

**You Can Afford to use 40c. Tea
Just as Well as 30c. Tea if
You Use 40c. Red Rose**

A pound of 40c. Red Rose goes further than any 30c. or 35c. tea and it is distinctly superior in quality.

30c. and 35c. Red Rose Teas are good teas, so good that very many people say they want nothing better. But, if they would once try a package of the 40c. Red Rose they would use nothing else in future

Just think, five cups of 40c. Red Rose Tea will only cost 1c. One lb. makes over 200 cups. Not a question of affording.

Woes of Womanhood

**Weakness and Suffering Banished
by Dr Williams' Pink Pills.**

Dr Williams' Pink Pills are good for men and women, and growing boys and girls, but they are good in a special way for woman. At special times a woman needs a medicine to enrich and regulate her blood supply, or her life will be one round of suffering. That is when Dr Williams' Pink Pills are worth their weight in gold, for they actually make new blood. There is not a month in her life from fifteen to fifty that Dr Williams' Pink Pills are not a boon to every woman. They help the growing girl safely over the critical time when her blood is overtaxed by new demands. To the woman of middle life they bring relief and bring her strength for her time of change. And during the thirty odd years that lie between, Dr Williams' Pink Pills fill a woman's life with the happiness of health, giving her strength and energy for every function. A woman's surest protection against all the ills that come to her because of her sex, is to set her blood right at once by a course of Dr Williams' Pink Pills—and then to keep the blood right by taking the Pills occasionally. Mrs. Eliza Clouthier, St. Jerome, Que., is one of the many unfortunate sufferers restored to health by Dr Williams' Pink Pills. She says: "It would be difficult for me to say how much I suffered. I was tormented by headaches and backaches my appetite failed to such an extent that I was unable to do housework. I was constantly taking medicine, but it did not help me any. One day a friend urged me to try Dr Williams' Pink Pills, and I procured a couple of boxes. By the time these were done I felt some improvement, and thus encouraged, I continued the use of the Pills, gaining strength day by day, until after I had taken six or seven boxes. I was again well and strong, and I have since continued in the best of health. I can strongly recommend these Pills to all weak and ailing women."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50, from The Dr Williams' Medicine Co., Brockville, Ont.

The Japanese Honeymoon.

A new and successful musical comedy "The Japanese Honeymoon," which will appear at the Hayden-Gibson theatre on Friday, May 27th, is different from most of the plays that have a musical setting for a background in the fact that it has a clear and consistent plot which can be followed by the audience without a printed libretto. The scene of the play is laid in the beautiful land of the Chrysanthemum and the story is as follows:—

Pin Tu, the ruler of the Island of Dreams, has been born without a heart and therefore is incapable of loving. The peculiar laws of the land compel him to choose a wife during the Harvest Moon Festival, which occurs during the coming week. Ban Ko, his matrimonial advisor, persuades Dorothy, an American girl, to don the disguise of a ghesia to awaken in Pin Tu the power to love. Dorothy agrees to do this in order to test her own sweetheart, Carl Neville, an American officer on duty there. Carl starts a flirtation with the supposed ghesia, thinking Dorothy miles away in America, and in a clandestine meeting, she gets him to declare his love. This is overheard by Ban Ko, who becomes enraged and orders Carl's arrest and the first act closes with Carl on his way to prison. The second act opens with the beautiful Fete of the Harvest Moon and the day of Carl's execution for fluting, and the rest of the act is devoted to the many amusing situations and complications in order to rescue Carl and bring about the marriage of Pin Tu.
