

SPRING TIME BRIGHTNESS

Is reflected in the New Designs of

CAMPBELL'S CLOTHING.

Here's one of them. This three-button Sack Suit, with the long graceful lapels and the slanting line of the front, makes a very stylish coat. But it's only one of the new Spring models. We've many others that are every bit as attractive in style and appearance.

Mrs. Isaac Sheasgreen.

There passed peacefully away at her home in South Esk, Miramichi, on Friday, May 14th, Mrs. Isaac Sheasgreen, at the age of 69 years. The deceased had been in poor health for some time but still hopes were entertained by her friends that medical skill and care would restore her to her family. These fond hopes were not realized and on Friday afternoon God called her to Himself and her earthly troubles ceased. She was a woman of kind and gentle disposition, a loving wife and mother, a kind and charitable neighbor, who by her many acts of kindness had endeared herself to all who had the pleasure of her acquaintance. She leaves to mourn a sorrowing husband and four sons, William and James at home, Hugh, at Concord, Mass. and I. Edward Sheasgreen, of Woodstock. To the sorrowing family relations and friends we extend our sincere sympathy in their bereavement.

On Friday Mr. I. E. Sheasgreen received word of his mother's death and he left Woodstock on the early train Saturday morning to be present at the funeral.

The Public Holiday.

The Woodstock Band is working hard to make the meet on May 24th a success. It is going to be a big day in the town and many from the country will take advantage of the sports and attend.

In the morning the first league game will be played on Island Park between the Pirates and Capt. Lister's team. There is hot rivalry between those teams, and the boys will dig in for all they are worth so that victory will perch on their own team's banner.

The band has a nice program arranged for the afternoon in trotting park. The second league game between Capt. McRae's team and the Bullets under Capt. Nevers will be played in the trotting park where all the sports will be conducted in the afternoon.

Horse Races—Some of the best horses in town will compete.

Foot Races—One mile, half mile, quarter mile, 220 yards, 100 yards open to all.

Pole vault, running high jump, running broad jump, and shot put. The Rambler Club and High School have each entered a track team for these events.

50 yards dash, sack races, barrel races, etc. for boys under 15 and a bicycle race open to all. A greasy pole for the boys and a tug of war for the men will prove interesting features.

Died at Needles, B. C.

After a lingering and painful experience, suddenly, on the sand bank at Needles, Arrow Lake, B. C., all our fond hopes and joyous anticipations. The patient began to weaken during a delay of ten days at Arrowhead waiting for the ice to be broken up for the steamer to get through, and as we got down as far as Nakusp the fever increased, and as we came to the Needles it was found that the heart was fast weakening and suddenly—on April first, as we landed on the sand bank at Needles, the collapse came and all was over. Interment was made among our belongings at the water's edge.

The death of Mr. Nehemiah Tompkins took place on Thursday, the 13th inst. He was first attacked by rheumatic fever four weeks ago, afterwards typhoid fever set in. Mr. Tompkins will be much missed. He was a lover of children and was accustomed to stop and invite them to ride with him. Since last fall he conveyed the Florenceville mail. His funeral took place on Saturday afternoon. His remains were laid in the Baptist Cemetery. The services at the house and grave were conducted by Rev. T. Pierce who was assisted by Revs. J. D. Wetmore, J. A. Cahill and D. Fiske. Woodstock as a Divisional Point.

A Meeting of the Committee appointed by the Board of Trade to interview Mr Mc Nichol, vice president of the C. P. R. when he will arrive here this week, in the matter of the retention of Woodstock as a divisional point, was held on Monday evening, when the arguments and reasons to be presented on behalf of the town were discussed and decided upon. The committee consists of, Pres. J. L. A. Dibblee of Board of Trade, Mayor Jones, G. E. Balmain, Dr. Rankin, C. L. Smith, I. E. Sheasgreen and T. C. L. Ketchum.

Very much, it is thought, will depend as to the result of the interview upon whether or not private parties who have land which may be required by the railway, will be willing to sell it at a fair price. Everyone must see that this is a critical time for Woodstock as the removal of the railway employees would mean a sad blow to the town.

The near approach of the holiday season makes one think of trunks, valises, grips, etc. A good assortment to select from at R. B. Jones Co., Ltd.

There was a live discussion by Rev's Pierce, Cahill, Ganong and Miss Rideout. In the evening Rev. D. Fiske led the devotional exercises. The report of the nominating committee was adopted.

He presented the responsibilities of the home with clearness and force. He severely scored those who strenuously wrought 84 hours a week for the pork and beans and pancakes and who ignored or set little value on the S. School, that had to do with the higher relations with God. Man did not live by the above mentioned foods alone. Rev. J. B. Ganong spoke earnestly on The S. S. of today, which he represented as characterized by Organization, Pastoral Leadership, Education in its efforts, Evangelistic and a Bible school, not simply because it taught the facts of the Bible but because it was modeled after the Bible pattern, as suggested in Deuteronomy and Nehemiah. Miss Hattie Pierce presided at the organ. The closing prayer, one of particular earnestness, was offered by Rev. Thomas Pierce.

The Jubilee Singers, who sang under the auspices of Brunswick Lodge of Oddfellows, had crowded houses, on Wed. evening, the 12th inst, at East Florenceville, and on Thursday evening at Centreville. The proceeds forming the share of the Oddfellows was \$40.
