

Quaker Oats Griddle Cakes

Try them today!

The family that hasn't eaten Quaker Oats griddle cakes has a delightful surprise coming to it. Besides the delicious flavor, there is the pleasure of knowing you can eat all you want, and the more you eat the better for you. The best of all foods for anyone wanting more strength and vigor.

Hundreds of thousands of packages of Quaker Oats are consumed in Germany annually and almost all of it is eaten in the form of Quaker Oats griddle cakes. In the cereal restaurant of the Quaker Oats Company, located in one of the large cities, these griddle cakes are very popular.

Here's the best recipe for making them:

2 cups Quaker Oats (uncooked); 1 1/2 cup flour; 1 teaspoonful salt; 1 teaspoonful soda—dissolve in two tablespoonfuls hot water; 1 teaspoonful baking powder (mix in flour); 2 1/2 cups sour milk or buttermilk; 2 eggs beaten lightly; 1 tablespoonful sugar; 1 or 2 tablespoonfuls melted butter (according to richness of milk).

Process: Soak Quaker Oats over night in milk. In the morning mix and sift flour, soda, sugar and salt—add this to Quaker Oats mixture and quantity of melted butter; add eggs beaten lightly—beat thoroughly and cook as griddle cakes—they make your mouth water for more.

HARTLAND NEWS.

Mrs. W. R. Hatfield and son, Carleton, are guests of Mrs. H. H. Hatfield at Hartland and friends at Middle Simonds.

Mrs. Fred M. Boyd and Miss Colpitts of Woodstock spent Sunday with Mrs. A. L. Baird.

Bishop Richardson held confirmation at St. John's Church, Richmond Corner, Monday at 3 p. m. and St. Mark's, Oakville, at 7 p. m.

John S. Fleming was taken to the Hospital for nervous diseases, St. John, on Monday last.

Men Who Succeed.

Windsor Record.

Elbert Hubbard, the Roycroft prophet, of East Aurora, N. Y., says: "Success is in the blood. There are men whom fate can never keep down. They march forward in a jaunty manner and take by divine right the best of everything that the earth affords. They are ever alert and alive to any good that may come their way, and when it comes they simply appropriate it, and tarrying not, move steadily on. If the breezy Elbert had himself in mind, he has drawn a faithful picture. He ascribes success in general to good health, but he is mistaken. In Elbert's country, however intellectually spavined and wheezy, may get out as a lecturer and obtain from 75 cents to \$3 a seat. It is not so much a matter of blood as of gall, otherwise nerve. Probably one of the finest platform fakirs of the day is Elbert himself, but he has been a conspicuous success from the standpoint of the box office.

A QUESTION OF HEALTH

Without Rich, Red Blood You Cannot be Healthy—How to Obtain This Blessing.

If every woman and young girl would realize the danger of allowing blood to become thin and poor, would understand that the majority of common diseases are caused by an anaemic (or bloodless) condition, that persistent pallor means that the blood is not furnishing the organs with the required amount of nourishment, there would be awakened interest in the tonic treatment with Dr. Williams' Pink Pills. Thin blood means starved nerves, weakened digestion, functional disorders, headaches, frequently neuralgia, sciatica and even partial paralysis. Dr. Williams' Pink Pills build up the blood, repair waste and prevent and check disease. They fill the system with rich, red blood which means good health and life.

Miss Marie Dionne, St. Angelo, Que., says:—"I am deeply grateful for what Dr. Williams' Pink Pills have done for me. My blood had almost turned to water. I was pale, had no appetite, suffered from pains in the back and side, and had a feeling of constant depression. The smallest exertion would leave me breathless, and I was reduced in flesh until I weighed only 98 pound. I got nothing to help me until I began the use of Dr. Williams' Pink Pills. They began helping me after the first couple of weeks, and in a few weeks more I was again perfectly well. The colour returned to my cheeks, the pains left me, and I gained in weight until now I weigh 130 pounds. I feel so happy for what Dr. Williams' Pink Pills have done for me that I hope some other ailing, miserable girl will profit by my experience and obtain new health.

These Pills are sold by all medicine dealers or you can get them by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Playing for Pots.

(Bobcaygeon Independent.)

It is to be feared that in this country our sports are too much tainted with pot-hunting spirit. There is too much competition for prizes rather than for recreation or honor. Hockey, baseball, football, etc., are organized into leagues, for prize competitions. Even curling clubs devote their entire winter to tournament matches, schedule contests, always at all times, struggling for pots and prizes. This perpetual playing for blood is not in the best interests of our sports, or of our young men. Its tendency is to develop selfishness, a black-rot of evil, that will inevitably destroy any club in which it once gets existence. Playing for blood is not sport, it is not recreation; it is business, to all intents professionalism, and is bound to develop the most undesirable elements in human nature.
