

COUNTY COUNCIL.

Continued from last week.

Municipalities Union, fees, \$10.00, ordered laid over.

Dispatch, \$2.50, ordered paid.

James W. Woolverton, constable, \$142.75, ordered paid.

William Kimball, \$6.00.

This being a parish charge was referred to the road superintendent of Northampton.

William Kimball, \$55.95, laid over for the present.

John R. Tompkins, sheriff, 55.90, ordered paid.

John R. Tompkins, sheriff, \$3.40, ordered paid.

John R. Tompkins, sheriff, board prisoners, \$286.30.

Coun. Conolly—It seemed that the board bill is raised. Somebody else than the jailer should settle the board. The charge is \$2.50 a week is a raise somewhat.

Coun. Stevens—Everything is much higher than it used to be. The sheriff says he could not do it for less.

Coun. Melville said it was customary to pay \$2.00 a week. The sheriff accepted the job and there are lots of men who would take it. He thought the prisoners should be fed, not too high.

Coun. Gillmor—You should feed a man well even if he is going to be hanged.

Coun. Conolly said he thought \$2.00 a week should be sufficient.

Coun. Flemming—We have paupers in our parish and we cannot get them board for \$2.00 a week.

Coun. J. R. Brown—I think \$2.50 is not a large margin to board a man on.

Coun. Lamont—I would give the jailer \$2.50 a week and don't envy him the job at that.

Coun. Phillips thought the old jailer did not complain at \$2.00.

Coun. Bell, Richmond, thought this would be setting a precedent. He had heard of no kicking before.

Coun. Kinney—If the sheriff can board the prisoners at \$2.50 a week, he does something which I myself could not do.

Coun. Williams—We have been paying at the old rate and we must consider before we establish a precedent.

The bill was ordered paid on division.

Owen Kelly, 21.05, ordered paid.

Owen Kelly, \$7.40 ordered paid.

Wm. Armstrong, deputy sheriff, \$72.95, ordered paid.

Press Co. \$2.25 ordered paid.

J. C. Hartley, special work, 100.00, laid over.

J. C. Hartley, preparing voters list, \$45.00, ordered paid when sworn.

J. C. Hartley, certifying school lists, \$71.50, ordered paid.

W. P. Jones, \$504.45 referred to Scott Act Committee.

Wm. Dibblee, police magistrate, \$205.00 referred to Scott Act Committee.

A. R. Foster, constable, \$13.65, ordered paid.

W. E. Kilpatrick \$33.00.

Coun. Tompkins explained that there were items in these two bills in connection with outside people who had died or been found dead in the parish of Peel and in the other the man died shortly after he came there.

Coun. Estey did not think this was a parish charge.

Coun. Rideout thought the parish should pay the bills.

Bill ordered paid.

C. T. Boyer, \$9.40 ordered paid.

C. T. Boyer, \$5.00.

W. W. Hay, \$27.90 paid when affidavit produced.

R. A. McDonald, \$6.25, ordered paid.

Jos. Lenehan, \$3.90, paid when attested.

Wm. Gallope, \$7.55, paid when attested.

Owen Kelley, horse hire, \$25.00, bill paid when attested properly.

E. London .47

In William Kimball's bill there was an item of \$5.00 in connection with an arrest of one Smith, it was moved that the bill be paid in full and in amendment that it be paid less this \$5.00. Amendment carried.

Coun. Brown moved that any councillors who have money in connection with their parishes hand over the same to the auditor.

The auditor submitted a supplementary report.

A delegation from the Canadian Club comprising the C. L. S. Raymond and C. D. Richards waited upon the council and were on motion heard. They set forth the objects of the club and explained fully and intelligently its constitution. The councillors listened earnestly to the addresses and testified their approval in an emphatic manner.

The council then adjourned till ten o'clock to-morrow.

Upper Woodstock.
Jan. 13th., 10 a. m.

Council resumed session.

Following bills were dealt with.

John McLauchlan Co. for \$6.75. Norman Lenentine, latter to Prov. Hospital. Moved to be paid and charged to Northampton.

Coun. A. Brown objected to the bill being charged to Northampton.

Coun. A. Brown also objected to this course.

