

HARTLAND and VICINITY.

Hartland office in charge of Fred. H. Stevens. Telephone 13-11. Mrs. J. W. Montgomery will also receive items for publication, copy for ads., etc.

WOODSTOCK, N. B. MAR. 17, 1909.

A party of village young people enjoyed themselves at the residence of Owen Clark for a few hours on Thursday evening.

Miss Lou Smith, who has been the guest of her sister, Mrs. Percy Graham, returned to Woodstock on Thursday.

Mrs. T. G. Simms is visiting her sister at Nashwaaksis.

J. W. Montgomery was in Woodstock Friday and Saturday.

Dudley Day, of the Exchange Hotel, East Florenceville, was in the village the other day.

Mrs. Wordy Thornton has gone to Fort Fairfield to join her husband, who has a permanent situation there.

On Friday Mrs. D. W. Foster returned from Fredericton where she had been with her husband since his severe injury received while at work on the G. T. P. Mr. Foster was able to leave the hospital on Monday and returned to his home at Middle Simonds. The cut he received was a very bad one and necessitated daily attendance of the physician. Mr. Foster's friends hope he may have a full and speedy recovery.

On Monday evening of last week Mr. and Mrs. S. S. Miller entertained a small party of friends, including Mr. and Mrs. Percy Graham, Dr. and Mrs. Curtis, Miss Curtis, Miss Smith, of Hartland; Mr. and Mrs. Fred Boyer and Mr. and Mrs. Harry Cochrane of Victoria.

W. H. Banks and Roy Fenwick of St. John were in Hartland on Thursday.

Mrs. G. C. Watson was in Fort Fairfield recently, the guest of Mrs. Archie B. Harmon.

A break-down in Flemming's mill on Thursday, kept the machinery silent for a few days.

The Hollander who was so badly injured in a dynamite explosion on the G. T. P. on Feb. 27 died at the Commercial hotel on Tuesday morning of last week. His remains were buried in one of the local cemeteries on the following day. The other man, Gordon, a scotchman, who at the same time was terribly wounded, is still at the Commercial, making slow progress toward recovery. His injuries were of such nature that a long time must elapse before he can be able to work.

Mr. McDougal, travelling representative for the Magnet Cream Separator Co., was in Hartland last week.

F. S. Creighton of the Frost & Wood Co., was looking after the coming season's business here a few days ago.

A. F. Lockhart of Hatford was in the village a few days last week.

The handsomest souvenir that has ever been published with the St. John river as the setting is a new postal letter just put out by Estey and Curtis Co., Ltd., of Hartland. It is a long folder containing perfect halftone prints of the bridges and reversible falls at St. John, the Parliament buildings at Fredericton, Pokiok Falls, Woodstock, Hartland, East Florenceville, Andover, and Grand Falls. The beautiful printed memento costs only ten cents.

A special freight was derailed at Currie's siding on the Tobique Valley road last Friday morning. Five cars were pretty badly done up. The McAdam wrecking train was called and found a long tedious piece of work getting the track passable again.

Harry McPherson came from Fredericton last week to take a situation with B. C. Rideout as barber.

When you want good tea, try Chase's.

On Friday evening a driving party of Hartland people went over to the home of David Shaw and spent a most pleasant time. There were C. Humphrey Taylor, M. L. Hayward, H. H. Smalley, J. F. Murdoch, and their better halves, Mrs. Henry Bradley and Mrs. C. E. Allen. Refreshments consisting of sandwiches, cake and coffee were served.

Mr. and Mrs. Archie Starkey of Boundary Line, have been visiting at the home of Mrs. Starkey's brother, Granville Nevers.

C. R. Watson and T. A. Lindsay of Woodstock, were in Hartland on Saturday.

Artur McKeuzie of St. Stephen, was here in the interest of Ganong Bros., on Friday.

On Saturday's express another car of western horses passed north to Fort Fairfield. This makes six carloads of horses and mules that have come via the C. P. R. for the same point. Formerly the horses were brought into Aroostook county via the B. & A., but all the county has a groutch with that company and a boycott of considerable magnitude is held, although our Yankee cousins do not use that term in this case. The car that went up Saturday contained 28 horses and mules, consigned to A. P. Libbey. Eighteen spans of Missouri mules have lately been sold in Fort Fairfield.

Miss Winnie Nevers spent Saturday to Monday at Middle Simonds, the guest of

Mrs. Tilley Shaw.

The Adventist quarterly meetings at Middle Simonds lasted from Saturday to Monday and were attended by Rev. Messrs. Kearney, Corlies and French, besides a great number of people from the country round about.

Miss Maude V. Henderson spent Saturday to Monday in Woodstock.

