On Thursday Rev. Mr. Bell who has been holding revival services in the Methodist church at Woodstock, and Rev. R. G. Fulton, the pastor came to Hartland and held a meeting in the Methodist church. There was a very large attendance and Mr. Bell preached an earnest and eloquent sermon from the text: "What shall we do with Jesus?" The reverend gentlemen were accompanied by Mrs. Bell Mr. and Mrs. D. W. Matheson, Mrs. W. N. Hand, Mrs. A. W. Hay, Mrs. Harry Mooers and others. They returned to Woodstock on the express.

Miss Smith of Woodstock has been visiting her sister, Mrs. Percy Graham. Mr. and Mrs. Graham intend taking a trip to England, visiting Mr. Graham's parents there. They will leave within two weeks.

James Gillin who was suffering from blood-poisoning, had the first joint of the fore-finger of his right hand amputated last week, the physician hoping thus to stay the progress of the disease.

Miss Helen Hayden of Somerville, who has been seriously ill, is reported convalescent, much to the satisfaction of her friends.

On Friday G. D. Nixon's horse, attached to a sleigh, and left standing at the door of S. Hayden Shaw, bolted and ran up town at furious rate. After recklessly mingling with other conveyances the shafts of the sleigh became detached. More frightened than ever the horse galloped across the bridge and was caught by Warren Rideout half a mile up the road. Considering all the excitement created there was little damage done.

Mrs. D. A. Aiton of Riley Brook has been visiting her parents, Mr. and Mrs. S. R. Hayden, Somerville.

Mrs. T. W. Baker of Somerville, who has been so seriously ill at the home of her sister, Mrs. Dell Laurance at Wilnot, is now considered to be out of danger.

THE REMINDERS OF RHEUMATISM
Cold, Wet Weather starts the Pain
But the Trouble is in the Blood.

Cold, damp weather brings on the twinges and pains of rheumatism, but is not the real cause of the complaint. The trouble is rooted in the blood and can only be cured by enriching the blood and driving the poisonous acid out of the system. This is a great medical truth, which every rheumatic sufferer should realize. Liniments and outward applications can't cure the trouble—they can't reach the blood. The sufferer is only wasting valuable time and good money in experimenting with this sort of treatment—and all the time the trouble is becoming more firmly rooted—harder to cure. There is just one sure way to cure rheumatism—Dr. Williams' Pink Pills. They act directly on the impure, weak blood. They purify and strengthen it, and so root out the cause of rheumatism.

Mrs. S. Bailey, Newcastle Creek, N. B., says:—"In the summer of 1906 I became lame in my ankles, but thinking I would soon get over the attack I did not seek medical aid, but used liniments to allay the pain and swelling. Instead of getting better the trouble increased and I then consulted a doctor who pronounced it articular rheumatism, and treated me for this trouble. Instead of getting better the pain and the swelling became worse until I was hardly able to hobble about the house. On rising in the morning I was unable to bear my weight, except with extreme pain. Having tried so much medicine without benefit I began to think I was doomed to be a cripple. One day a cousin advised me to try Dr. Williams' Pink Pills. She said, "I take them every spring as a tonic for my blood, and they make a new person of me." After some persuasion I decided to try them. I had taken three or four boxes before I noticed any change, and then it seemed my ankles were less painful. By the time I had used a few more boxes there was a wonderful improvement in my condition. Not only did my ankles get well, but I felt like a different woman and had not been as well in years. In speaking of this to a doctor afterward he said that no doubt Dr. Williams' Pink Pills had enriched my blood thus driving out the painful disease."

Not only rheumatic sufferers but all who have any trouble due to weak, watery blood can find a cure through the fair use of Dr. Williams' Pink Pills. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

The revival services in the Baptist church are well attended.

The Women's Missionary Society of the Baptist church will resume the practice of giving a supper once a month on the first Wednesday in April. The women will meet in the church at 5 P. M. for the usual session, while in the vestry supper will be served at from 5.30 until the grub gives out. A good meal, a pleasant social time, and a contribution to a good cause will be the reward of all who attend.

Two young men, sons of Benjamin Gallupe, a former well known resident of Victoria Corner, now of Mars Hill, have been visiting their Aunt, Mrs. John Barnett.

All the mills in this vicinity are, or have been, in operation—Fleming's The Peel Lumber Co., the Campbell mill, McElroy's at Waterville, and until recently, Sayre's. The last mentioned is about to undergo the annual repairs for the long summer's work.

March has been an ideal month, "just like March". It is hoped that it will continue so. A bright, warm, early spring would be a treat.

This year the ice will run out of the St. John river on Easter Sunday. Take note of this and see if the prediction is true.

Mr. Burgess who has been clerking for C. Humphrey Taylor all winter has engaged with the Rigby Hardware Co.

Stephen and Ami Shaw, two respected old residents of Windsor, are reported to be seriously ill.

H. B. Boyer and family, who went last year to New Hampshire, returned to the village on Monday, and expect to make their home here in the future.
