Last week Hartland subscribers of THE DISPATCH suffered the annoyance of not receiving their papers until after several days delay. This was entirely the fault of the postal clerks as the papers were mailed at the usual hour and at the usual time.

Ernest Sipprell, of Florenceville, was here on Thursday.

Mrs. A. D. Kennedy has been suffering greatly from blood poisoning in the hand and her case has been considered very serious. The first soreness was caused by a slight abrasion of a finger, which afterward healed; then symptoms of blood poisoning showed. She has the sympathy of many friends.

Conn. Rideout, of Simonds, was here the other day.

Carleton County may well feel proud to have so competent a judge as Dr. Grant, of Calais, make the public statement that the poultry show here exceeded that 'provincial' show held in St. John by 25 per cent.

On Friday Mrs. J. K. Flemming and Miss Hayden entertained the members of their Sunday school classes (Methodist) at Mrs. Flemming's home. A most enjoyable time was spent.

Hagerman & Baird are meeting with excellent success in their mercantile venture. "Every day a bargain day" is one of their maxims and they are living up to it.

On Friday evening the young ladies of the village entertained their gentlemen friends at an evening party in Hagerman & Baird's hall. A very pleasant evening was spent with music and singing and games. The party was under the patronage of Mr. and Mrs. C. H. Taylor and Mr. and Mrs. James Montgomery. The other guests were Misses Grace Tompkins, Lulu Vanwart, Winnie Nevers, Pearl Hamilton, Edna Hagerman, Ethel Hallett, Sadie Currie, Sadie Barnett, Julia and Mattie McCollom, Mabel Curtis and Maude Henderson, and Messrs. The second evening of the Poultry Show, the Lakeville Amateur Dramatic club gave their play, "The Deacon," in the Hagerman & Baird's hall. The was an exceedingly large attendance and a good sum was realized. The proceeds were divided and one half was given to the Poultry Association while the other part is to go toward the purchase of a gasoline launch for pleasure on the lake. From a historic point of view the play was commendable. It was well cast and each part was very well acted. The young people of Lakeville deserve credit for their enterprise; which exceeds by far that of young people of Hartland.

For some time the produce shippers have suffered from a blockade of traffic on the line between McAdam and St. John. Cars are scarce enough; but the situation has lately been such that loaded cars could not be lifted and were greatly delayed in reaching their destination. This is attributed to the lack of terminal facilities at St. John West.

Mr. and Mrs. Bertam G. Rideout drove to Centreville to the ball held there on Friday evening.

**THE TRUE CAUSE OF RHEUMATISM**

**Caused by Uric Acid in Blood and Can Only be Cured Through the Blood.**

Not many years ago doctors thought rheumatism was only a local pain caused by exposure to cold or wet. Now they know that rheumatism is caused by the blood becoming tainted with uric acid. This acid contracts the muscles, stiffens the joints, and irritates the nerves. Then the cold and wet make the joints and muscles groan with aching rheumatism. You blame the weather but the real cause is acid in the blood. If not promptly treated the stiffness spreads and the pain grows worse each year until you are a helpless cripple, tortured day and night. If the disease touches the heart it means death. You can't cure rheumatism with liniments, plasters or hot cloths. You must go to the root of the trouble in the blood. The one sure, scientific way to cure rheumatism is Dr. Williams' Pink Pills, because they actually make new blood. They sweep out the poisonous acid, loosen the joints and muscles, and bring ease and freedom where before had been pain and misery.

Mrs. Fred. Sabean, Canada Creek, N. S., Says:—"Three years ago I was taken with a severe pain in my right hip. It grew gradually worse until it finally settled in both my hips and legs. The pain was really almost unbearable. At first I tried foot driffts and liniments, but this gave me only the most temporary relief, and I felt as if I was to go through the rest of my life a suffering cripple. A neighbour whose daughter had been cured of rheumatism by Dr. Williams' Pink Pills advised me to try this medicine, and I purchased three boxes. Before they were all gone I was able to get my foot up on my knee and untie my shoe, something I had not been able to do for two years, and I began to feel I had at last found a medicine to cure the trouble. I kept on taking the Pills until I had used, I think, a dozen boxes, when I was completely cured and I am as well and strong to-day as I ever was in my life. I want every sufferer to know that Dr. Williams' Pink Pills is a cure for rheumatism and that if they will give this medicine a fair trial, their pains and aches will disappear as mine did."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
