Raymond Camp

The DISPATCH strays in here some times like a ray of sunshine after a heavy snow storm and we see and read items from camps on the Tobique and other places but we see none from our camp, so I will attempt to furnish a few. Our camp is on twenty mile brook about forty miles from Cabano Quebec.

There is a crew of about thirty men here. Zedechar Tompkins boxes the dough and he can certainly do it up neat.

Paul Raymond is cookee and the men ought to have their lives insured, the way he falls around with the teapot.

Geo Raymond is the push, and he understands his work alright. He has three teams yarding with Archie Jinson, Billie Jinson and Stanley Pryor as teamsters and the way they pile logs up is a wonder.

Mr Patterson, of Wilmot is foreman of the main road crew and he knows how to build a road.

Miles Grant, of Kilburn, N B is here and he says he will bet ten dollars with any man that he can eat more beans than any two men that ever crossed Lake Temiscouata and being a friend of his I will back him with another ten.

The mail comes once a week. A two bushel sack full every time and Melvin Tompkins, Stanley Pryor and Paul Raymond get it all.

Douglas Rideout, who is swamping for Archie Jinson says he never saw hard wood ridgbs in a cedar swamp before.

Hon W S Fielding Back at Ottawa

Ottawa Ont Dec 27—Hon W S Fielding, Minister of Finance, who has just returned from the south, where he has been recruiting, was at his office today and was hard at work. He states that his health is much improved, and that he will be in the House when the session reopens on January 11th.

Halifax N S Dec 27. The widow of Wm Cunard of S Cunard and Co., died at Nice, France, this morning. She was a daughter of the late Judge Haliburton, author of the Sam Slick. She was for years a resident of Halifax and went to London with her husband after the mail contract between the Cunard and the West Indies terminated. She is the last of Judge Haliburton's family, Lord Haliburton, the remaining brother, having died a few months ago.—St John Globe,

DICKINSON BAIRD

On Wednesday, Dec 14th at noon the marriage of Beatrice Baird, only daughter of Mr and Mrs Henry Baird, and Archibald Dickinson was solemnized by Rev J R Hopkins. As the wedding merrch was rendered by Mrs Benjamin Beveridge the bridal party entered the church. the bride leaning upon the arm of her father. She was very becomingly attired in a travelling suit of wisteria broadcloth with hat to match, and wore a beautiful set of furs, the gift of the groom, and carried a bunch of white carnations and maiden hair fern.

The ushers were N H Baird, brother of the bride, and Burton McAlary.

The church was very prettily decorated by the young ladies of the guild.

After the ceremony about 25 invited guests repaired to Murphy's Hotel where a dainty dinner was served. The young couple left by the afternoon express for Fredericton and Chatham, the old home of the groom.

The presents were very pretty and useful. Several friends of the young couple presented them with a dining room suit.

All join in wishing the newly wedded pair all happiness through life.

Presbyterian Information Bureau.

Rev T Hunter Boyd, who is to leave this month for England, is to become the secretary of an information bureau to be established by the Presbyterian church of the maritime provinces. The object of this bureau is to disseminate information with respect to maritime province and general Canadian conditions. The idea is a splendid one. As secretary of such a body Mr Boyd would be in an excellent position to assist intending immigrants. His appointment is entirely a church appointment and is apart altogether from government immigration work.—St Croix Courier.

Herbert A Reynolds

Christmas day was a sad one for the family of Herbert A Reynolds, 207 Rockland Road, when Mr Reynolds died, after a week illness. He was about 60 years old and is survived by his wife and four daughters. Mrs E L Cleman, Sydney; Mrs N P Grant, Woodstock; Mrs Wm Kennedy, Debec; and Miss Lena at home. He was a member of the I O F and had also been connected with the Portland Methodist church for a great many years. The funeral took place in St John this afternoon at 2:30.

Millions of Lives

An Awful Toll Collected by Consumption Many Unnecessary Deaths

If people could only understand that systemic catarrh is an internal disease that external applications cannot cure they would not need to be warned so often about this malady, which when neglected, paves the way oftentimes for consumption, at the cost of millions of lives every year. Yet catarrh may be cured, if the right treatment is employed.

The only way to successfully treat catarrh is by employing a medicine which is absorbed and carried by the blood to all parts of the system, so that the mucous membrane or internal lining of the body is toned up and made capable of resisting the infection of consumption and other diseases.

We have a remedy prepared from the prescription of a physician who for thirty years studied and made catarrh a specialty, and whose record was a patient restored to health in every case where his treatment was followed as prescribed. That remedy is Rexall Mucu-Tone. We are so positive that it will completely overcome catarrh in all its various forms whether acute or chronic, that we promise to return every penny paid us for medicine in every case where it fails or for any reason does not satisfy the user.

We want you to try Rexall Mucu-Tone on our recommendation and guarantee. We are right here where you live, and you do not contract any obligation or risk when you try Rexall Mucu-Tone on our guarantee. We have Rexall Mucu-Tone in two sizes, 50 cents and \$1.00. Very often the taking of one 50 cent bottle is sufficient to make a marked impression upon the case. Of course in chronic cases a longer treatment is necessary. The average in such instances is three \$1.00 bottles. Remember you can obtain Rexall Remedies in Woodstock only at our store.—The Rexall Store. The E W Mair Drug Co.
