WOODSTOCK, N. B. MAR. 31, 1909.

Josiah Barnett.

Many friends will regret to hear of the death of Josiah Barnett which took place at his residence in East Boston, Mass., on the 23rd inst. He was born in London England on the 16 August 1839, and came to New Brunswick in 1861, residing for a time in Carleton County and later in St. John, from St. John he went in 1869 to Brooklyn N. Y. and returned to Hartland in 1874. In 1886 he removed to Lowell, Mass., and shortly after accepted a subordinate position in the Boston University in which position he remained until ill health compelled his retirement in 1905. In the year 1869 he married Louisa A. the daughter of the late Rev. C. Michael Pickles of the N. B. Methodist Conference. There were three children. Frank, the youngest, died at the age of six months. The second daughter Edith, born in Hartland, May 6, 1874, died in Boston Feb. 15, 1894. The eldest, Fanny, was born in Brooklyn, N. Y., Nov. 10, 1871, and died in Boston, Sept. 23, 1896. The widow survives alone. May the Almighty Father comfort her in her sorrow and loneliness.

Mr. Barnett was very highly esteemed by all with whom he came in contact for his upright Christian character, gentle, patient, pure. The following letter from Dr. Huntington, President of the Boston University gives evidence of this.

Boston University,
Mar. 24 1909.

"Dear Mrs Barnett,—I am deeply pained to hear this morning of the sorrow that has come to your heart and home.

Your husband was a man whom I have always loved and esteemed for his fine character, gracious bearing and readiness to do more than his duty wherever he was stationed. His Christian faith and character have been frequently tried 'so as by fire' and still it failed not. He has triumphed now and been promoted to a high place in the enduring realities of God's eternal kingdom. May great faith and patience be granted to you for this bereavement. Our prayers are fervently offered for you.

Very sincerely yours,
Wm. E. Huntington."

The funeral services were conducted at the residence by the Rev. Dr. Bates pastor of the Bethel Methodist church, East Boston, with which church the deceased has been connected for the last two years and five months.

Dr. Bates, who has been intimately acquainted with deceased for the last 20 years bore eloquent testimony to those qualities of character in Dr. Huntington's letter quoted above, that the deceased was a good man—an upright man—a clean man—and a faithful man,—placing the strongest emphasis on the last quality,—faithfulness. The choral part of the service was rendered by a quartet of the Bethel church who sang with much feeling, three selections from Alexander's Gospel Songs Nos. 24—40—and 7.

Interment was made at Forest Hills Cemetery, by the side of the two daughters Edith and Fanny named above.

The members of the Bethel church were untiring in their ministrations and tender sympathy during the last few months, and to their, and also to others who rendered tender and loving service, the heartfelt thanks of the widow and relatives are due.—Com. Hartland, N. B., March 28, 1909.

Mr. Barnett was a brother of Postmaster Barnett of Hartland.

Beautiful Okanagan Valley. Valuable Town Lot Given Away.

I am placing on the market a large tract of the finest fruit land ever offered to the public, upon which I am constructing a pressure pipe system of irrigation. Upon completion of this work this will be the first place in Canada where lot holders will have irrigation water under pressure and enjoy beautiful domestic water in their homes the year round.

These lands stretch for over four miles along the west shore of Dog Lake, which is four miles south of Okanagan Lake.

The location is a picture of fascinating charm and loveliness. Here there are hundreds of acres of beautiful Prairie slopes surrounding a very pretty townsite on a charming lake beach.

For a suitable name for this place I will give a building lot in this townsite. Each proposed name must be accompanied by five names and addresses of persons who wish to become interested in fruit culture in the Okanagan Valley.

Dr. Sawyer and Professor Perry of Okanagan College, Summerland, have kindly consented to select the most suitable name from among those submitted.

Competition closes April 7th. Don't wait, but send names at once.
