Terrible Tragedy at Perth

Perth Junction, N. B., Feb. 7.—A tragedy, sad and terrible in the extreme, occurred at Lake Edward, ten miles from this village, at an early hour Monday morning, when Miss Helba Dunster and two young brothers, aged 12 and 13 respectively, were burned to death in a fire which completely consumed their home and in which a third brother, the mother and baby were badly burned.

Mr. Dunster was nightwatch at a mill a mile distant and Mrs. and Miss Dunster were alone with a number of young children. They retired to bed early, leaving a large fire. Mrs. Dunster was awakened only when the flames burst into her room. She seized her infant baby and after much difficulty found her way through the flames where she was forced to remain without being able to awaken the three children and Miss Dunster. One of the younger boys succeeded in escaping by an upstairs window, but was so badly burned that his recovery is doubtful.

The brother tried to follow, but was overcome before he reached the window. Miss Dunster and the third brother had evident-

ly been suffocated, as the charred bodies were found on the mattresses upon which they had been sleeping.

The skeleton of the young lady was found lying with one hand beneath the head as she had been sleeping.

Mr. Dunster rushed to his home only to find a smouldering mass of coals and the three charred bodies of his children. Miss Jessie, of Perth, left for her home this morning. Much sympathy is felt for the family in their triple loss.
