Would You Rather Buy Your WALL PAPER

From a book peddler; pay him his profit, express charges, the jobber's profit, (for he cannot buy from a manufacturer) freight from factory to jobber, and nine cases out of ten not have enough and pay the extra expense of getting another roll, or have too much and have to buy more than you want.

OR

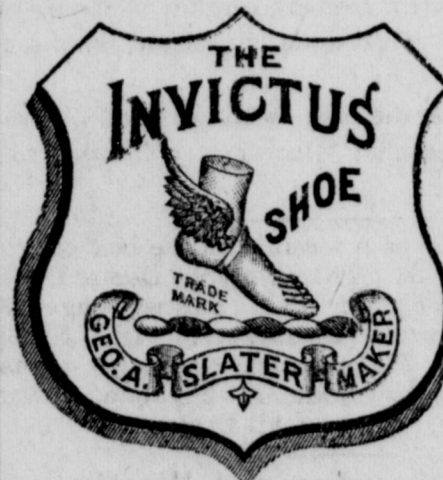

Buy from us who buy direct from factory; have all the new designs and colourings, and if you have a roll too much you can return it and get your money back. **THINK IT OVER.**