Miss Lulu VanWart has been spending a week at East Florenceville.

Elder Kirkpatrick spent Sunday to Monday with his friend at Canterbury.

Miss Ricker of Gibson has been the guest of Miss Pearl Hamilton. Miss Hamilton has left the Rigby Hardware Co. to take a position with Hagerman & Baird.

Frank T. Bixby, St. John, was in Hartland on Saturday.

Mrs. John Farley of Bristol has been the guest of Mrs. David Shaw at Middle Simonds, and friends in Hartland.

Mrs. Charles Oliver, of Watt Jct., has been visiting her daughter, Mrs. Scott Sipprell. She returned home on Monday.

W. R. Gillin returned on Monday from a visit in Montreal, Toronto, Boston, New York and Philadelphia.

On Sunday the Scarlet Chapter of Carleton (north) L. O. A. met here and held a pleasant session. B. R. Clark of Mount Pleasant was the presiding officer, and, assisted by A. A. Belyea, initiated into the degree E. C. Morgan, J. H. Barnett and P. H. Boyer.

Charles W. Hurst suffered a severe loss by fire on Sunday afternoon by the loss of his henery. The building was about 20 x 90 feet in size and was finely fitted up for the work. About sixty hens and a cow were domiciled in the building at the time but all but one fowl were got out safely. The loss, however, was in the vicinity of \$500 with only one hundred insurance. At the time of the fire Mr. Hurst was lying asleep in the house, the other members of the family being at Sunday school. He was awakened by the fire-bell and made a dash for down town not thinking the fire was on his own property. On Saturday he had purchased a large load of straw and was unable to get it all into the loft. Part of it was left outside the building and he thinks a spark from the flaw fell on the pile and the burning resulted in that manner. The buildings are situated outside of the fire corporation so that the only means of putting out the blaze was a hastily organized but efficient bucket brigade. The residence was in great danger, but a big crowd gathered quickly and saved it. Rev. and Mrs. F. McClellan of Caribou were guest of E. C. Morgan and wife on Thursday.

Potatoes were in good demand on Monday. Some local dealers were paying \$1.10, at which price they have been standing for some time, while in a special case some farmers received \$1.20 and \$1.25. Oats are scarce and the dealers pay 48 cents willingly. Hay, pressed, brings \$7.00 to \$8.00. Butter 18 to 20 cents; eggs, 23 to 25 cents. The first half of March gave us more fine weather than we have had since the year began. Most people hope the good work will continue.

Encouragement marks the labours of the pastor and members of the Baptist church in the special meetings that are going on.

Mrs. Robert Blackie was the guest of Mrs. D. E. Morgan on Thursday.

Mrs. Asa D. Kennedy, who has been such a sufferer from blood-poisoning is well on the way to complete recovery.

Somerville is likely to have a building boom this summer. Joseph Clowes has sold for a good round price three building lots fronting on the main road, near the bridge road, and it is the intention of the buyers to build as soon as the season is sufficiently advanced to warrant the undertaking. James S. Faulkner, A. G. Baker, and one of the Lasky's are the prospective builders.

USING PURGATIVES INJURES THE HEALTH

In the Spring a Tonic is Needed— But Not Harsh, Drastic Medicines.

A spring medicine is an actual necessity to most people. Nature demands it as an aid in carrying off the impurities that have accumulated in the blood during the indoor life of winter months. But unfortunately thousands of people who recognize the necessity for a spring medicine do not know what is best to take and dose themselves with harsh, gripping purgatives. This is a serious mistake. Ask any doctor and he will tell you that the use of purgative medicine weakens the system but does not cure disease. In the spring the system needs build-up—purgatives cannot do this; they weaken you still more. The blood should be made rich, red and pure—no purgative can do this. What is needed in the spring is a tonic, and the best tonic medical science has yet discovered is Dr. Williams' Pink Pills. Every dose of this medicine actually makes new, rich blood. This new blood strengthens every organ, every nerve, and every part of the body. This is why they cure headaches and backaches, rheumatism and neuralgia, and a host of other troubles that come from poor watery blood. That is why men and women who take Dr. Williams' Pink Pills eat well, sleep well, and feel bright, active and strong. If you need a medicine this spring try this great reviving tonic, and see the new life, new health and new strength it will put into you. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

Fire at Mainstream.

On Sunday evening fire destroyed a large barn belonging to the estate of the late Wesley Shaw, at Mainstream, about six miles back of Hartland. It was burning furiously when discovered so that none of the contents were saved. The loss included twelve sheep and nine lambs, a threshing machine, three sets of harness, and other property. The farm is being run by Harry Shaw, since the sickness and death (two weeks ago) of his father.

GOING OUT OF BUSINESS!
