Just as Well as 30c. Tea if
You Use 40c. Red Rose**

A pound of 40c. Red Rose goes further than any 30c. or 35c. tea and it is distinctly superior in quality.

30c. and 35c. Red Rose Teas are good teas, so good that very many people say they want nothing better. But, if they would once try a package of the 40c. Red Rose they would use nothing else in future

Just think, five cups of 40c. Red Rose Tea will only cost 1c. One lb. makes over 200 cups. Not a question of affording.

A Sad Case.

Perth Junction, N. B., Feb. 14.—The family of Albert Dunster, whose home and three children were destroyed by fire last Monday morning, are still suffering intensely from the effects of the fire. Mrs. Dunster has deep burns both on her face and hands, and is also suffering from exposure to the cold. The boys feet and limbs are horribly burned, and there is also several burns about his face. The five-week-old infant has one side of its tiny face deeply burned. Dr. Earle, of Perth, is attending the victims, and states that unless complications arise, Mrs. Dunster will recover, while the boy is now out of danger. Address and Presentation.

A special meeting of Carleton County Lodge L. O. A. was held in the Orange Hall Woodstock, after the meeting of the Scarlet Chapter. The W. County Master, P. A. Watson in the chair. The committee appointed at the annual meeting to prepare a farewell address to P. C. Master W. R. McCready were called on to report; P. C. M. A. F. Lockhart requested Bro. McCready to come to the altar, and read to him the address of farewell.

PAST COUNTY MASTER MCCREADY:

Dear Brother:—It has fallen upon us by the appointment of the County Lodge, of the L. O. A. of this fair County of Carleton, to express somewhat of the feeling of the brotherhood, towards you, upon the approach of your departure from amongst us.

We mortals are not much given to saying very many appreciative things to those we associate with, while present with us. We are too often prone to leave these things unsaid, until our loved ones are sundered far from us, often by death, or some other cause.

We regret to learn that the allurements of the "Far West" have enticed you, and that you will soon bid farewell to the land of your birth, to take up your citizenship in the far-away land of the "Setting Sun."

We shall miss you, words cannot express how much we shall miss you. You have been a true, loyal Orange man since the time you first entered the sacred portals of our order, and took upon you the solemn obligation. You have ever been faithful to that vow, and as you have advanced step by step into the mystic rites of the order, so has your manhood advanced, and we have watched with interest the progress you have made.

We have seen you occupy the different offices of honor in the order. In the Primacy, to that of W. Master, and in the County Lodge, to that of W. County Master, the highest in our gift, as a County Lodge, and we think we are safe in saying that the records of our County Lodge, will show you to have been the youngest man who ever held that honorable office.

We trust that you will find prosperity, and happiness in your new home, and we know that you will receive a welcome from the Brotherhood in the sister province, and to their loving fellowship, we commend you, feeling assured that you will ever uphold the honor of your Country and your King.

Dear Brother:—While the words we have spoken, may be kind, and you may appreciate them to the fullest extent, yet we have thought to tender you with something more tangible than words alone. We have procured a fitting token of our esteem one that shows to you that the Brethren throughout the County do in this express to you what we have endeavored to express in words, and when you journey through the world, may this "Pack" which you will carry with you, remind you of the many dangers surround you, and also that many dangers surround you, there is One who is always ready to succor and assist you. May you remember the "Scar in the East" while you travel towards the West, and may our God keep you and protect you, and if we may never meet again in Lodge below may we be so faithful that we may all attain to the Grand Lodge on high.

Committee: A. F. LOCKHART, JAMES H. FORREST, A. E. PLUMMER.

The gift presented to Bro. McCready was a beautiful suit case, which was contributed by the brethren from all sections of Car. Co. South.

establishing a comfortable though log-built house, and he will scarcely recover from his loss, as he is a man over 60.

The citizens of the county have given liberally for the relief of the stricken family, but there is certainly still abundant room for all who care to contribute to a cause so deserving of sympathy and aid.

A committee has been formed to receive contributions from those who wish to give. They are as follows: Archie Dickinson, Andover; Rev. Mr. Hopkins, Andover, and J. G. Tweeddale, M. P. P., Perth Junction. The members here will be grateful to any contributors who care to give to the cause.

THE FEBRUARY ROD AND GUN.

The best side of the Canadian winter, the side that appeals to every inhabitant of our Dominion and countless numbers of our visitors—the snowshoeing trips of the north, receives prominence in the February issue of Rod and Gun in Canada, published by W. J. Taylor, Woodstock, Ont. A Canadian Snow-shoe Song and A Winter Hunt emphasize the glories of a season in which all Canadians rejoice.

There is plenty of variety in the number in addition to these articles including big game stories, duck and goose shooting, camping, protective work, fishing, etc., and no sportsman, whatever may be his particular inclination, can feel himself neglected. An endeavor is made to cover the whole Dominion in the best possible way and that a large measure of success is achieved is shown by this issue of the Magazine. In addition to winter outings, spring, summer and fall expeditions are now planned and the experiences of others, given in the most pleasant manner in these pages, is not merely interesting but most helpful and of considerable advantage to our broad Dominion.

**Many Women Suffer
Untold Tortures in Silence**

**They Can Be Relieved by Keeping the Blood Supply Rich
and Pure With Dr. Williams' Pink Pills.**

A woman needs a blood-building medicine regularly just because she is a woman. From maturity to middle life the health and happiness of every woman depends upon her blood its richness and its regularity. If her blood supply is irregular she suffers from headaches, backaches, sideaches, and other unspeakable distress which only women know. Some women have grown to expect this suffering at regular intervals and to bear it in hopeless silence. But women would escape much of this misery if they took a box or two of Dr. Williams' Pink Pills to help them over each critical period. These Pills actually make new blood. They help a woman just when nature makes the greatest demand upon her blood supply. They have done this for thousands of women throughout Canada, why not for you?

Mrs. Joseph Kinney, Gilbert's Cove, N. S., says:—"For ten years I suffered from nervousness and those troubles that make the lives of so many women one of almost constant misery. At times I would be confined to my bed for weeks. I spent sleep-

less nights and seemed to lose all courage. I tried several doctors but they failed to give me any relief. The last doctor I consulted told me frankly that he could not undertake my case unless I would undergo an examination. It was then I decided to give Dr. Williams' Pink Pills a trial. After taking six boxes I was much improved in health, but I continued to take the Pills for a couple of months more when I felt like a new woman, and enjoyed such health as I had not experienced for ten years before. I have had no return of this trouble since, but I have used the Pills once since that time for the after effects of a gripe, and the result was all I hoped for. These are plain facts from my own experience, and I have always felt that I cannot too strongly recommend Dr. Williams' Pink Pills to the many women who suffer as I did."

You can get this great blood-building, health restoring medicine from any dealer in medicine or direct by mail at 50 cents a box, or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.
