Wednesday last of Mrs. Agnes Else at Rockland. She was first Miss Agnes Carter and married the late Estabrooks by whom she bore a number of children. Those surviving are Arthur S. Estabrooks, merchant, Mrs. Allen Waters, Misses Hannah and Alvaretta. The second husband has been dead a long time. Deceased was 68 years of age and had been an invalid for about a year. The funeral, on Friday, was conducted by Rev. J. H. Copeland. The pall bearers were four nephews: Enoch, Ralph and Chesley Estabrooks and Calvin Carter.

Committed Suicide.

Evidently weary of life, Robert Glendennig, a man of about 70 years of age, living with his son Andrew, at Howard Brook, in the parish of Brighton, went to the barn on Thursday last and hanged himself from a beam. When found the man was dead and cold. He leaves three sons, Andrew, Robert and John, and two daughters, one the wife of Daniel Melvin, and the other living with Andrew.

On account of the "weather" and "roads" being very bad since we offered the reduction on our \$4.50 photos for \$2.99, we have decided to continue the reduced rates for the balance of this month, giving our customers two weeks longer. Don't fail to take advantage of these cheap rates as they are just as good as though you were paying full price for them. Positively no reduction after April 30th. Just as good negatives can be made on "cloudy" days as on "bright" days. Within a week we will also be making "Ping Pong Photos" at the popular price 25 pictures for 25 cts. Will Manage Woodstock Creamery.

Our Creamery will open about May 1st. The prospects are good for a large output of butter as never before in the history of the enterprise was the interest so widespread as at the present time. We regret that Mr. Geo. W. Ransom has severed his connection with the creamery, as he has been managing the business during the past eight seasons, and is in every particular a number one man.

A reception was given him on Thursday evening last, which was a very pleasant occasion. Mr. Ransom will be missed in this community, for not only did he conduct the creamery business in a first-class manner, but was always ready to assist in any way that tended to promote our social and religious life. We wish him every success.—Scotburn, N. S. Cr. New Glasgow Standard.

Mr. Ransom has been in town for the past two weeks making arrangements for opening the Woodstock Creamery. Carpenters and painters are at work renovating the creamery building. Mr. Ransom comes to Woodstock highly recommended and with the Co-operation of the farmers of Carleton County will no doubt make this a successful industry.

Serious Accident.

A serious accident occurred about eleven o'clock near the round house in the C. P. R yard on Tuesday morning.

Four machinists, John McElvany, Harry Cox and Messrs. Allan and Flay had removed the piston from an engine for repairs when it became overheated and burst with terrible force. Cox and McElvany were seriously injured and Allan and Flay slightly.

Dr. Rankin was summoned and after rendering what aid he could, had Cox and McElvany removed to the hospital.

Mr. McNitch, the foreman, said it was one of the unaccountable accidents that sometimes happens and that no blame could be attached to anyone.

The Gibson Branch.

The citizens of Fredericton, especially those whose business takes them over the Gibson Branch, are agitating for a better service. As the matter now stands, the train leaving St. Mary's at 8.30 a. m. does not arrive in Woodstock until 12.45 p. m., 62 miles in 4½ hours. Recently the new superintendent, Robt. King, has put on an express train on the Gibson Branch, but it is said that this is only temporary, during the bad condition of the road at this season of the year. The citizens of Fredericton and Woodstock are certainly entitled to a quicker and better train service on this branch.

At the meeting of the Woodstock Board of Trade last Thursday evening a resolution was passed asking the C. P. R. authorities to continue the present arrangement.

The Valley Railway.

A large delegation from Woodstock and other places in Carleton county went to Fredericton on Friday evening and met the Government late the same night in reference to the St. John Valley Railway.

The speakers for the delegation were ex-Mayor George Balmain, B. Frank Smith, ex-M. P. P., Dr. Rankin and Rev. George D. Ireland.

The principal point urged was to have the legislation passed at this session to grant the bond guarantee of \$25,000 per mile on condition that the I. C. R., or a transcontinental railway would take over the line and pay 40 per cent. of the earnings as rental, so that, if during recess the Dominion Government should decide to take over the road and make it a part of the I. C. R. system, the work of construction would not be delayed, but could proceed at once.

The delegation also impressed upon the Government the necessity of having the line run through to Grand Falls or some other point on the Grand Trunk Pacific, rather than have it stop at Centreville, as had been the idea under previous legislation.

The Premier promised that the Government would give the most careful consideration to the requests of the delegation.

Address And Presentation.

A number of the friends of David Hipwell, who has moved to St. John, called upon him at the Turner House on Monday evening last, and, through J. P. Malaney, presented him with the following address accompanied by a handsome initial gold ring:

To D. Hipwell, Esq.
Dear Friend:—It is needless for us to say that we regret to learn that yourself and family have decided to remove, solely for business reasons, from the fair town of Woodstock to the larger city of St. John. We would certainly be much discouraged if we thought your stay in that city would be permanent, but we have hopes that sometimes you will again return and make your home in Woodstock.

In social and business life we have at all times found you agreeable and honorable and the model type of a good citizen. In leaving us you can rest assured that yourself and family have won a warm place in the hearts of our people.

We cannot let you go without in a small measure testifying to the esteem in which you are held, and we would ask you to accept the accompanying gift to remind you of the many friends you have left behind in Woodstock, where yourself and family have spent so many pleasant days.

With best wishes for the future happiness of yourself, your esteemed wife and family, we remain E. R. Teed, Rankin Brown, I. E. Sheasgreen, James Hamilton, John MacDougall, A. D. Holyoke, Geo. E. Balmain, Loggie Ross, J. A. Gibson, J. T. A. Dibble, B. B. Manzer H. Baird, C. R. Watson, A. G. Bailey, A. W. Hay, Wm. Hamilton, R. S. Welch, Geo. W. Gibson, C. G. Munro, R. E. Holyoke, Wm. Glidden, J. P. Malaney, I. W. Fisher, H. D. Stevens, W. S. Sutton, Harry Stevens and many others.

Mr. Hipwell replied in feeling terms stating that it was comforting to feel that so many friends were expressing their regrets at their departure. It was twenty-nine years since he came live in Woodstock and will always look back on them as the best years of his life. He expressed the hope that Woodstock would prosper and that the line of railway now proposed would become a reality, and that the people generally throughout the County would experience an era of prosperity. He trusted that all political difference would be eliminated and better harmony prevail. In closing he thanked his friends on behalf of himself and family for their expression of hearty good will.

Destructive Fire at Edmunston.

About 5.50 Sunday morning the court house at Edmunston was discovered on fire. The blaze spread with great rapidity to the out-buildings and residence of the sheriff, completely gutting the entire buildings. The sheriff's family, who narrowly escaped, fled in their night robes and sought shelter with neighbors.

The Bank of Montreal was nearly out of reach of the fiery tongues, yet the terrific heat broke the windows and blistered the woodwork, which was in immediate danger of igniting.

Many valuable papers and records both of municipal and private practitioners were lost in the destructive blaze. Messrs. Stevens and Lawson, Michaud and Cormier and Mr. Plant, lawyers of Edmunston, lost valuable manuscripts. For one hour and a half the buildings burned until only ashes remained. Every available means were used to battle with the destructive elements, but all unsuccessfully. Fortunately there were no accidents, although the loss must be considerable. It is believed that the buildings were insured for about \$4,000. The fire is supposed to have caught through the overheating of furnace.
