A TELEGRAM was received here on Tuesday announcing the death of Garnet Baird, only son of Mr. and Mrs. H. Paxton Baird. His death took place on Monday at the home of his parents in Toronto, after a long illness of consumption. He was about 26 years of age, and besides his parents is survived by two sisters, Mrs. (Dr.) Hathaway and Katie at home. Deceased spent several years in the west at various occupations. For a long time he was an inmate of the Muskoka Cottage, Gravenhurst, Muskoka, and about a month before his death was taken to his father's home. Many young friends here will regret to hear of his death.

ONE of our enterprising citizens, Alex Dunbar, sr., accompanied by his good lady and their son, Harry, left on Friday last on a trip to their old home in Scotland. We wish them a pleasant voyage and a very enjoyable trip in every way. They will doubtless find many changes since they last visited their old home, some sad and some joyous, and we trust they will be spared to return to spend many years in their Canadian home on the banks of the Rhine of America. As we understand Messrs. Dunbar & Co., have large contracts to fill for their celebrated log hauling engines, it is probable Mr. Dunbar will have an eye to business as well as pleasure and will probably make some good contracts for supplying the above named engines.
