A new Presbyterian church was dedicated at Lower Kintore on Sunday, May 16th. There was large congregations present at the two services which were held in the morning and afternoon. Rev. Mr. Pringle, who is pastor of the church, was present at both services as was Rev. Mr. Ross, of St. John, who preached sermons befitting the occasion. Solomon Tracy, of Upper Kent, was drowned last Monday while crossing the river. The deceased was ferrying a number of people across the river, when, owing to the strong freshet, the ropes connecting the boat with the ferry wire broke. The ferry boat and its passengers with Mr. Tracy were carried down river several miles when the boat was stopped and a landing affected. Upon returning Mr. Tracy went out in a small boat to secure the blocks and ropes which still clung to the wire that was stretched across the river. The boat evidently struck the ropes with considerable force and threw the unfortunate man into the river. He leaves a wife and seven children.

#### Centreville.

The Canadian Jubilee singers had a full house and met the expectation of most present. Their was harmony in their singing such as we seldom hear. They were well advertised and the Opera House was packed to the doors. One could scarcely ask any acquaintance for miles around if they had heard the Jubilee Singers and get the answer—no.

The farmers are sowing early grain but at the present time very few if any potatoes have been planted, the ground not being yet warmed sufficient for successful growth. Very little has been done in the way of gardening. Some fruit and ornamental trees have been planted but climatic or other changes have taken place and it is now much more difficult to raise certain kinds of fruit trees than formerly and the same may be said of some kinds of grain.

Arbor day was observed on the school grounds by a general cleanup and the appearance of the grounds are very much improved. No trees were planted as the grading has not been done on the new school lot and trees would be "only in the way" there at the present time.

Mrs. George McClintock and Mrs. Rose Clark start in a few days for Oregon. They will remain away for about three months and will be much missed in church circles.

Rev. Mr. Ferguson addressed the Sunday school at the close of the school last Sunday, and the address was not long. It was to the point and should be remembered when the boys and girls who heard it, have grown to be men and women. Mr. Emerson Crouse was a short time ago chosen assistant Supt. of the Sunday school to take the place of Deacon Branscomb in his absence. Mr. Branscomb now intends to start for Vancouver about the first of June not purposely

to locate there but having that idea in mind if all the conditions were favorable. The church and Sunday school will miss Mrs. Branscomb very much even for a short time.

The funeral of James Lewis who died in the Provincial Hospital took place at the Baptist church here last Friday. He was a son of the late Henry Lewis, and his brothers William and George live in Cogswell Settlement.

The teacher of the advanced department of our school, has consented to remain another year, but the probabilities are that Miss White will not be persuaded to remain longer than the present term.