Coun. Balmain denied that the town should be responsible.

Coun. Hay objected to Richmond being saddled with the bill.

Coun. Bull—He was born in York County.

Coun. Flemming—Lenentine was part of the time in this County and part in York. He was always understood as belonging in York Co. I do not know of his living in one place a year.

Coun. Bell (Richmond) I was told that Northampton had a right to pay this bill.

Coun. A. Brown—Give us your authority.

Coun. Bell—Mr. Kelley.

Coun. Gilmour—There's a good deal of fault in these matters with the poor masters.

Coun. Connelly—The Law is very plain.

The law shows how residence is to be proved, if a man has no residence in the province the parents when he becomes needy must pay.

Coun. Phillips said this was like a charge in which Peel was concerned, which came up yesterday and was charged to the county.

Coun. Melville—The cases are not similar. The Peel case was where a man's body drifted.

Coun. A. Brown—How about the man who came to Peel.

Coun. Melville—He was only there one night.

Coun. Tompkins moved that the bill be not paid until necessary steps be taken to find where Lenentine's residence was.

Coun. Williams—We had better refer into some parish.

Coun. Balmain—I think it will be found that the cases were disposed of in connection with these same parties. Light might be thrown on it by reference to them.

Coun. Melville—If this man had a residence let them charge to the County.

Coun. Gilmour—Thought this was a severe question.

Coun. Bull believed the man had a residence in Woodstock town. He practised his trade there.

Coun. Balmain—He established a business in South Richmond and lived there, first two years, longer afterwards.

Coun. Hay said he never lived any time in Richmond.

Coun. Connelly did not believe in charging it to the county if the residence of the pauper could not be found.

Coun. Stevens—A certain Brighton case was made chargeable to the county, if he remembered right.

Coun. Balmain—I was just informed not long ago this fellow was in Kirkland. My informant said four or five years off and on. He said he was two years there constantly. Geo. Jackson told me this.

Coun. Kinney—It don't seem any of the councillors can substantiate a residence and if that could be shown he should be a county claim.

Coun. Rideout—Where the man is found destitute, he is a charge until a residence be found out which he held.

Coun. A. Brown told me last year they had to many poor in Richmond and would soon have another (referring to this man.) It was John Johnson told me.

Coun. Balmain thought this man had been in Hartland some time.

Coun. Bradley—We know nothing of him.

Coun. Hay—I know he lived in the town of Woodstock two years.

Coun. Lamont thought the matter should be referred back to the movers, the parishes of Northampton, Richmond, Woodstock, and the town of Woodstock, for consideration and moved a resolution to this effect, which was carried.

Dr. W. D. Rankin, \$12.00 ordered paid.

Owen Kelly, \$3.00 ordered paid.

Dr. M. E. Commings bill laid over for further consideration was taken up—\$52.30.

A bill amounting to \$42.90 was included in this bill.

Coun. Keenan moved the bill be paid and steps taken to try and get back the \$9.50 wrongly charged. Coun. Kinney seconded this.

Coun. Rideout moved the bill be paid

MRS. MARY MEYER.

MRS. MARY MEYER, Thomson Avenue, near Shell Road, Winfield, L. I., N. Y., writes:

"I have been annoyed with a cough for years. Often it was so bad that I could not sleep half the night. Many people thought I had consumption."

Consumption Was Feared.

"A woman recommended Peruna to me two years ago. I began to take Peruna, and now I am perfectly free from a cough. I am glad to say that Peruna cured me entirely."

"I take Peruna occasionally, when I do not feel well, and I also give it to my children."

"Peruna is the best medicine for coughs and colds. I have told many people how much Peruna has helped me."

Mrs. Hettie Green, R. R. No. 6, Iuka, Ill., writes as follows of the efficacy of Peruna:

"Last November I had catarrh and felt so miserable I thought that I would go into consumption."

"I tried so many doctors and medicines, but nothing did me any good, only Peruna."

"After I began the use of Peruna I began to improve in every way. My head did not hurt so much, my stomach is all right, my bowels are regular, my appetite good, my complexion clear, my eyes are bright and am gaining in flesh and strength."

"I think Peruna has no equal as a catarrh remedy."

