Woodstock Parish—H. B. Smith, H. Zen Seut.

Woodstock Town—H. D. Stevens, J. R. Brown, Wm Balmain.

(Before the Council took up its business the oath of allegiance to King George V was administered to them by His Honor Judge Carleton.)

The minutes of the January session were read and approved.

The Warden in opening the work of the Council made feeling reference to the death of the late King whom we all loved and revered and whom all nations honored. A resolution was being prepared by the Councillors and would be submitted to the Council. He then referred to the new Court House, saying it was admired by Judges and all others who had seen it. It was said to be one of the very best in the province and he was sure all the Councillors would agree in a feeling of satisfaction at the completion of this handsome building. Councillors would make note of the fact that members of the Highway Board were called to meet at a conference of those interested in good roads, which meeting was to be held this evening. He thought Carleton County should consider the question of having an exhibit at the Dominion exhibition to be held in St John this fall. He was glad to see all the Councillors present and that there had been no break in the ranks.

Moved by D. H. Lamoie and seconded by John Williams.

Whereas since the Council last met in regular session it has pleased the Almighty in His Divine wisdom to remove from this life our late gracious and beloved Sovereign King Edward VII.

And whereas during his whole reign he most worthily carried forward and established those things which made for the wellbeing of the Empire, and more especially by his tact and humanity was highly instrumental in maintaining and promoting peace between the great nations of the earth:

And Whereas under his wise, firm and beneficent rule, justice, freedom and prosperity obtained throughout all his dominions:

And Whereas during his whole reign he was supported in the many anxieties and cares of state and in every movement for the common weal by the womanly sympathy and helpfulness of the good Queen Alexandra:

Therefore in this, our first regular meeting succeeding our late beloved King's demise we take occasion to place on record this expression of our sincere affection for and attachment to his late Majesty's person, our unwavering loyalty to the throne, our heartfelt appreciation of the wise and beneficent rule which by the Providence of God we have enjoyed, and our sincere sympathy with the Queen Mother in the sorrows of her widowhood:

And we join with our fellow citizens in assuring the successors to the sovereignty—their Majesties King George V and Queen Mary—of our loyalty to them, our hearty good will toward the throne and of our prayer that they may long be spared to fill worthily the great office to which God in His Providence has called them.

Coun Williams in seconding the motion said that when the news of the death of the King came there was grief in every home in the empire, and not only in the empire, but in homes of other nations. As a mark of respect flags were floated at half mast all over the county. Well and faithfully had the late King performed the heavy duties cast upon him.

The vote was carried by a standing vote, the Councillors also joined in singing the national Anthem.

On motion of Coun Smith Osman Tapley and Warren Tapley were appointed pound-keepers, field drivers, e. c., and Edgar Furlong and J. S. Scott constables for the parish of Woodstock.

J. W. Green, photographer, was heard in regard to a scheme which he had for taking the photograph of the council which was perfect at the January session.

Tabor-Wilson

A very pretty wedding took place at the home of Mr and Mrs D. J. Wilson, Leonardville, N. B., June 22nd, when their daughter, Grace St. Clair, was united in marriage to Claude Stanley Tabor, of Woodstock, N. B., in the presence of about one hundred guests. Promptly at one pm to the strains of the wedding march, played by Miss Princess, sister of the bride, the groom entered the parlor and took his place under the floral arch, the bride immediately followed, leaning on the arm of her father. The ceremony was performed by the Rev. Mr. Mason. The couple stood beneath a beautiful floral arch and wedding bell, composed of daisies and fern. The rooms were lavishly decorated with daisies, carnations and fern, with potted plants massed in the bay window of the parlor as a background for the bridal arch.

The bride looked charming in a gown of white silk batiste with Irish lace trimmings, and carried a large bouquet of bride's roses and maiden hair fern, her only ornament being a pearl pendant necklace, the gift of the groom. After the ceremony, refreshments were served. Those who assisted in serving were Misses Lena and Princess Wilson, sisters of the bride, gowned respectively in white batiste with guipure trimmings and Nile green silk, Miss Alice Ryder in pale green crepe, Miss Jennie Poland in Dresden silk muslin, Mrs. J. Cleveland Burtan in Alice blue silk, Mrs. J. L. Stone, in black net over black silk presided at the punch bowl. Miss Georgie Wilson, in white with blue trimming and Miss Nellie Cherry in old rose received the guests at the door.

The out of town guests were Mr Ammon Tabor and Mrs Stephenson, of Woodstock, N. B., father and aunt of the groom. Mr and Mrs Charles Wilson, Mr and Mrs J. Nickerson, Mrs Clarence Stickney and Miss Nellie Cherry, of Eastport, Me., Mrs Everett Reynolds, Mrs Clark, Miss Jessie Kent and Mr Everett Kent; of Lubec, Me., Miss Alice Ryder, of St Stephen and Mrs J. C. Barteau, Portland, Me.

