Mrs. George Purington.

It was with feelings of genuine sorrow that the community learned Sunday, of the death of Mrs. George Purington, nee Mal Sincok, at a Boston hospital following a surgical operation. The death is a particularly sad one and the heartfelt sympathy of all goes out to the bereaved family.

No one was more highly respected and esteemed in Houlton than was the deceased. A social favorite with all, an earnest worker in the Unitarian church prior to her departure from Houlton, talented, kind and courteous she easily made friends and always retained their good will.

Two years ago she was married to George Purington, a former master of the Houlton High School, and went to Cambridge to live where Mr. Purington is connected with a publishing house. Their future was bright and promising but death has suddenly broken up a happy home.

To the bereaved husband and infant son the community extends sympathy, and all mourn with the afflicted father and mother whose cup of sorrow has been filled to the brim during the past year.

The remains were brought to Houlton, Wednesday morning, and funeral services were held from the Unitarian church. There was a large gathering of friends to pay their last tribute to one whom they loved and esteemed in life.—Aroostook Pioneer, May 26.

[Mrs. Purington was a niece of Mrs. W. B. Jewett, who formerly lived in this town.]