"Peruna tends to lessen the cough, decreases the expectoration, strengthens the patient, increases the appetite and in many cases procures sound, refreshing sleep."

MISS BEULAH B. BROOME.

Miss Beulah B. Broome, 409 12th St., N. E., Washington, D. C., writes:

"I have suffered from weak lungs and catarrhal troubles for four years, brought on by many neglected colds, but on the recommendation of a friend I gave Peruna an honest trial and I am pleased to state that it restored me to perfect health. There is not the slightest trace of catarrh in my system and my lungs are perfectly sound."

Weak Lungs For Years.

"I unhesitatingly give this testimonial."

Mrs. William Hohmann, 569 N. Paulina St., Chicago, Ill., writes:

"I suffered with catarrh of the bronchial tubes and had a terrible cough ever since a child. After a while it got so bad I had to cough both winter and summer. Finally, I burst a blood vessel in my throat from the strain of coughing, next a blood vessel in my stomach, so I kept getting worse and doctoring, and even then could get no relief. I thought, and everybody else, that I had consumption."

"Reading the papers about Peruna I decided to try it, without the least bit of hope that it would do me any good. But after taking three bottles I noticed a change. My appetite got better, so I kept on, never got discouraged."

"Finally I seemed not to cough so much, and the pains in my chest got better. I am well now. I cannot tell you how grateful I am, and I cannot thank Peruna enough. It has cured where doctors have failed. People who think they have consumption better give it a trial."

MISS JOSIE SCHAEFFEL.

Miss Josie Schaeffel, General Delivery, Appleton, Wisconsin, writes:

"I contracted a severe cold which settled on my lungs in very short order, and it was not long until it developed into a serious case of catarrh. Every morning I would raise a lot of phlegm, which was very disagreeable. My digestion was poor and my lungs sore."

"After a few doses of Peruna I began to mend, and felt that if I kept on taking it it would not be long until I would be well. I was right, for in four weeks I was well again."

"I think Peruna is a grand medicine, and wish to add my testimony to the many others you have."

The fight against consumption is becoming a national problem.

Everywhere we hear of sanitariums established at the expense of the state for the treatment of the vast army of consumptives.

The open air treatment, fresh air and sunlight, are recognized by the medical profession generally as being the greatest necessities in the treatment of consumption in all its stages.

Dr. Hartman has for many years advocated the fresh air treatment for consumption. At the same time he has recognized Peruna as a useful palliative for the many distressing symptoms which accompany the white plague.

The promptness with which Peruna relieves a fresh cold, and even removes chronic colds, is well-known. The ranks Peruna as a reliable prophylactic against consumption.

Consumption Prevented.

Hang Week's Wash in a Few Minutes on a

Hill Clothes Dryer

Clean Compact

Capacious Convenient

Why continue to fuss with unsightly, ungainly clothes lines and poles when you can get this neat, compact, convenient Hill Dryer.

Instead of being spread all over the yard and supported by numerous poles, every inch of every line on the Hill Dryer is within easy reach—so you can hang the whole wash without moving a step, without having to drag the heavy basket up and down the yard through snow or damp grass.

Set up a Hill Dryer in a convenient spot near the house and see how many steps, how much time, work and bother it saves. Once use it and no one could ever coax you back to the old-fashioned clothesline method.

Hill Dryers are made in several sizes and styles for lawn, balcony and roof. Hold 100 to 150 feet of line—revolve so line comes to you—taken apart, folded up and put away, keeping your lawn entirely clear of obstructions.

Let us put one up in your yard ready for next wash-day. Or call and see it.

Interest

The interest your investments yield depend entirely upon the use you make of your funds.

You can put your money in a Savings Bank and realize 3 per cent. on it. Or you can invest in the same securities the bond does, and get 5 or 6 p. c.

A good Bond is as safe as a good bank. No bank is stronger than the bonds it carries.

The net earnings of the Ottawa Electric Company for 1907, a bad year were three and one-half times as large as its interest charges. A wide margin of safety.

Its Bonds can be obtained in denominations of \$100, \$500 and \$1,000. They fit any purse.

They are now selling at par and interest yielding 5 per cent. per annum.

Let me sell you one or two.