After congratulations, the bride donned a travelling suit of navy blue French serge with black hat, and the happy couple left by boat for St Andrews when they took the evening express for the Pacific coast, visiting the principal Canadian cities en route. They were accompanied as far as St Andrews by a merry crowd of their young friends, who generously showered them with rice and confetti. The wedding gifts were exceedingly beautiful and valuable, consisting of cut-glass, silver, linen and many rare articles in bric-a-brac.

Denton-Seely.

Miss Minnie Lee Seely youngest daughter of Mr. and Mrs. George Seely of Upper Brighton, was married to Robert Orchard Denton of Caribou, Maine, on Wednesday afternoon, June 22nd. The ceremony was performed at six-thirty o'clock on the verandah, decorated for the occasion and overlooking one of the loveliest views on the St. John River. Rev. Percy Hayward, an old schoolmate of the bride was the officiating minister, assisted by Rev. E. L. Steeves of Hartland. Only the immediate relatives and friends to the number of about thirty were present. Miss Grace Denton sister of the groom acted as bridesmaid and Mr. Ernest Seely brother of the bride attended the groom. The presents were substantial and useful. Mr. and Mrs. Denton, after a short stay in Upper Brighton will leave for their new home in Caribou, Maine, and their many friends here wish them a happy and prosperous life.

SMITH-CURRIE.

BABY'S OWN TABLETS CURE SUMMER COMPLAINTS

Baby's Own Tablets should be kept in every home where there are infants—and young children, and at first sign of illness during the hot summer months they should be given to the little one. At no time of the year is baby in such danger as in summer. Summer complaints come on so quickly that unless prompt aid is at hand the little one may be beyond help in a few hours. The Tablets never fail to relieve the sick child, and if occasionally given to the well child they will keep him well. Mrs. P. Larche, Las Fonds, Que., says:—"Last summer my baby suffered severely from stomach and bowel troubles but the prompt use of Baby's Own Tablets saved his life." The Tablets are sold by medicine dealers or by mail at 25 cents a box from the Dr. Williams Medicine Co., Brockville, Ont.

William Nicholson.

There passed away at the Hospital in Woodstock on June 20th, William Nicholson of Kirkland, Car. Co., aged 63 years. He was in the Hospital about three weeks after removal of the stomach. He was born in Donegal, Ireland, and has resided in Kirkland for a large number of years. He leaves two daughters, Mrs. Edward Foller and Mrs. Samuel Barlow, of L'Anse-au-Loup, Mass. and an adopted daughter, Miss Ethel, four grand children and numerous other relatives, also two sisters Mrs. Chas. Carter of Kirkland and Mrs. Jonathan McDougall; of South Amity Maine. He was a member of the Anglican church, and a valuable member of Wallington L. O. L. No. 51 of Kirkland a member of the Loyal True Blue Association while it was in session. Of an honest character, during his last days his request was that his bills be paid every dollar of them. Rev. A. W. Teed rector of his church attended the services. His funeral was among one of the largest ever held in Kirkland. He was buried under the Orange Lodge.

Birthday Reception of Mrs. Mary Irving.

The home of Miss S. J. Irving in Cambridge Mass, was the scene of a most pleasing and informal reception on June 19th, the occasion being the eighty-fifth birthday of her mother, Mrs. Mary Irving.

During the entire day many friends from Boston and vicinity called, bringing beautiful flowers and offering their congratulations and best wishes. A charming luncheon was served by the Misses Sarah M. and Minnie Wheeler, grand-daughters of Mrs. Irving. A beautiful birthday cake, the gift of a friend, was decorated with 85 lighted candles, adorned the center of the luncheon table, and was a source of much delight to the aged lady.

Mrs. Irving, who lived in Jacksonville, N. B. until within a few years ago, enjoys almost perfect health and is bright, cheerful and lovable, being in full possession of all her faculties.

Mrs. Irvine can converse on all the current events and can talk interestingly as well as intelligently on many political situations, nor has she forgotten her Jacksonville life, friends and neighbors, often rehearsing events even to the most minute details. One of her chief delights is receiving the Dispatch not a word of its contents escaping her notice.

Florenceville Consolidated School Closing Exercises

The closing exercises were held on Friday, June 24th. Demonstrations were given in the Domestic Science and Manual Training rooms. After this examinations were conducted in the Primary, Elementary, Intermediate and Advanced departments in various branches, including Spelling, Geography, Arithmetic, Grammar and Analysis, British History, Algebra and Geometry.

The program in the Assembly Hall included choruses by the school—"Recessional," "Vacation Song," "O Come, Come Away," Miss Ruth Smalley of Grade IX presiding acceptably at the piano. Rev. M. H. Manuel gave an instructive address, relating some of his interesting experiences as a teacher. He stated that those who go to the west from these provinces take a high position there. Carleton County had produced a fair share of the great men. Rev. D. Fiske in his address urged the scholars to aim at improving the imagination. He illustrated his remarks by the study of Geography particularly in its commercial aspect. Above all they should aim at accuracy.

The remarks of both speakers were well received by the school as well as by the numerous visitors. Mr. Fiske, particularly, who has acted as a kind of fairy godfather to the school during the past year, especially in the interest he has displayed in the school garden, is always a welcome visitor. "God Save the King" brought the interesting proceedings to a close.
