TEAS grown at high altitudes on the mountain slopes of Ceylon, where the growth is slower and cultivation more careful than in the warm, humid climate of the valleys, are used in "Salada" Tea. High-grown tea like "Salada" is not only of a finer quality, but contains more of the essential oil in the leaf than valley-grown tea. This is easily proved by comparing a drawing of "Salada" Tea with any other.

Where Quality Counts.

THE reputation of a Druggist depends largely upon the quality and the class of Drugs and other merchandise he is known to sell.

Quality is the first thought here.

The perfect quality of all our many

lines of Drug Store Goods has created a reputation of value to us. Medicines, Drugs, Chemicals, Toilet Articles, Rubber Goods, Sick Room Supplies,

All are of the best. All are carefully selected for class and grade. And this perfect quality costs the buyer no more than the unreliable kind.
