What you Need in Spring is a Blood **Building Tonic.**

A spring medicine is an actual necessity to most people. Nature demands it as an aid in carrying off the impurities that have accumulated in the blood during the indoor life of winter. But unfortunately thousands of people who do recognize the necessity of a spring medicine do not knowwhat is best to take and dose themselves with harsh, griping purgatives.

This is a serious mistake. Ask any doctor and he will tell you that the use of purgative

medicine weakens the system but does not

A Pointer for Farmers

Mr. Watters of Lakeville says: In 1909 I had a fiield on which had grown potatoes the previous year. I plowed a stripe around the edge of it and on the remainder of the field I used a Bissell Out-throw Disk Harrow, sowing the whole field in Wheat. When the WI headed out the grain on that part of the field where the Bissell I was used was nearly ten inches higher than where the plow was us I sowed three bushels on the whole field and gathered fifty-seven.

A HINT TO YOUNG MOTHERS.

Don't walk up and down the floor with a cross, restless child. Nothing can be more demoralizing to the little one and it is a ser. ious tax upon the mother's strength and nerves. When a child is peevish and cross there is probably some little derangement of the stomach or bowels, and a dose of Baby's Own Tablets will remove the cause of the trouble and enable the little one to sleep soundly. Mrs. W. Bouffard, Piopolis, Que., says: "I have found Baby's Own Tablets superior to all other remedies for curing constipation and making teething easy. They also promote healthful sleep, and I recommend them to other mothers." Sold by
